

Fair Saturday.

Today's North Carolina Weather Report: Generally fair tonight and Saturday.

Live At Home:

Raleigh, June 19.—The "live-at-home" idea does not mean "every farmer for himself, but it also means North Carolina farm products for the North Carolina city men and the North Carolina city market for North Carolina farm products." Governor Gardner declared in a radio address last night.

## Thieves Steal New Auto, Loot Store In Shelby

### Big Raid Made In City Last Night

Cline Chevrolet Company And Wright-Baker Store Entered, Robbed.

Loot including a new automobile, a quantity of wearing apparel and some money was taken in four robberies staged in Shelby some time last night. City officers believe the same gang staged all four robberies.

A new Chevrolet coach was taken from the garage of D. Huss Cline on East Warren street, a quantity of clothing from the Wright-Baker department store on North LaFayette street, and money from True-love's colored cafe on Trade alley and the colored barbershop and pool room on N. Washington street, to the rear of the Webb theatre.

Enter By Windows.

Entrance in the Cline garage was made by breaking a window on the side and then unlocking the rear door of the building. The new coach, fully equipped, was taken from the testing rack and out the rear door. The car is maroon colored and has nickel-plated tire covers. The motor number of the car, according to Chief McBride Poston was 2728741.

Entrance in the Wright-Baker store was also made by entering a rear window just above the bars on the lower portion of the window. A check-up of the apparel taken from the store covered three men's suits, 10 women's dresses, one slicker, a woman's coat, three women's hats and other clothing.

Small sums of money were taken from nickel-slot pool tables in the True-love cafe and the colored barbershop.

Police Chief Poston and his officers were pretty confident today that they had a good clue as to the identity of the thieves but no names were made public until the officers have an opportunity of ascertaining their whereabouts. The new auto, it is understood was driven about the city for some time after being taken from the garage.

### Cemetery Addition Not Agree Upon Yet

Price Has Been Agreed Upon But Quantity And Location Not Settled.

It was learned from the city aldermen Tuesday night in meeting assembled, that the acreage and location of the addition to Sunset cemetery which the city will buy to enlarge the burying ground, have not been agreed upon. A committee from the board was appointed to buy additional land for the enlargement of Sunset cemetery some months ago and this committee agreed to buy land owned by Avery W. McMurry adjoining the present cemetery at a price of \$500 per acre. Mr. McMurry owns all the land available for expansion, some of which lies more suitable for plotting than other contiguous land. Members of the board stated Tuesday night that only suitable and usable land would be accepted and that in the development, cemetery plots of carrying prices will be provided, together with free plots for those unable to buy cemetery lots.

### Mrs. Donie Wright Dies In Asheville

Former Resident of Shelby And Daughter of Late Sheriff Bob Suttle.

Mrs. Donie Wright, age 78, widow of Ed Wright, died in Asheville Wednesday night at 7 o'clock and was buried there Thursday afternoon. Attending the funeral from Shelby were Mayor and Mrs. A. W. McMurry, Misses Kate Webb and Elizabeth McBrayer, Mrs. Paul Webb and Forrest Eskridge, all relatives of the deceased. Mrs. Wright's husband was drowned on a Sunday school picnic about 35 years ago.

Surviving are three children, Wallace and Ed Wright, of Asheville, and one daughter, Mrs. Roy Marshall of California. Two sisters, Misses Emma and Frances Suttle, and one brother, Joe Suttle, all of Asheville, also survive.

## Less Unemployment In Shelby Than In Average N. C. City

### Only 154 Out Of Work Here

Thomasville Only City Showing Less Unemployed. County Figures Given.

There were only 154 unemployed people in Shelby and just 329 in Cleveland county when the 1930 census figures released to The Star this week by the census bureau.

Only one of the 16 cities in North Carolina having a population of 10,000 people had a smaller number of unemployed in 1930 than did Shelby. That city was Thomasville, not quite as large as Shelby which had 25 less unemployed.

#### County Rank Good.

The county ranking in unemployment was also low as compared to other counties of similar size. No county in the State having over 40,000 population—Cleveland has 51,000—had less unemployed people than Cleveland, according to the census figures.

#### 4,361 Working.

The figures show that in 1930 4,361 of the 10,789 people in Shelby were gainfully employed.

Of the 154 unemployed 131 were persons looking for work and unable to get work. Of this number 103 were males and 28 females. Twenty-three of the unemployed total were voluntarily idle or sick, 17 in this class being males and six females.

#### In The County.

Of the 329 unemployed in the county 233 were males and 96 females. Two hundred and forty-two of these were unable to find work and 87 were voluntarily idle or sick. Of these unable to find work 180 were males and 62 females. Of the voluntarily idle 53 were males and 34 females.

The percentage of employed in Cleveland county was considerably above that average for the entire State.

Rutherford county with a population of 40,452 had 14,281 gainful workers workers, or nearly 6,000 less than the 20,044 in Cleveland. Burke with a population of 29,410 had 9,248 gainful workers and 613 unemployed while Cleveland had only 322 unemployed. Of the 78,000 people in Gaston, 31,392 were gainfully employed and 3,352 were unemployed.

### Spake Elected Group Superintendent

At the monthly Sunday school meeting of the Kings Mountain Sunday school association which met at Pleasant Ridge last Sunday, June 14, Mr. A. P. Spake of Shelby was appointed group superintendent of group 8. He succeeds Z. M. Freeman who has moved away.

Mr. Spake is well posted on Sunday school work. He was the first man to teach the Sunday school manual in this association and taught the class at Elizabeth. He once held Sunday school conventions on fifth Sundays.

### HAS KNEE CAP FRACTURE IN AUTOMOBILE ACCIDENT

Willie Bullington, 24 year old white man of Kings Mountain was brought to the Shelby hospital Wednesday evening in an ambulance, suffering with a fractured knee cap as a result of an automobile accident.

Friends of Mr. John K. Wells will be glad to know that he is recovering nicely after a sudden attack of illness yesterday.

## To Increase Highway Patrolmen In State; Shelby To Have One Officer

Will Increase Force From 37 To 60, Chairman Jeffress Informs.

Charlotte, June 18.—The state highway commission announces its purpose to increase the personnel of the state highway patrol from 37 to 60 men and to localize the organization by assigning at least one man to practically every town in the state of more than 5,000 population.

The number of patrol districts will be reduced from nine to five to correspond in number and location to the five highway divisions recently established. An officer, to hold the rank either of lieutenant or captain, will be in charge of each patrol district. He will have a sort of roving job with the duty of covering regularly his entire district and supervising the patrolmen working from home bases in the district.

The increase in personnel will be effected, Mr. Jeffress said, without any material increase in the budget. The commission will save enough in reduced travelling expenses to meet most of the additional salaries. Under the previous plan, he explained, patrolmen have been transferred from district to district, at stated intervals.

Presenting "Miss Universe" in the beautiful face and figure of Netta Duchateau, who was Miss Belgium in the twelfth international pageant of pulchritude at Galveston, Texas. She defeated Anne Lee Patterson, of Ludlow, Ky., chosen as Miss United States, and seven other European beauty queens, to be crowned Miss Universe. She's 17 and has long, dark hair.

### Legion Elects Post Officers, State Delegates

New post officers and delegates to the state convention were elected Wednesday night by members of the Warren Hoyle American Legion post of Shelby.

Capt. Peyton McSwain was elected post commander to succeed So-licitor W. S. Beam.

Henry A. Mills and Robert D. Crowder were elected vice commanders.

Tom Abernethy was elected adjutant, Basil Goode, finance officer, M. R. Weathers, service officer, W. S. Beam, guardianship officer, A. W. Archer, sergeant-at-arms, Griffin P. Smith, chaplain, Chas. J. Woodson, historian, B. M. Jarrett, athletic officer, T. C. Stamey, child welfare officer, H. R. Royster, Americanism officer, McBride Poston, employment officer, E. B. Jarrett, membership officer, and E. A. Houser, publicity officer.

#### Delegates.

The following were named delegates to the Morehead City convention, beginning July 26: Robert D. Crowder, chairman; Tom Abernethy, O. W. Powell, Basil Goode, Henry A. Mills, Chas. H. Williams, and A. W. Archer. Alternates named were S. M. Poston, Arthur H. Sides, and R. E. Sparks.

Friends of Mr. John K. Wells will be glad to know that he is recovering nicely after a sudden attack of illness yesterday.

### Mrs. Hoyle To Reach America On Ship Today

Shelby Gold Star Mother Returning From Trip To Grave Of Son.

Shelby Gold Star Mother Returning From Trip To Grave Of Son.

Since reports came out of Raleigh last week stating that Senator Peyton McSwain, of Shelby, was being discussed as a candidate for attorney general in 1932 the local man has received many offers of support from friends in all sections of the state.

Talking to The Star today he said "I cannot say as yet what I may do about it, but the encouragement given me since I was first mentioned is cheering. In fairness to my friends over the state who are asking me to make the race I must say that I am giving the matter serious consideration."

#### In Raleigh Now.

The Shelby attorney is in Raleigh for the week end in connection with a receivership of an agricultural credit company which he engineered for a group of Cleveland farmers, and it is likely that while there he will make an effort to ascertain how things are lining up in political circles.

Attorney General Dennis G. Brummitt will not likely be a candidate again as he is considered in the running for governor. With that generally known three prospective candidates have been talked for the office.

#### Had Fine Trip.

Letters back home describe her trip as "wonderful." Every minute of the trip was thoroughly enjoyed and the mothers in Mrs. Hoyle's party, more than one hundred, were treated with every courtesy. While in France her headquarters were at the historic French city of Orleans. It was from that place Mrs. Hoyle made her trips out to the Alsace Marne cemetery, where her son Warren Hoyle, for whom the Shelby Legion post was named, is buried. The Gold Star mothers were also escorted to numerous battlefields and scenic spots in France.

She had no trouble at all in locating the grave of her son and while there placed upon it a wreath given by the American and French governments. She also had her photograph made standing by the marker over the grave of the boy she gave to her country. The cemetery was described in her letters back home as being the most beautiful she had ever seen. The location was said to be ideal and the big plot kept up and well cared for. The work of beautifying the cemetery, where hundreds of American boys sleep, is still being carried on. In one of her letters she stated that she might visit the grave of Frank Hayes, another Shelby boy buried in France and a pal of her son, but as the Hayes grave was quite a distance from her son's it is not known whether she was able to do so.

Her letters contained many other interesting descriptions of the batiments, historic French towns and scenic sights and other events of importance in her trip.

Mrs. Hoyle was not a bit seasick on the trip over and thoroughly enjoyed her sea voyage.

#### Mr. Miller, Waco Man Dies; A Brother Here

Lewis H. Miller Passes At Age 78, Buried At Old Caperium.

Lewis H. Miller, prominent citizen of Waco, was buried last Friday at Old Caperium burying ground, the funeral services being conducted by his pastor Rev. John W. Suttle. Mr. Miller died Thursday afternoon of last week, nearing his 78th birthday in July. He was born and reared in the Waco community and joined the church at Old Caperium, later becoming a charter member of Waco Baptist church. He had been in declining health for four or five years and critically ill for three weeks before the end came. Mr. Miller was a quiet, unassuming man, but a loyal friend and faithful church member.

Deceased was twice married, to Sara Kendrick 37 years ago and to Salie Kendrick 39 years ago. Two children were born to each union, three of whom survive, James Miller, of Florida, Stough Miller and Mrs. Myrtle Rayburn, of Waco. Three brothers also survive, Tom, John and Ezra Miller. Mr. Tom Miller, brother who lives in Shelby, with his daughter, Mrs. Fred Morton in Belvedere is critically ill.

#### Shelby Singers At Westminster School

Ithaca, N. Y., June 18.—Choristers from 73 churches, some as distant as West Lafayette, Ind., and Shelby, N. C., were arriving here today for the second annual Talbot festival of the Westminster choir school. The exercises are to continue for three days. Saturday, 1000 choristers comprising 4,000 university. All of the visiting choirs are affiliated with the Westminster school.

The increase in personnel will be effected, Mr. Jeffress said, without any material increase in the budget.

The commission will save enough in reduced travelling expenses to meet most of the additional salaries.

Under the previous plan, he explained, patrolmen have been transferred from district to district, at stated intervals.
