#### P. Y. P. U. Members In Study Courses. Blanton and Scouts in Camp

(Special To The Star)

The P. Y. P. U. members of Lattimore took great interest in the study courses offered at the church last week. Twenty-two from the senior union took the course, "The Plan of Salvation and How to Teach It to Others." This course was taught by our pastor, Rev. W. C. Lynch. The course for the intermediates, "Training in Church Membership," was taught by Mrs. Lynch. Twenty-five were enrolled in this group. And, the juniors were taught by Mrs. Hugh Harrill, their text being, "Studying for Service." Fifteen juniors took this course.

Mr. and Mrs. R. C. Garrison, of Boone, and Miss Clara Greene of Shelby were week-end guests of Mr. and Mrs. L. C. Toms and Miss Kate Mae Toms. Also Mr. and Mrs. H. H. Toms of Shelby, and Mr. and Mrs. Sam Crawley visited Mr. and

### Doctors Disagree

When children are irritable and nervous, grind their teeth and sleep restlessly, have digestive pains and disturbances, lack of appetite, and have itching eyes, nose and fingers, doctors will not always agree that they are suffering from worms. Many mothers, too, will not believe that their carefully brought up children can have worms. The fact remains that these symptoms will yield, in a great majority of cases, to a few doses of White's Cream Vermifuge, the sure expellant of round and pin worms. If your child has any of these symptoms, try this harmless, old-fashioned remedy, which you can get at 35c per bottle from

### Constipation Troubles

"I HAVE USED Black-Draught as a family medicine for a good many years," says Mrs. Sallie Laugh-run, of Hunteale, N. C. "I have found it an excellent remedy for constipation and the troubles that follow it. I have suffered frequently from gas pains, and when I am bothered that way I begin at once to take Black-Draught. Relief follows quickly."

"I give Black-Draught to the children when they are constipated, and it is not long until they are running around again."

Thousands of others have reported good results from the use of this purely vegetable medicine. Insist on the genuine Theford's.

### Thinks Bulwinkle Will Defeat Jonas

Republican Can Hardly Point To Economic Condition Of Regime

Concord Tribune

Major A. L. Bulwinkle gets the nomination from the ninth district Democrats in the run-off primary and will oppose Congressman Jonas this fall. It will be the same line-up as the ninth district had in 1928 and unusual interest will be centered in its outcome.

Major Bulwinkle will find his greatest opposition in Mecklenburg county, for Mr. Jonas has not been unfriendly to Charlotte and his work in behalf of the State's metropolis can be counted upon to bear fruit at the polls. In those counties where the Republicans have a normally large vote he will poll the full strength, but Major Bulwinkle will expect this, whereas he may not expect to see the Republican get a big vote in Mecklenburg.

We do not see how Mr. Jonas can talk much to the majority of the people in his district in the face

of present economic conditions. It may be true, as the Republicans are arguing now, that Mr. Hoover and his administration have nothing to do with the business depression, but it is true that two years ago they took credit for favorable conditions and promised that "Coolidge prosperity" would be continued. Certainly in this promise they failed to keep good.

If Mr. Jonas can persuade the thousands of textile workers and farmers in his district to support him, in view of the failure of the Republicans to aid either class, then he should be able to keep his seat for life. Many of the farmers have been hard hit and everyone in this section of the country knows what has been the lot of the textile worker. Rosy pictures were painted by the Republicans two years ago, but actual experience has brought just the opposite.

Major Bulwinkle is better known over the district than Hamilton C. Jones, the other Democratic candidate in the run off, and we believe he will poll a bigger vote than Mr. Jones could have, because of his familiarity with voters over the district and their familiarity with him. Mr. Jones has been a very active

worker and received a handsome vote, but he is not as well known as the Major and he didn't have as able an organization over the district. He's a young man, though, and still has time to fulfill political ambitions.

The ninth district fight should be a splendid one, but we have faith in the Major. He should be returned to Washington by a big majority.
