Legislature Adjourns During This Week

CONTINUED PROM PAUL ONLI equalizing fun, along with the de flection of two or three of their own group, which on three previous occasions maintained a 26 to 24 mujority against the luxury tax measure. The house majority apparently is becoming more "set" each thorand the breaking of the senate rents

seems to indicate a hopeless fack However, a last stand is to be made, with the possibility that the house luxury tax measure may be again defeated in the senate at. that body may again return the measure to the house with one Folger-Grier plan included. In such , case the action of the house would be uncertain, but apparently unshaken in the demand for the ancalled MacLean law, and another deadlock might develop. Such action is possible, but not probable. The stand will be made against the misnamed luxury tax, either on its reading Monday night, or its find

reading Tuesday or Wednesday The first break came when Senator R. Grady Rankin, of Gastome went over to the luxury tax group as a last resort, after he and Emator J. A. Pritchett had been added to the senate conference committee This majority returned the confeence report, while Senators Folger and Dunlap filed a minority resort against the luxury tax on "the cim ple wants of the poor." The majority report was adopted, however Deficit May Arise.

If the luxury tax, so named, i adopted, the opponents say, it will not be sufficient to operate the schools and predict that the general assembly will have to be called bnot to supply additional funds needed to operate the public schools for win months. They say South Carolina and Virginia will welcome such a tax, for it will mean more business for border cities in those states They also predict dire results politically. if the Democratic party places this "iniquitous" tax on the people. It will touch almost the entire population in one form or another and will cause a revolt, the items to be taxed follow:

What It Taxed. Cigars, two cents on each 10 cents or fraction; Little cigars, cherrot etc. \$4 to \$10 per 1000; cigarettes and smoking tobacco, one cent on each five cents or fractional part chewing tobacco and snuff, one cont on each three ounces, or fractional Patrons And Friends Gather For part; shotgun shells, \$4 per thous and: rifle and pistol cartridges, \$2 per thousand; candy, chewing guid and package nuts, one cent on cach 10 cents or fraction: playing card May day was celebrated at the five cents on each 50 cents or fire Washington school on Friday with tion; malt extract, 10 per cent, and
