

Man Walks 4 Miles, Rides 26, For Jury

Berkshire Resident Receives \$46 For Services, Without Hearing A Single Case.

Pittsfield, Mass.—Jury duty in eyes of George T. Hamilton of Mt. Washington in South Berkshire is a serious business.

To arrive on time for the superior court sitting he had to leave his home high up in the fastness of the mountains, walk four miles to the railroad station in Copake Falls N. Y., board the train there, change at Chatham, N. Y., then come directly to this city for the opening of court at 10 o'clock the next morning.

All of that to go through to cover a distance of not more than thirty miles. For his services Mr. Hamilton received \$46, the largest amount paid to any of the jurors.

The recent sitting of superior court was the shortest on record. Not a single case went to the jury.

In Manhattan, on the outside of an unfinished building, a sign appeared inscribed with these words: Our Sincere Apologies To Our Neighbors

For the Unavoidable Annoyance This Hammering Must Occasion.

just the same as the weather man; so we'll inform you that we had a letter from a friend of ours in Cleveland, O., that said all clothiers were having a big run on two-pants suits for it was so cold that a man had to wear both pairs, and that four miles out on Lake Erie, man could fall down and break his leg.

The past week or ten days we have been having a big run on Sinclair products. It seems that more and more motorists are hearing of the exceptional performance of Sinclair Gas and Mobline oil and desirous of benefitting by their superiority. We invite your trial of these products guaranteeing their purity and quality unconditionally.

City School News

Items Of Interest In Shelby School System Briefly Summarized.

Gov. Gardner To Hear From Home. Governor O. Max Gardner is to hear from home about his live-at-home program because eighty-three classes wrote him Friday telling him about the things the Shelby schools are doing to help him quit with his project.

The campaign has received major emphasis during the week and will be carried forward in the essay and poster contests and in an attempt to have every family cultivate a garden.

Live-at-home week has been observed in true Graham school fashion. Each grade has taken a special interest in complying with the wishes of Governor Gardner. A different topic has been stressed each day: Monday, "The Importance of Daily Food for the Family"; Tuesday, "The Hog"; and Friday, "The Garden."

The upper grades are writing essays while the lower grades are making booklets and posters. An effort was made to hear the programs each morning over the radio planned by state officials but Station W. P. T. F. was too weak.

A school garden has been planned by the sixth grade boys. We are doing our bit toward making the live-at-home campaign a success.

The third grade had charge of chapel Wednesday morning, and they celebrated Lincoln's birthday with a negro program. About thirty-five little black-faced boys and girls entertained the school with songs, dances, and recitations in true negro fashion. The program was repeated for the Graham School Parent-Teacher association in the afternoon.

Jefferson School News. Reverend Hayes, pastor of the First Methodist church, conducted devotional for us Monday morning and also made an interesting and helpful talk on live-at-home.

For special reasons we are coming together in chapel this week for our live-at-home programs each day. Each grade is having a program in their own room observing the program outlined in the live-at-home bulletin. Posters and booklets are being made by the lower grades. The upper grades are writing essays.

Monday evening we held our Parent-Teacher association meeting for the month of February. A large number of parents were present. Captain Smith made an interesting talk on live-at-home and on measuring our needs for standardization of our school. Miss Virginia Hamrick favored us with a most enjoyable reading.

The prize for having the most parents present was awarded to the fifth grade.

Washington School News. The live-at-home program was stressed each day of last week at assembly periods and correlated with regular subjects each day in the different grades. On Monday the sixth grade had charge. "The Importance of Daily Food for the Family" was the topic. An exercise "live-at-home in North Carolina" was given by eight members of the grade. On Tuesday the first and second grades gave a program on "The Importance of the Cow." The following program was given:

Song—"Carolina School." Scripture—Psalm 50. The Lord's Prayer—School. North Carolina Toast—School. "The Importance of the Cow"—Allen Moore. Second grade, "Five Milk Fairies." Betty Dorton, Margaret Jones, Webb Howie, Jr., Elizabeth Gantt, Margaret Peston. Song—"Old MacDonald had a Farm" first and second grades. Reading—"The Calf gives Jack Surprise." Marcia Weathers. CERTIFICATE OF DISSOLUTION State Of North Carolina, Department of State. To all to whom these presents may come—Greetings:

Whereas, it appears to my satisfaction, by duly authenticated record of the proceedings for the voluntary dissolution thereof by the unanimous consent of all the stockholders, deposited in my office, that the R. G. Burrus and company, a corporation of this state, whose principal office is situated in the village of Mooresboro, county of Cleveland, state of North Carolina (R. G. Burrus being the agent therein and in charge thereof, upon whom process may be served), has complied with the requirements of chapter 22, Consolidated Statutes, entitled "Corporations," preliminary to the issuing of this certificate of dissolution:

Now therefore, I, J. A. Hartness, secretary of state of the state of North Carolina, do hereby certify that the said corporation did, on the 25th day of January, 1930 file in my office a duly executed and attested consent in writing to the dissolution of said corporation, executed by all the stockholders thereof, which said consent and the record of the proceedings aforesaid are now on file in my said office as provided by law.

In testimony whereof, I have hereto set my hand and affixed my official seal at Raleigh, this 25th day of January, A. D. 1930.

J. A. HARTNESS, Secretary of State.

Mrs. C. G. Grigg, and Mrs. H. G. Bailey.

The children in the first grade have organized a reading club or Story Hour club. They greatly enjoy finding stories they can read in the various primers and easy readers in the grade library. Twice a week the Story Hour club has charge of the language period. During this period members of the club read or tell to the class a story which he or she has read and enjoyed. They are very enthusiastic readers and enjoy selecting their stories.

HIGH SCHOOL NEWS. Choosing Your profession.

We have had different men to talk to us on choosing a profession. Dr. Harbison of the Shelby hospital gave an interesting talk on Monday morning about the doctor's profession.

A broad foundation is needed for any profession, especially medicine. This foundation should be laid in high school. Intellectual curiosity is needed so we will seek the truth. Narrow mindedness is a hindrance. Personality and honesty are essential to keep the patients' confidence.

Take an inventory of yourself—Are you interested in work or play? Is your health robust or questionable? Is your mind composed or able? Is your mind composed or Don't go into the medical profession for making money—do it to serve your fellow man. Service, well done and honestly, will be rewarded.

The Contemporary Book Club has just donated through Miss Millington Blanton four books to the high school library. They are: The Best Plays of 1925-26, Sorrel and Son, Early Autumn, Clire Ambler. The school is very grateful for this gift.

College Boy's Idea About Live-At-Home

Miss Rebecca Cushing, Former Shelby Teacher, Tells One About Program.

Raleigh.—Governor Gardner's agricultural "live-at-home" campaign has not scored 100 per cent, according to Miss Rebecca Cushing, state supervisor of home economics, who in a radio address on the Gardner program said a college student, whom she did not know, when asked to write a theme upon the topic "Live at Home," submitted the following:

"It is a fine thing to live at home. All boys should spend as much time at home as possible. Boys should come home early at night and spend the evening with their parents."

White and negro schools are conducting essay and poster contests in connection with the live at home program. County contests will close April 15 and the statewide contest on May 15. Prizes have been offered county, as well as state winners.

Menu From Air.

Washington.—The day when a man may dictate a supper menu to his wife while flying home from work may not be far distant. In fact, it already has been done once.

Arriving here after a flight from New York, Dr. C. Francis Jenkins, a Washington inventor, said he had communicated to Mrs. Jenkins his taste in supper dishes as part of the test for a new type of antenna attached to a radio-telephone outfit, while flying over Pennsylvania. The antenna, he said, replaces the usual hanging, leadweighted wire, with a wire held horizontally from the ship's tail by a wind "sock." This tends, he said, to eliminate static interference from the engine.

Executor's Notice.

Having this day qualified as executor of the estate of Frank Lattimore, deceased of Cleveland County, N. C., this is to notify all persons having claims against the said estate to present them to me properly proven on or before the 31st day of January, 1931, or this notice will be pleaded in bar of any recovery thereof. All persons owing the said estate will please make immediate settlement to the undersigned. This January 31, 1930. J. D. S. CARPENTER, Lawndale, executor of Frank Lattimore, deceased. 6t-1c

ADMINISTRATOR'S NOTICE.

Having this day qualified as administrator of the estate of J. C. Turner, late of Cleveland County, all persons holding claims against said estate are hereby notified to present the same properly proven to the undersigned, at Grover, N. C., on or before February 2, 1931, or this notice will be pleaded in bar of any right to recover thereon. All persons indebted to the said estate will please make immediate payment to me.

Notice of Dissolution.

To all to whom these presents may come—greeting: Whereas, it appears to my satisfaction, by duly authenticated record of the proceedings for the voluntary dissolution thereof by the unanimous consent of all stockholders, deposited in my office, that the Pleasant Ridge Electric Light and Power company, a corporation of this state, whose principal office is situated in the City of Shelby, county of Cleveland, State of North Carolina, do hereby certify that the said corporation, executed by all the stockholders thereof, which said consent and the record of the proceedings aforesaid are now on file in my said office, as provided by law.

In testimony thereof, I have hereto set my hand and affixed my official seal at Raleigh, this 21st day of January, A. D. 1930. J. A. HARTNESS, Secretary of State

game because they don't enjoy being licked by their inferiors. They suffer defeat at the hands of dumb idlers who play bridge daily, yet they know they could win consistently if they took time to learn and practice. It's a good theory, anyway, and especially consoling if your wife can beat you playing and you need an alibi.

Had A Real System.

The visitor was being shown about by the head of the up-to-date business house.

"Who is that dapper youth at the glass-topped desk?" he asked. "He keeps an index showing where the index cards are."

"Who is the young man with the gray gaiters and the efficient cars?"

"He keeps an index showing the length of time it takes to index the indexes."

"Who is the girl with the golden hair?"

"She decides under what index a index to the index of the filing cabinets shall be placed."

"And who is the gray-haired man at the disordered desk in the corner?"

"Oh, that's Old Jiggs. He doesn't fit in very well with the rest of the office, but I have to keep him around. He's the only employee who can find important papers when want them in a hurry."

Sore Throats and Coughs

Quid viv R-leved Ey This Safe P-e-s-i-t-i-o-n.

Here's a doctor's prescription that is really throat insurance. Sore or irritated throats are relieved and soothed almost instantly with the very first swallow. About 10% of all coughs are caused by an irritated throat; consequently for most coughs there is no other better than this famous prescription—it goes direct to the internal cause. It is put up under the name Thoxine and is guaranteed to stop coughs and relieve sore throats in 15 minutes or your money will be refunded. Singers and speakers find Thoxine very valuable.

The remarkable thing about Thoxine is that while it relieves almost instantly, it contains nothing harmful, is pleasant tasting, and safe for the whole family. Ask for Thoxine 35c., 60c., and \$1.00 bottles. Sold by Sut-le's Drug Store and all other good drug stores. adv.

ENDS LIFE BESIDE "PARADISE LOST"

Chicago.—With his treasured copy of "Paradise Lost" opened to a marked passage on death, Gustav Rydberg was found dead in his room at the Svea Hotel, No. 815 Milton avenue. Beside him lay a knife with which police said he had committed suicide.

The lines that he had evidently been reading were:

"Nor love thy life, nor hate; but what thou livest

"Live well; how long or short permit to heaven."

A tiny but valuable collection of books was apparently Rydberg's only possession. Eunice, who serves as mascot for Yuick, Mass., has an unusual cat, the Y. M. C. A. association members takes a daily swim in the Y pool.

HUDSONS great

Questions the Wisdom of ever paying more for any car

Its rich appointment and appearance; its outstanding performance, remarkable economy and its pride of ownership, in every particular of motor car satisfaction, questions the wisdom of ever paying more for any car.

It is a question that motor- dom is everywhere asking. It is revealed in hosts of new owners turning to Hudson from every size and price field. It is confirmed in the most spontaneous welcome ever extended an eight-cylinder car. This is the car which all Hudson's past achievements are set aside to produce. That fact alone speaks for a remarkable development. When you see and ride in it you will understand that an entirely new standard of motor car value has been established. It genuinely questions the wisdom of paying more for any car.
