TWO DEATHS IN GROVER SECTION

Grandson of Col. Frederick Ham-bright Passes. Mr. Gibbons. Passes.

(Special To The Star.) Grover, May 20.—Many friends and relatives in and around Grover were saddened by the death of Mr. R. F. Hambright, which occurred in a hospital at Spartanburg, S. C. last Friday morning.

Mr. Hambright was a member of a South Carolina family of Revolutionary fame and was a descendant of one of the pioneer families of that section. His great grandfather, Col. Frederick Hambright, was a prominent figure in the battle of Kings Mountain and his home until a few years ago was near this historic battle site.

He is survived by his widow, Mrs. Annie Hambright, seven daughters, Mrs. C. M. Hardin and Mrs. L. C. Hamrick, of Grover, Mrs. J. F. Harris, of Anderson, S. C., Mrs. P. H. Bailey and Mrs. L. E. Lipscomb, of Cowpens, S. C., Mrs. C. D. Alexander and Mrs. H. D. Durham, of Spartanburg, S. C., C. O. Hambright, R. E. Hambright and R. H. Hambright, of Greenville, S. C., and Robert Hambright, of near Gaffney, S. C., one sister, Mrs. R. Bird, also survives.

Funeral services were conducted from the home of his daughter, Mrs. L. E. Lipscomb, at Cowpens, S. C. last Saturday afternoon and the body was interred in the Cowpens cemetery. The services were conducted by the Rev. Judson L. Vipperman, assisted by Rev. C. P. Holland, Rev. J. A. Chandler and Rev. H. C. Martin.

The following nephews acted as pall bearers, Jesse Lowery, James Borders, Gill Hambright, Ross Hambright, Grady Bird, Darwin Bird, Mack Poston and Lee Goode.

Among the large crowd that attended the funeral were many from Grover for while Mr. Hambright had made his home near Gaffney, S. C. for several years yet he belonged to this section in a very peculiar way and had many relatives in Grover and Kings Mountain also a host of friends in this section.

Mr. H. S. Ketter has recently purchased the vacant lot adjoining Rube Rollins on Bob Vance street and is erecting a nice residence on it. When completed it will have six rooms and will be equipped with water and lights and will be a most

desirable place to live. Miss Eddie Byers of Limestone college, Gaffney, spent the week-end with her parents, Mr. and Mrs. C. E. Byers. Mr. and Mrs. C. W. Pearce of Greenwood, S. C. were recently visitors to our town spending some time with the latter's parents, Mr. and Mrs. D. J. Keeter. Mr. Laudus Ellis is in Brooklyn, N. Y. this week on a visit to his brother, Dr. L. G. Ellis who holds a position with the Travelers Insurance company as area supervisor. Our district B. Y. P. U. meeting was held last Tuesday night with the New Hope Baptist church, and was attended by a large crowd al-

though it was a rainy night. After a very interesting program put on by all the unions, the banners were awarded as follows: Attendance, senior and junior banners to the Grover unions, while the intermediate banner went to Patterson Springs. At this meeting it was decided to change the time of meeting from once a month to once a quarter, and the next meeting will be held with the Grover Baptist church. This change was not made because of a lack of interest or attendance but was deemed wise because of the amount of work involved and the burden placed on the officers in arranging programs

and other necessary work. Rev. W. E. Furcron and family and Mr. W. C. Beam and family were dinner guests of Mr. and Mrs. Monroe Beam last Sunday. This dinner was given to celebrate the birthdays of Ray Beam, a son and W. C. Beam, a brother of Monroe Beam. Mr. Jerome Cook suffered quite a serious and painful accident last week when a cow that he was leading knocked him down and caused him to strike a stump, breaking three of his ribs and otherwise

bruising him. This is quite serious owing to the advanced age of Mr. Cook, but the doctor thinks that he will recover unless complications arise. Nothing to Wish For. Customer—"That chicken I purchased from you yesterday had no wishbone." Dealer—"He was a happy and contented chicken, ma'am, and had nothing to wish for."

Female Sherlock Holmes. Servant Girl—Madam, master lies unconscious in the hall with a piece of paper in his hand and a large box alongside. Mme X. (joyously)—"Oh, my new hat has arrived." Card of Thanks. I want to extend my heartfelt thanks for the kindness and help shown during the sickness and death of my dear mother. F. D. Wilson and Family.

Nature Thought of Everything

Nature thought of everything when the human body was made. When the body is about to become ill, nature planned danger signals to warn us. Thus, if our children grind their teeth when they sleep, or lack appetite, or suffer from abdominal pains, or itch about the nose and fingers, we should know that they may have contracted worms. Then, if we are wise, we buy a bottle of White's Cream Vermifuge and safely and surely expel the worms. Thus we avoid the danger of very serious trouble. White's Cream Vermifuge costs only 35c a bottle, and can be bought from PAUL WEBB & SON AND CLEVELAND DRUG CO. (adv.)
