

### Beaver Dam Events Of Week

April 15.—Our pastor brought us a very fine message Sunday morning using as his subject "The Prodigal Son." A large crowd was present for the morning service. Several items of business were attended to during the conference hour.

Some time ago the B. Y. P. U. decided to cultivate a field of cotton the proceeds to be turned over to Boiling Springs junior college. Mr. R. C. Doggett very kindly agreed to furnish the land for this purpose. Mr. W. H. Humphries was elected by the church to act as chairman and supervise this work with the help and cooperation of all the young people of the B. Y. P. U. It is sincerely hoped that all will cooperate with our chairman in this worthy cause.

A committee was appointed to plan for our memorial and home coming day which is to be the second Sunday in May. The following committee was appointed: Mr. E. D. Humphries, chairman; Mesdames B. B. McBrayer, R. C. Doggett, Miss Libby McCurry, Messrs. W. H. Humphries.

### Shouse Predicts Democratic Win

Los Angeles, April 15.—A prediction that the democratic party would win the next presidential election was made by Chairman J. Shouse of the democratic national executive committee at a Jefferson day dinner here. "For more than two years," Shouse said, "the government of the United States has simply drifted. An harassed and indignant nation, is preparing, if I read the auguries correctly, to rid itself of the most inept, inadequate and incompetent administration that fate has brought to Washington in at least two decades."

"We have never had action where postponement was possible. We have had avoidance of responsibility when leadership was poignantly required."

A Scott Bullitt, democratic national committeeman from the state of Washington, told the gathering that he was for Franklin D. Roosevelt for president. He said he "believed that when the time comes, Roosevelt will be nominated and by none other than Alfred E. Smith."

### Postal Service Men In Meeting

State President Makes Short Address. Mr. Quinn Elected President.

(Special to The Star.)

Grover, April 16.—The Cleveland county Postal Service council held its regular quarterly meeting at the Mooresboro high school building Tuesday night, April 14th. There were more than a hundred postal employees, their wives and other guests present. A splendid banquet supper was served by the Parent-Teacher association which was thoroughly enjoyed by all. Prof. J. A. Kiser, principal of the Mooresboro high school delivered the address of welcome which was responded to by Rural Carrier G. V. Hawkins of Shelby. The invocation was given by Mr. A. L. Smart. Music was rendered during and after supper by the Dover mill string orchestra much to the delight of the occasion.

After the banquet was over Prof. J. D. Huggins, dean of the Boiling Springs junior college delivered a very instructive and inspiring address on the subject of "Service," in which he paid glowing tribute to the service rendered the public by the postal workers. Mr. T. W. Alexander, president of the North Carolina district of the National Postmasters league was recognized and made a brief but impressive speech. Other postal employees from Burke, Rutherford and Cherokee county, S. C. A number of questions relative to the service were asked and answered.

Officers were elected as follows: J. H. Quinn, postmaster Shelby; President Fred E. Greene, rural carrier, Shelby, secretary-treasurer. The next meeting will be held at Kings Mountain the second Tuesday night in July.

### MOONLIGHT ALL NIGHT IS SCIENCE FORECAST

London.—A lovers' millenium, a distant day when there will be full moonlight through all the hours of every night, is described by Sir James Jeans, English scientist. He said the rings surrounding Saturn had been proven to consist of millions of tiny moons, believed to be broken fragments of what was originally one full-sized moon.

"In the far future," he said, "our own moon must inevitably be drawn in closer and closer to the earth until it finally comes too near for safety and must meet the same fate. After that our earth will have a frill or rings like Saturn."

"They will reflect far more of the sun's light than our present moon, and there will be full moonlight all night."

**The new PONTIAC**

is a car of unusual grace and beauty . . . economical . . . powerful

.. selling at only

**DELIVERED \$795\* EQUIPPED**

Owners of the new Pontiac are people who know from experience how to judge performance and quality. Theirs is no blind choice. They select Pontiac because it enables them to enjoy fine-car advantages at moderate cost. You'll appreciate these fine-car features:

**NEW 60-HORSEPOWER MOTOR**—An engine far above old ideas of quality performance possible at this price. Smooth, flexible, dependable—and decidedly economical despite its power.

**FISHER BODY CRAFTSMANSHIP**—That inimitable beauty of design and styling which contributes so much to motoring pleasure—particularly when you have guests. Upholstery is fine, durable whipcord or mohair. Cushions are form-fitting. There is plenty of room for the comfort of all in the car.

**RUBBER-CUSHIONED CHASSIS**—A distinctly fine-car feature greatly adding to riding ease. Road shocks are absorbed by rubber insulation at more than 40 chassis points. Rubber-cushioned shackles, an important part of this insulation system, not only promote comfort and stability on the road, but eliminate lubrication at 12 points.

**INSULATED CONSTRUCTION**—A notable advance in snugness of body structure and insulation which shuts out heat, cold, dampness and excessive noise. Building the cowl and windshield pillars as a single piece prevents leaks and rattles.

**LARGE, POSITIVE BRAKES**—Brakes that evenly grip all wheels with a stopping power that gives every member of the family new confidence in driving.

If the new Pontiac is anywhere near the motor car price you have in mind, test its actual value for yourself. A demonstration will be arranged at your convenience.
