puld be mighty bad business for he White House.

The most hopeful Republicans ecognize the practical certainty of Democratic gains in the house of epresentatives. That too, will not mount to a White House catasrcphe if they are not immoderately large gains. To be sure, the Democrats pretend to believe they will get control of the house, which certainly would make President leover look like a one termer; only it is highly improbable. Reduction of the G. O. P's majority of about 100 to a mere handful would

threaten him. All in all, the Democrats' 1930 prospects are pretty good--as a

Senator Daniel P. Steck's Iowa seat is the only one of importance that they seem inevitably doomed to lose. Of course Steck was a oure accident. His re-election would be a

first-class miracle. However, a few other individu 1 Democrats have fights on their for those Democrats.
