PARAGON'S Double Header Sale

STARTS

DEPARTMENT STORE STOCK — FURNITURE OF ALL KINDS

WE ARE GOING TO SELL

Mascot Maids
IN THIS SALE AT
at \$29.50

This price sounds positively ridiculous. We are forced to do it. Just think of buying a real high grade range, made by Mascot at such a price as this. Not a big lot here, but they are here for you at the lowest price these stoves ever have and ever will be sold again.

A Sale is nothing new in Shelby—You see these big ads, glance at them hurriedly and pitch them aside. It costs money to put on a sale and frankly we would not spend our efforts and money with conditions as they are without a real good reason. We are telling you straight—we have bought entirely too much furniture. Our store, our warehouse and our Bargain Place are all loaded with mostly new, but some used, some damaged and lots of odds and ends that **MUST BE SOLD**. The money is needed much worse than the Furniture.

The time has arrived when we are compelled to have action. Never in the history of The Paragon has high grade Furniture been offered at such **LOW PRICES**.

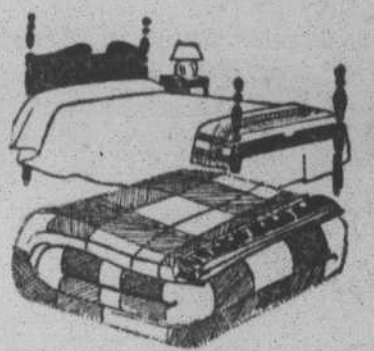

— FINAL SALE —
OF OUR DEPARTMENT STORE STOCK

There remains in our Basement several thousand dollars worth of high grade Clothing, Shoes, Notions, Shirts, Hats, Caps, Ties, Suspenders, Belts, Rain Coats, Etc., that we do not want longer. It's here for you in this Final Sale—Again marked down and frankly, just as low as it can be sold. We can't begin to tell you just all that's here. Just make it your business to come down and see.

ONE CASE
**PART WOOL SINGLE

— Regular \$2.50 Grade —

This is almost a give-away. Just one case of these good wool-mixed blankets will be sold at 99c each. They are full size, with satin selvedge, assorted colors. First come, first served.
