NEW CHRYSLER SIX

The Lowest-Priced six ever to bear the Chrysler name

Chrysler today introduces a brandnew Chrysler Six - priced from \$795 to \$845-the lowest-priced six ever to bear the Chrysler name.

Here is Chrysler engineeringwith such progressive developments as internal-expanding 4wheel hydraulic brakes; 62-horsepower high-compression engine mounted on rubber; Iso-therm pistons; fuel pump instead of a vacuum tank; low-swung chassis; special-type spring shackles and hydraulic shock absorbers; small base wheels with large balloon

tires; and typically Chrysler-styled all-metal bodies of new design and rigid construction.

Here is Chrysler craftsmanshipthe precision craftsmanship typical of Chrysler Standardized Quality.

Here is Chrysler performance-all of that snap, speed, smoothness and stamina for which cars bearing the Chrysler name have been famous ever since its beginning. Inspection, trial and comparison inevitably lead to the one positive conclusion that by all current measurements of performance, smartness, comfort, safety, economy and quality, the new Chrysler Six takes its place as the greatest six-cylinder value in the world.

We are eager to show you a new Chrysler Six today.
