Gov. Gardner And Others Oppose Him

Charlotte, Dec. 4.—The thunder of some of North Carolina Democracy's biggest guns, trained on him as they were two years ago, resounded tonight in the ears of Frank R. McNinch, slight, gray-haired Charlotte lawyer and field general of the state's anti-Smith forces in 1928.

In very good standing with the Democratic party. James touched upon McNinch's activities against Smith.

Senator Overman, North Carolina Democrat, favored McNinch, "If he is a Democrat." Of that the senator was dubious.

Gardner Against Nominee. Governor O. Max Gardner, Chief Justice W. P. Stacy, of the supreme court, Attorney General Dennis O. Drummitt and Senator-Elect Josiah W. Bailey spoke out in Raleigh against the nominee. Bailey said he was writing Senator Overman to protest.

Correct this sentence: "I think that the people should rule, even when they overrule me."

Charlotte Band At Negro Church Here

Officials of the Roberts Tabernacle, Shelby colored church, announce that the widely known string band from the House of Prayer at Charlotte will give a musical program at the tabernacle at the 11 o'clock services Sunday morning. The announcement is made for the benefit of war veterans who are invited to attend and for whom special seats will be reserved.

In the long run most of us would make a grand success, but we stop with a short run.

— SEE THIS PLAY —
"THE WREN," an entertaining four-act play given last week at the Jefferson school, will be repeated tonight, Friday, at 7:30 at the same school. The play is repeated for the benefit of those who wish to see it again and for those unable to see it the first time. The play is given by the EAST SHELBY COOKING CLUB.

VOL. 2. DEC. 5, 1930 NO. 38

What can make a nicer Christmas for your wife and children than a new Model A Ford Sedan? All of the family would enjoy a Christmas present of a New Ford.

"Could you tell me, please, Mister, where is the rest room?" "Escalator, Madam."

"Ask you later? I gotta go now."

If you are considering the purchase of a new car, above all things, think of the manufacturer of the car you intend to buy, and think of the dealer you intend to buy the car from. Are both trustworthy? Was the car honestly built by the manufacturer? Will this dealer remember his promises of service and satisfaction? Is this dealer equipped with properly trained mechanics and labor saving equipment to properly service the new car?

We have been in the automobile business for over 25 years and we have been in the FORD business for nearly 18 years. We can tell you anything you want to know about our business or about a Ford product as that is our business and we make our living by knowing all there is to know about FORD products.

Ask any Ford owner that bought his car from us and you can get first hand information concerning us and our style and method of doing business. We will welcome an investigation and a comparison.

Head of firm: "How long do you want to be away on your honeymoon?"

Junko (timidly): "Well, sir—er

how long, would you say?"

Head of firm: "How do I know? I haven't seen the bride."

Teacher: "Willie, what are the two genders?"

Willie: "Masculine and feminine. The masculines are divided into temperate and intemperate and the feminine into frigid and torrid."

The better we please our customers the more we are pleased with our business, however, if you are not pleased with our service we would appreciate it to know our faults. Save us from disappointment in the future and let us know today the cause of your complaint.

The Branch License Office will start selling the 1931 License Plates a week from next Monday, December 15th. It will save you a great deal of trouble and inconvenience to buy your License plates early and avoid the rush. This is another service rendered the car owners of Cleveland county by our organization. Show your appreciation of this service by buying your plates early and having the CASH to pay for them instead of asking us to take your check.

Absolutely no personal checks will be accepted for License Plates. Please remember this when you come for your plates.

If you have failed to put an anti-freeze solution in the radiator of your car, drive around to our garage and let us put this solution in your radiator which will completely protect the radiator and cooling system from freezing during the cold weather to come.
