

### Just 10 Years Ago A Peep Or Two Back In 1920

(Items Taken From The Cleveland Star of 1920.)

(From The Star Friday, Feb. 18, 1921.)

The Brison Manufacturing company, the old Buffalo mill four miles east of Shelby went into the hands of a receiver this week to make settlement with creditors. It could not be learned yesterday what the liabilities and assets are. The Citizens National Bank and the Third National Bank of Gastonia brought the receivership and Mr. W. D. Anderson is receiver to wind up the affairs of the company. It is not learned whether the mill will be sold or run under the receivership. The plant has about 6,000 spindles making thirties two-ply yarn.

Representative Peyton McSwain has introduced a bill in the general assembly creating the office of solicitor for Cleveland county. The Star does not have a copy of the bill, but presumes that the solicitor will practice in the recorder's court and receive fees when he secures a conviction.

Mr. H. A. Whitsett of Reidsville has come to Shelby to take the management of McNeely's ladies' ready-to-wear store, succeeding Mr. R. E. Johnson who has resigned on account of his wife's ill health. Mr. Whitsett says he likes Shelby already and that he contemplates moving his family here.

Capt. Bussey Lattimore who has been in charge of a recruiting office for the army at Wilmington, Del., has been transferred to the 19th field artillery at Camp Jackson, S. C., where he will be a real soldier with the horse and the saddle as his companions.

The Money Savings Sales company of which D. D. Poulson, C. B. Suttle, Jr., are proprietors, has opened up an office in the Shelby National Bank building.

Mr. R. L. Armour, assistant manager of Gilmer's has moved his family into one of the new Hamrick cottages on North Morgan street. Mr. G. C. Lowe, manager of Gilmer's, who has moved his family to Shelby from Asheville, has rented one of Col. Gardner's new dwellings on West Marion street.

Mr. Thomas Hoyle, one of the most substantial farmers in upper Cleveland and Mrs. Florence Morrison, the widow of the late Jack Morrison, were married at Polkville Wednesday by the Methodist pastor

on the Polkville circuit. Mr. Hoyle is a brother of Rev. R. M. Hoyle and is somewhere in seventy, while Mrs. Morrison is somewhere in sixty.

Mr. Arthur Parker, manager of the company store at Lawndale, will return this week from northern markets where he went to buy goods.

Mrs. Kate North and daughters, Misses Lucile and Marie North, and Mr. Boyce Dellinger motored to Charlotte Wednesday and spent the day.

Miss Alma Miller, who for the past year has been a member of the clerical force here at McNeely's has gone to Charlotte this week to attend a millinery fashion show which is on there this week.

### Lowrance Opposes McSwain Tenant Law And Fish Bill

To Editor of The Star.

I would like to express my thoughts as to the McSwain tenant lease bill and note it says that the leases expire December 1. I think this is unfair to the tenant farmer, for he knows as well as I do that a tenant cannot get his crops gathered each year by December 1. This bill if passed would rob a tenant and his family out of this hard labor and give it to the landlord. I don't see how Mr. McSwain can see it will be any good, only to the landlord. I am not in favor of it and know that all the tenant class would be too.

I am satisfied that I could get a thousand of them to sign a paper that way, so I hope that McSwain will withdraw this bill, for the tenants did not help elect a man to office that would do a thing like that. They would be in favor of a law that is fair to all. Why should a tenant be forced to move away and come back to gather the balance of crop that he could not gather by December 1. I don't think the law should be changed if a tenant can get his crop gathered by January 1st and be moved off.

I hope I will hear from other along this line about this bill. I see that there are a lot that are not in favor of the fishing law change in this county. I think the fishing and hunting law both should be killed in Cleveland county for there is no one who wants the law but a few that have nothing to do but go fishing and hunting when they get ready. The aborning class don't have time to hunt or fish much.

### Spanish Rulers Face Crisis

The resignation of Premier-Gen. Damaso Berenguer (inset) and his Cabinet, brings again to King Alfonso and Queen Victoria of Spain (both above), the truth of the old adage, "Uneasy lies the head that wears a crown." Alfonso accepted the resignation of the successor to the Primo de Rivera dictatorship, immediately canceled the proposed parliamentary elections scheduled for early in March, and began a conference with political leaders in the hope of averting what may be the greatest crisis in his troubled reign.
