Grover Section Events Of Week

School Faculty Announced — Rev. Dr. Dendy Greatly Improved; Personals.

Grover, July 30.—Rev. J. J. Johnson of Ridgecrest, preached at the Grover Baptist church Sunday morning.

The many friends of Dr. J. T. Dendy are glad to learn that he is greatly improved after suffering injuries received in an automobile accident. He was able to preach to his congregation at the Presbyterian church Sunday.

School opened here Monday with a large attendance. The faculty remains the same as last year with the following as teachers: Prof. B. F. Bird, Principal and teacher of Science; Miss N. M. Livingstone, teacher of History and Mathematics; Mrs. S. B. Crocker teacher of English and French; Mr. Laxton Hamrick, boys basket-ball coach and teacher of sixth and seventh grades; Miss Aline Mullinax, fourth and fifth grades; Miss Eleanor Jones of Shelby, girls basket-ball coach and teacher of third grade; Miss Margaret Whisnant of Waco, second grade; Mrs. C. E. Byers, first grade; Miss Elizabeth Dendy, piano instructor and public school music.

Mrs. S. A. Crisp spent Tuesday in Charlotte shopping.

Mr. and Mrs. W. V. Toms and Miss Martha Frances Toms, W. V. Toms, Jr. have been spending awhile with Mr. and Mrs. Frank Oatis and Miss Bessie Turner.

Dr. Dan Fundenburg of Bessemer City has recently opened a Dentist office in the Grover Drug Store building.

Mr. Jack Furcron of Rock Hill, S. C. is spending awhile with Mr. Tyree Keeter.

Mr. Landis Elie is spending this week in Brooklyn, New York.

Little Elizabeth Bird daughter of Prof. and Mrs. B. F. Bird is ill at the Gastonia hospital.

Mrs. W. J. Moss has been called to the bedside of her mother, Mrs. Frank Herndon who is seriously ill at her home in Asheville.

Mrs. John Black of near Cherryville returned home Tuesday after spending several days with her parents, Mr. and Mrs. Charlie Shephard.

Mr. and Mrs. Hall Bell and little daughter, Doris, of Blacksburg, S. C. spent the passed week-end with Mr. and Mrs. V. J. Hardin.

Mr. and Mrs. Dan Towell of York, S. C. and Mr. and Mrs. Sam Hopper of Gaffney, S. C. visited Mr. and Mrs. R. L. Pinkelton Sunday.

Miss Odessa Moss left Saturday to take up her duties again as teacher in the Polkville school.

FOR JOB PRINTING OF ALL KINDS—CALL THE STAR FOR QUALITY PRINTING.

ALL VICTOR, COLUMBIA RECORDS now 35c, 3 for \$1.00. Pendletons Music Store. 3t-31c.

WANTED AT ONCE FOUR REGISTERED BARBERS. Apply at Temple Barber Shop, Shelby, N. C. 1t-29c.

MORE THAN TWICE AS MANY Majestic Electric Refrigerators have been sold in Shelby and Cleveland County this year than all other makes combined. There must be a reason. Pendletons Music Store. 1t-31c.

Would Stop Mashers Insulting Ladies

Rambling Bill Suggests A Remedy To Stop The "Mash Squad" At Nights.

Editor of The Star:
 In your Shelby Sidelights Column under date of July 20th, you gave some good and timely hints as to what is very likely to happen to some young male automobilists in Shelby who are making a practice of cruising the streets in the early evening hours and offering rides to girls and ladies who happen to be out for a quiet stroll.

Your suggested load of buckshot is entirely too mild a remedy. A 38 or 45 would perhaps be better which is almost sure to result in a severe dose of lead poisoning, and I am rather surprised that this method has not been already tried out in Shelby.

Just what methods of reasoning those would be "Gay Lotharios," use in trying to pick up riding companions has always been hard to figure out. Every city it seems is infected with these kind of insects. Ofttimes, it seems, they have just smelled a wet cork and imagine they are descendants of Rudolph Valentino, or closely related to Rudy Vale, and that all womenkind are crazy about them. The sooner Shelby follows suit of the bigger cities and puts out a "Mash Squad" to curb such nauseating practices, the better it will be for all concerned and your column is the instrument to bring this about.

In many cities there are policemen detailed to take care of flivver riding fellows who attempt to pick up ladies out for a stroll and it usually goes pretty hard for them when they face the judge the next morning, and often we read of some father or husband who used a shot gun or other form of shooting arm with good results on those morons who infect our cities.

Being in the hospital is not much fun. Especially during vacation time when everybody is pulling out of the cities for the tall timber and trout streams in the northern part of the state. From my bed I can see the mountains and the tall pines and just beyond is a stream with abundant trout just waiting to be caught and my memory goes back to days of the rod and reel. July is indeed a great month in Northern Arizona and anyone planning on getting their money's worth should not fail to come to this state for a summer vacation, and last but not least, to visit the Grand Canyon, which by the way is only about a hundred miles from Fort Whipple.

Have just recently taken a census of "Tar Heels" in this hospital. So far have counted nine. For reasons known to themselves, they have requested me not to mention their names. Wonder if some small town sheriff back there would like to have their addresses?

Sincerely,
 "Rambling Bill"
 Ward 3 Bed 13,
 Whipple, Ariz.
 July 24, 1931.

Large Wheat Yields Around Ellenboro

Number of Farmers Report Yield Over 30 Bushels Per Acre This Year.

(Special to The Star)

Ellenboro, July 30.—Being able to produce high yields at low costs Ellenboro farmers have found wheat production profitable this year, especially when a limited amount of the grain is needed for their own consumption.

Mr. Bate Harrill reports a yield of 96 bushels of wheat on three and one-half acres of land. This figures a little more than thirty-one bushels per acre. He used a total of 250 pounds of nitrate of soda as a top-dressing this past spring but no fertilizer at sowing time last year.

Then, Mr. Claude Blanton gives a yield of 63 bushels of wheat from two acres or a little more than thirty-one bushels per acre.

Mr. Guy Green almost made thirty bushels per acre when he threshed 103 bushels from three and one-half acres.

One of the largest crops in the township was made by Mr. Cleoro Jones who produced between 200

Ellenboro School Has Big Enrollment

The Ellenboro school opened last Monday with an enrollment of between 400 and 500 students, with Professor Curtis Price as head of

the school again this year. More students have been enrolled in the Elementary school, but the high school did not show much increase in the number of students. However, there are still many students to still come in for instruction.

Due to the state consolidating some of the smaller schools of the township a few more teachers have

been added to the faculty of the elementary school to take care of the students.

TO CLEAN GRAVEYARD AT EL BETHEL CHURCH

Members of the El Bethel church are asked to meet at the church, Saturday morning at 7:00 o'clock to help clean off the grave yard and church grounds.

What How Why ?

PLYMOUTH FLOATING POWER

THE WHOLE NATION WANTS TO KNOW MORE ABOUT IT

The revolutionary character of the New Plymouth has created a great flood of interest. Even the hardiest of skeptics are so amazed at this new four that performs like an eight that they ask eagerly for the facts behind this tremendous accomplishment.

What is Floating Power?
 Floating Power is a term applied to the new and revolutionary principle of mounting the engine in the car frame, developed by Chrysler Motors engineers for the New Plymouth.

Just how is the engine mounted?
 On two live-rubber mountings nearly an inch thick. These mountings are so placed that a line drawn through them passes through the center of gravity of the engine. Thus the engine is suspended in perfect balance.

What does Floating Power do?
 The live-rubber mountings allow the engine to rock upon its natural axis as if in a cushioned cradle. Vibration is thus entirely eliminated from the car.

Why does Floating Power succeed when all other methods fail?
 Because Chrysler Motors engineers have not tried merely to dampen vibration; they have achieved an entirely new principle which dissipates the motor impulses so that they never reach the body and frame.

Why and How is Power Increased?
 Because the elimination of vibration allows higher compression, which gives greater horsepower without increasing cylinder size. Floating Power makes possible 56 brake-test horsepower and actual stop-watch speeds of 65 and 70 miles an hour, and pick-up from 0 to 40 miles in 9.7 seconds.

What else does Plymouth offer?
 A score of things! Plymouth's Free Wheeling combines the advantages of the various types now in use. As a result, it permits Free Wheeling in all forward speeds, and it also may be completely locked out. The Easy-Shift transmission which enables you to shift, without clashing, from second into high and back into second, if you wish, at speeds up to 50 miles an hour. The new, double-drop frame for greater safety and roadability. New, eye-compelling beauty. Internal hydraulic brakes. Safety-Steel body.

You must see and drive the car to appreciate the phenomenal performance and value made possible by one of the greatest engineering developments the industry has ever seen.

Blue Bird Ice Cream

Scores A Hit Every Time

Everywhere Blue Bird Ice Cream is eaten—regardless of time or place—you will hear enthusiastic praise of its rich, smooth consistency—its perfectly blended flavoring, and its wholesome, appetizing qualities.

There's a reason—a number of them—in fact—why thousands of ice cream lovers prefer—demand—Blue Bird. And the principal one—the outstanding one—is because it's BETTER—tastes BETTER—and is made BETTER

Nothing so refreshes, stimulates and satisfies on a hot day as a generous plate of pure ice cream. And no ice cream excels Blue Bird in the fulfillment of these essential specifications.

If you think all ice cream is alike, try Blue Bird and you'll change your mind! The difference is in its taste—its irresistible goodness!

— QUANTITY YET QUALITY —
 YOUR PATRONAGE IS MUCH APPRECIATED.

BLUE BIRD ICE CREAM CO.

Plant 250 Magnolia St., SPARTANBURG, S. C.

TOOTS AND CASPER— A Helpful Hint.

AS A SLIGHT TOKEN OF THEIR APPRECIATION OF MY UNTIRING EFFORTS AS PRESIDENT OF OUR CLUB THE MEMBERS HAVE MOST GRACIOUSLY VOTED TO MAKE ME A PRESENT OF A GOLD WATCH

BUT YOU'VE HELD OFFICE LESS THAN A MONTH—A NEW BROOM CERTAINLY DOES CLEAN UP

EVEN YOU MUST REALIZE YOU DON'T HAVE TO EAT AN ENTIRE OMELETTE TO FIND OUT HOW GOOD IT IS

WHOSE IDEA WAS IT? WELL, IF YOU MUST KNOW I TOOK THE LIBERTY OF SUGGESTING OR, I MIGHT SAY, HINTING

THERE'S A BIRD WITHOUT BRAINS ENOUGH TO ACT AS ASSISTANT ENGINEER ON A PEANUT STAND— HOLDS THE CLUB UP FOR A GOLD WATCH. AS PRESIDENT, THEY DIDN'T EVEN GIVE ME A VOTE OF THANKS— I GUESS IT'S UNLIMITED NERVE THAT BRINGS HOME THE BACON

Casper's No "Yes" Man!

THAT'S THE BEST STORY I EVER HEARD

THE COLONEL CERTAINLY CAN TELL 'EM!

HE OUGHT TO BE ON THE STAGE

DID I EVER TELL YOU ABOUT??

LOOK AT HOOVER WITH HIS "YES-MEN"! THOSE STORIES HE'S TELLING ARE AS OLD AS THE HILLS, BUT THE MOB LAUGHS AT THEM JUST BECAUSE HE'S THE BOSS HERE NOW. HE'S THE NEW PRESIDENT AND EVERY BODY IS CATERING TO HIM

GEE! IT'S RAINING, ISN'T IT?

NO!

WHAT DO YOU MEAN, "NO"? ARE YOU BALMY?

RUN ALONG AND SELL YOUR PAPERS! I'M NOT ONE OF YOUR "YES-MEN" AND I WON'T "YES" ANYTHING YOU SAY, NOT IF IT KILLS ME!
