## DRY AGENTS ARE WARNED ON DRINKING SEIZED LIQUOR

Washington.—A warning to dry agents against misappropriating seized liquor to their own use was contained in the weekly bulletin of the Prohibition Bureau.

"Liquor held under seizure is contraband and no more of it than is required for evidence in court may be removed from the original containers," the bulletin stated.

"Recently, as a result of disclosures made by the special inspection division, it was found that certain agents not only had misappropriated seized beer to their own use but also had permitted others to do likewise and to drink the contraband. As a consequence, three agents have been separated from the service.

"Such distinct violations of trust will not be tolerated."

The agents dismissed were not named.
