To Florence.

Was it because you sinned you died so young—
Or did you sin because you heard the fall
Of Death's swift feet behind you, and the call
That must be answered soon?—Perhaps you've rung
Cracked bells, and heard the tawdry music sung
Rather than hear no singing sounds at all
Knowing no masterpiece could grace your hall
You chose the cheaper picture that you hung.

I still recall your broad inviting hips.
And when I hear old gossips say you sinned
I feel the painted fragrance of your lips—
But once I saw you standing in the wind
With tawny hair where glory hid, and I
Must build a story you cannot deny.

Who Could Ask for More?

Here's convincing proof of the point that the well-advertised weather is not the only asset in California. One might even be pardoned for saying that the beautiful maiden so alluringly draped by the sea shore should be what every fully equipped beach needs to ensure lasting popularity. What the wild waves must be whispering to lovely Lelia Hyams, M.G.M. movie actress, can't be far removed from "Let's get together." You can't blame them, can you?

Shelby Sports

New Tennis Courts—May Go In League—Lyle Loses In Tourney—Legion Youngsters Good.

A new, or rather revived, feature is adding to the growing popularity of the Cleveland Springs Country and Golf club. The two tennis courts have been worked over and are now in good condition.
More and more the Cleveland Springs club is getting to be a favorite sport center. About everything in the sport line, from checkers to golf, is being done there—bridge, horseshoe, tennis, golf, etc.

The club's tournament committee is now planning to start a series of invitation tournaments similar to the one held last week at Morganton. The plan is to invite 20 golfers here on different days from Hickory, Gastonia, Rutherfordton, Morganton, Gaffney and other neighboring towns. Shelby golfers will be matched with the visitors and all will have a neighborly, get-together round with each other. The fine condition of the local links now will appeal to the visitors who are fond of their golf and enjoy playing now and then on a new course.

While the golf subject is up, it is interesting to note that Mr. John Schenk, sr., one of the two Shelby men to first play the game, is in the finals of the second flight in the annual Cleveland Springs tourney.

At Spartanburg last week "Jocko" Lyle, former Cleveland Springs pro now with the Country club there, and his teammate, Fanning Hearson, lost the city championship after a hard struggle to Rollo Steinmehl and Russell Lentz of the Shoresbrook club. Lyle, who has a driving form that is beautiful, flicked in several birdies, however, before he was finally downed.

Shelby baseball fans should get behind the American Legion junior team which has already started a good season here. The youngsters appear to have all manner of baseball ability for their years. Shelby has had high school champions and there is no reason why the Legion junior team, if properly supported, should not go places. Last year the Gastonia Legion team won the state and division title and came close to the national title. The age limit is 17 years and baseball is far better for youths of that age than a number of other things they might get interested in during the afternoons. Give the boys a hand!

Babe Carr, the Shelby lightweight, is getting in shape for another bout. Laid out for a time by injuries, Babe is getting tired of all the chatter about Jimmy Swinson, the Carolinas light weight champ, and he believes he can put him to sleep if he can get in the ring with him again.

The mills about Shelby have fast baseball outfits this year, and the best angle about it is that the teams are made up of employes and home talent without hired players being roped in. The fans are more interested in players they know and with whom they work, particularly when they can offer the brand of ball the local teams have been showing.
Last Saturday, if you noticed, four Shelby textile hurlers turned in excellently pitched games. Johnny Putnam twirled one of those unusual no-hit games for Ora mill against Cramerton. Sherrill Hamrick, for Shelby Mill, bested Kirksey, of Ellenboro, in a mound duel. "Big Boy" Peters, of the Lilly team struck out 16 Newton batters, and Sipe, hook-ball artist of the Cleveland Cloth, dropped 14 McAdenville batters by the wayside. In two games this season Sipe has whiffed a total of 30 batters. Don't pass up the chance of seeing one of these teams play this week.

Again, according to reports, Shelby may have a baseball club in a semi-pro league. Fans at Forest City, Gastonia, Kings Mountain, and Spartanburg have been trying for sometime to organize a semi-pro league for play this summer. This week it was learned that the strong Cleveland cloth mill will be able to enter a club in the circuit if the loop is formed. And the Rayonites will give the opposition a run for their money with two strong hurlers, a good fielding team and several Ruthian hitters.

Junior Legion Baseball Team Wins Two Of Three Hard Games

2col24—JUNIOR LEA—sports
Outfit Sponsored by Ex-Service Men Will Enter Junior World Series.

The junior baseball team of the Shelby American Legion post will play the Cliffside high school team in the Shelby high school park at 3:30 Friday afternoon.

"The familiar cry of 'batter up' is being heard these spring days from many boys in this community who are already crossing bats in practice that in time will lead up to the American Legion junior world series," said Dr. B. M. Jarrett, athletic officer, of Warren F. Hoyle post 82 here, who is urging all boys eligible to get to the game for a try out.

"The local post of the legion is eager that this community make a good showing in the unselfish junior baseball series of the legion this season," he said. Sponsoring a junior baseball team affords a project of service to America's youth that every church, club or industrial concern in this community can well approve.

The legion conducts the junior baseball program to reach just as many boys as possible and to teach them good citizenship by learning discipline and to obey the rules of the game.
"To get the most out of the coming tournament the boys should be on the diamonds for regular practice. The boys can help in advancing the program by familiarizing themselves with the rules governing the competition.
"The junior baseball series is national in scope. The goal for this season has been set as 500,000 boys. The American and National leagues of baseball contributed \$50,000 this year, as in the preceding years, to help defray the expenses of the series. The minor leagues are supporting the program in many ways. Twelve regional tournaments, between states, and two sectionals, between regional champions, will be played before the east and west champions meet in the world series.
"The tournament is such that the boys from this community will have an opportunity to go as far as their playing strength warrants toward winning the world crown. Full information may be obtained from Dr. B. M. Jarrett, or by writing direct to the Americanism Commission, national headquarters, the American Legion, Indianapolis, Ind.

The Shelby Legion team participated in three games during the past week. First game between Ella Mill, Legion winning 6-5, second game, Mooresboro high school, Legion winning 12-5, third game, Cliffside high school, 14 innings, score 13-12 in Cliffside's favor.

Two Kings Mountain Ball Teams Defeated

Kings Mt., May 25.—In one of the fastest baseball games seen here this season the Caroleen boys defeated the Mauney Mills by the score of 5 to 4. The game lasted 11 innings and was a pitchers duel between Bridges and Kennedy for the visitors. Bridges struck out nine of the Caroleen team while Kennedy whiffed six. Caroleen collected 12 hits while Mauney Mills got 8. Cooper, rightfielder for Caroleen was the star batsman of the game getting 4 hits out of 5 times up. Bridges and Navy for the locals collected 3 hits in 5 times up. Batteries: Caroleen, Kennedy and Powell; Mauney Mills, Bridges and Mitchell. The game was played at Speedway park here.
