Hickory To Play Here Thursday

Cloth Mill Club Cannot Be Beat In First Half. Could Be Tied.

The next to the last game of the first half of the Western Carolina league season will be played in Shelby Thursday afternoon with the Hickory club furnishing the opposition for Manager Hornsby's Cleveland Cloth Mill outfit.

By winning the Fourth of July game, seven wins out of eight starts, the Shelby club has the first half pennant pretty well locked up. The local team cannot lose as Brookford and Newton, tied for second place, are two games behind. Brookford or Newton, however, could tie the Clothmillers should either of those clubs win both of the first half remaining games while Shelby club lose both.

Standing Changed Games in the loop last week jumbled the previous standing somewhat. Prior to that time Rhodhiss was tied with Shelby for first place and then dropped to second place. Newton, in the meantime, was near the bottom. While Shelby took Rhodhiss in for two defeats both Newton and Brookford started winning spurts and are now tied for second place with five games won and three lost. Rhodhiss has dropped to an even 500, winning four and losing the same number. Marion and Hickory are battling to shove each other out of the cellar. Marion having won only one game remains at the bottom of the heap but Hickory is only one game higher. Should Shelby beat Hickory here Thursday and Marion get a win over Brookford the clubs would be tied for bottom place.

To Revamp Teams The beginning of the second half next week will likely see several of the weaker clubs strengthened. This cannot be done earlier as the regulations force each club to finish the first half with the players whose names were turned in at the beginning of the season. Very few changes are in prospect for the Cloth Mill club as fans believe the Shelby outfit can hold its own pretty well in the second half with the other clubs strengthened.

There is a possibility, however that the club here will add a player or two for the second heat of the loop race. Reports have it that either Hal Farris or Casey Morris may join the receiving staff and the infield may be braced. It was hoped that Cline Owens Lee could join the team as he is on the eligible list, but Cloth Mill officials cannot get a rise out of the star infielder, sure hitter, and clever thinker. With Lee at short, Nig Lipscomb on third, Cricket Weathers and Tommy Kerr at second, and the sensational Gilreath on first the Shelby club would have an infield equal to any in semi-pro or minor league ball. It is a shifty inner works as it is with

Ken Mayhew doing utility duty. Another good crowd of fans is expected to see the game here Thursday. Attendance has been good all year with the local team setting the pace for the baby league, and with other clubs strengthened for the last half some n-and-tuck games are in prospect.
