## Shut Out The Shadow Of The Question Mark!

Startling Facts About The Dangers That May Lurk In Washing Sent To Questionable Quarters. How To Shield Your Family From This Needless Risk.

Whenever the washing is sent out to questionable quarters—to be handled under uncertain conditions, without supervision or sanitary control—there lurks danger. Doctors know that many serious diseases can be carried by clothes that "look clean." Intimate articles of apparel, towels, napkins, bed linens, may be tainted by contacts in these unknown surroundings.

The shadow of the Question Mark falls upon families proud of their fastidiousness.

It brings the danger of contamination into homes apparently secure.

Our sanitary laundry service is the safe way for your family washing. Here your clothes are protected by scientific hygienic precautions. Our various laundry processes eliminate all risk of infection. A continuous system of inspections is maintained over all sanitary conditions within our laundry; and in every part of our work, we fully comply with all city and state codes. We take every safeguard. We have a special type of service to suit every family's requirements.

Shield your loved ones from needless exposure, by letting us do your washing every week. Then you can be sure that the Question Mark of tainted clothes will never cast its shadow over YOUR home! Telephone us for service—NOW!
