Save the B & L Way
 Have a goal — say the family wants a thousand dollars — well all you have to do is to work and save \$2.50 a week for 332 weeks and you have the thousand. Most any family can save \$2.50 a week or if you want \$2000.00 just place \$5.00 a week in our B. & L. shares — and so on.
 About seven years ago, we got a young man who was making good money to start 100 shares, which required him to pay in \$25.00 a week. Well he stuck to it and last year, he received \$10,000.00 — he only paid in on his shares \$8,300.00 — the \$1,700.00 was profit. Hundreds of folks are getting ahead this way.
