Vacation Time. flat rock, S. C., may the 23, 1930. dear mr. editor: it will soon be time for the poor folks to begin to plan for a vacation...

but my editor, I am riting this peace to tell the folks who hatter pay cash for everythg they get including the doctor and the milk man...

after the last meal, me and my wife go out into the front yard and set in the swinging settee and brag on the cool wind which seems to be blowing...

we keep this up for 10 days and then my old lady gives me 25¢ and I give her 25¢ and we pack up and

we will have meetings reglar when a man expects to buy anny thing from annybody, and we serve supper ever month in a group but every family haster fetch their own vittles to the meeting so's it wont cost nobody nothing except, we order off for all kinds of catty logs

so's we can keep posted on the price and when we want flour, we get together and buy a hole barrel and divide it up accordin to the size of the family, provided she can pay for that much.

this buying club is a new thing for all of us and if we had plenty monney, it would work a heap finer, our dues is c10 per month which pays the treasure for keepin the books but so far, only c70 has been paid in and the book cost c80, includin the lead pencil, this club means to stand by her members and see that nobody gets cheated, if miss jenny veeve brown had a beinu member of our club, she could of got her dress at least c48 cheaper, but she diddnt think to jew down who sold it to her for 28.

we hope the people of other sections will organize to buy closer and keep their monney at home, we do not order nothing from mail order houses except catty logs which come in handy around the house, we have no by laws, but will be glad to help organize clubs if the treasure is paid as much as \$1 for his services, rite or foam if interested, yours truly, Mike clark, rfd.

Closeer Buying Club. fat rock, S. C., may the 23, 1930. deer editor, I have been asked by the president of the "community closer buying club" which we organized last week in our mist to help one another to buy closer by going in a body together and jewing the merchants and the chain stoars down on stuff we hatter have ansforth.

this club is composed of the farmers and their families who want to fine in this big move ment and it has already hope mr jone who had to buy a stove last week, we all lined up in a long group of 5 chevylays and 3 fords and drove to town and went to difrent stoars and picked out the one she liked which the man first asked 19¢ and c98 for.

after hearing the price, we went off and talked about the best way to jew him down and as I am the treasure and secker terry, the job was turned over to me, so I went in and told the man that we had a heap prettier stove offered us at the pay and tote stoar for 168 even munny and he come down a dollar and i made like we was going home and he come down to the pay and tote stoar's price and mrs. jones got the monney out of her stocking and paid for same and we went home.

Wilson Jessup, 4-H club boy of Ringwood in Halifax county, produced 54.5 bushels of corn on one acre at a cost of 47 cents a bushel while his father made only 60 bushels on 3 1-2 acres adjoining at an unknown cost, reports W. O. Davis, county agent.

James Albert Ramsey, of Lawndale, age 54 years, died May 19th, and was buried Tuesday, May 20, at Oak Grove Methodist Protestant church, the funeral services being conducted by Rev. C. E. Ridge. Mr. Ramsey was a fine Christian gentleman and the large crowd attending the funeral and the beautiful flowers, attested the high esteem in which he was held.

Mr. Ramsey was twice married. He was first married to Alice Canipe, July 1903. To this union were born five girls and four boys. His first wife died several years ago. He was again married to Rebecca White and one child was born to this union, but it died in infancy. The widow, four sons and four daughters survive. Mr. Ramsey was a member of Oak Grove where his funeral and burial took place.
