Just Ten Years Ago

(From issue of the Star August 9, 1921.)

Mooresboro had a great Dairyman's Picnic Saturday with several hundred present to enjoy this program, the purpose of which was to stimulate a deeper interest in the dairy industry in Cleveland county. It was a happy gathering of 500 people who had assembled to hear the addresses, witness the demonstrations, contests and athletic events which had been carefully arranged by County Farm Demonstrator R. E. Lawrence, J. U. Rollins, secretary of the Mooresboro Creamery and others who are interested in the progress the dairying industry is making.

A special election has been called to be held in Shelby Saturday Aug. 20 on the question of paying Mayor J. T. Gardner \$125 per month for his full time in the office, or continue the present rate of \$25 per month for performing the usual headship duties as mayor.

Mr. and Mrs. B. T. Falls announce the birth of a dainty daughter, Elizabeth Eskridge, on Friday, Aug. 5th.

Mr. T. O. Caldwell of this place and Miss Nina Stallings of Bolton, Ga., were married Wednesday evening of last week at 5 o'clock at the Methodist parsonage.

Mr. and Mrs. Frank L. Hoyle wish to announce the engagement of their daughter, Edith Virginia to Mr. M. Richard Barr, the wedding to take place in the early fall.

The county commissioners in session last week made the tax levy for the county and various townships which have road bonds, the tax basis being 58c on the \$100 worth of property as against 43c in 1920.

The Boiling Springs High School opened yesterday with a splendid enrollment. There have been several changes in the faculty, but The Star has not been able to learn them yet.

Hon. J. H. Quinn and son Aaron are spending several days in Philadelphia this week where Mr. Quinn has gone on business.

Not Anxious. The preacher, at the end of a stirring address, shouted: "Stand up all those who want to go to heaven!" A quiet little man remained seated and the preacher shouted at him: "Don't you want to go to heaven?"

In a thin voice the little one replied: "Not immediately."

"Why, yes, my boy; you may have her."

"How's that? Have whom?"

"My daughter, of course. You want to marry her, don't you?"

"No, sir; I just wanted to find out if you would endorse my note for \$100."

"Certainly not. Why, I hardly know you."

"Say, doctor, said the brawny scrub-woman, 'yer gettin' a pretty good thing out of tending that rich Smith boy, ain't yer?"

"Well," said the doctor amused, "I get a pretty good fee, yes. Why?"

"Well, Doc, I 'opes yer won't forget that my Willie threw the brick that 'it, im."

STERCHI'S Quality Furniture On Easy Terms. Phone 592. Shelby, N. C.

Miss Willis Dies Of Typhoid Fever In Belwood Section

Was 28 Years of Age and Active In Church Affairs. Funeral At Knob Creek Church.

(Special to The Star.)

Belwood, Aug. 8.—The Belwood community was shocked by the death of one of its finest young ladies, Miss Lura Elva Willis, daughter of Mr. and Mrs. Jesse Willis. She was born July 8, 1903, departed this life Aug. 5, 1931, age 28 years and 18 days. She professed faith in Christ about the age of 14 and united with the M. P. church at Pleasant Hill, where she lived a faithful member until death. She was very earnest in her love for her Saviour. She formed the habit of reading her Bible every night before retiring, and not for anything did she neglect this duty, even when she toiled in her father's crop from early morn until night.

She will be greatly missed in her home and in her community. Every one who knew her loved her for her sweet, unselfish, cheerful Christian character.

This is the second member of the family to depart to a better world in six weeks, and as much as she will be missed, yet we know that she still lives and is calling us to meet her where there's no more parting and no more sickness, but where all is peace, love and happiness.

Funeral services were held at Knob Creek church conducted by her pastor Rev. C. E. Ridge and Rev. J. M. Morgan. Many beautiful tributes in words and flowers were paid her.

Girls of the senior class of Belwood high school of which her brother, Hartford, is a member and her Sunday school classmates served as flower girls. They were Misses Edith Ledford, Ruby Hicks, Ethel White, Veda Dayberry, Ruth Hartman, Ruby Canipe, Flora Ivestor, Lucy Carpenter, Mary Lizzie Willis, Maggie Murr Chapman, Nannie Lou Goodman, Lorene Goodman, Eula Cline and Mae Willis.

The pall bearers were Prof. C. A. Ledford, Prof. E. Wilson and Messrs. J. P. Boggs, B. C. Turner, Loyd Willis and Charlie Goodman.

Mauney Reunion Thursday, Aug. 13

The annual Mauney reunion will be held at the Old Tryon Court House Site. Near Tryon High School on the Bessemer City and Cherryville Highway Thursday, Aug. 13th, 1931.

Program: 10 A. M. Meeting. Community songs, String music, 11 A. M. Speaking, 12 o'clock dinner, 1 to 2 o'clock Singing, String music, and Business meeting. Refreshments will be furnished by Concord Epworth League.

Looks like Hoover is playing a return engagement of his meatless days.—Thomaston Times.

In The Motor And Business World

Montgomery Ward Operates At Profit

In the second-quarter period Montgomery Ward appears to have established its "pay point," or the point at which all operating expenses and overhead costs can be covered, at a sales volume averaging about \$19,000,000 a month. Inventory adjustments seem to have played relatively little part in determining results for the quarter.

Results for the first and second quarter together indicate that with reasonable good sales the balance of the year, the 1931 earnings may approximate class A dividends requirements.

Buick Motor Co. Continues Operation

Buick Motor Co.'s annual inventory will be taken in September this year instead of December as heretofore, Pres. Strong stated. Change was made to conform with previously announced change in new-model policy under which new Buick models will be brought out in December instead of midsummer. Mr. Strong stated the change in inventory period will be of great benefit to the Buick working force, enabling a continuance of employment throughout the winter. Meantime the usual summer production rate will be maintained.

J. Lawrence Lackey recently attended a meeting of salesmen in this territory where plans were made for an intensive drive for the sale of Buicks. The sales campaign will be backed up by extensive advertising.

Chevrolet Builds Apprentice School

Plans for the building and operation of a Chevrolet apprentice school of mechanical craftsmanship were announced by W. S. Knudsen, President and General Manager of the Chevrolet Motor Company.

The school building, which will provide approximately 10,000 square feet of floor space, will be erected adjacent to the Chevrolet Detroit Gear and Axle Plant. Work on the proposed building will be started in the near future.

When completed the school will be equipped with every type of machine necessary to all the finer mechanical arts and crafts, and the work will be directed by C. E. Wetherald, General Manufacturing Manager of Chevrolet.

The Chevrolet course will be an exact duplicate of the school operated by Chevrolet, in Flint. While preference will be given to sons of

Ford May Make New Model Soon

The Ford Motor Co. has closed down its parts manufacturing units, but will continue assembly of cars at major branches throughout the month of August.

This action anticipates introduction of a car with a longer wheel base, a slightly larger motor with heavier parts and a larger body. The new car is said to have a modified Borg-Warner free wheel unit. As near as can be learned no change of price is contemplated.

The Ford Motor Co. has issued the following statement: "Ford Motor Co.'s plants at Dearborn will be shut down August 1 for one month for the annual summer vacation, during this period only a skeleton organization will be maintained in the factory and office."

"When manufacturing is resumed production of Model A and AA units will be continued. Schedules call for building more than 100,000 units during next 60 days."

Penney Makes Good Showing, First Half

One of the best semi-annual reports yet published in the merchandising group is that of J. C. Penney Co., operators of a 1450-unit chain of stores selling clothing, shoes, dry goods, and general merchandise. In

the first six months, net profits were \$4,210,909, equal to \$1.46 per share on the common, against \$3,407,400, or \$1.14 per common share a year ago.

Penney, better than any other company yet reported, illustrates a trend in the merchandising field which has won for this group distinctly increased investment favor. Retailing companies have pruned operating costs to the bone; many have handled a greater volume of goods than ever before, particularly the chain distributors of low-priced merchandise; and they have absorbed the greater part of their necessary price reductions. They are thus among the first virtually to complete the major readjustments of a depression period, and, where sufficient sales effort has been made, tonnage (although but seldom) volume has held up.

DRESS, HAT, SHOES, GLOVES—ALL FOR \$1.90 IN BERLIN.

Berlin.—At general clearance sales which began here in consequence of credit restrictions, women could buy a dress, hat, shoes, and gloves for a total of \$1.90.

Men's suits are to be had for less than \$3.

It is hoped that much money which has been hoarded by nervous persons will be brought into circulation by these sales.

Nothing New To Him.

"If you go first, dear, you'll wait for me on the other shore, won't you?" questioned the fond wife.

"I suppose so," returned her husband, with a sigh. "I never went anywhere yet without having to wait for you."

World Consumption Of Cotton Is Given

In a trade report, the New York Cotton Exchange Service estimated world consumption of American cotton in June at 939,000 bales, against 949,000 in May and 887,000 in June, 1930. Consumption in 11 months so far this season was 10,221,000 bales, against 12,148,000 in the like period last season. The service said the world consumption total for this season will be in line with earlier indications of about 11,100,000 bales against 13,021,000 bales in the season of 1929-1930.

Consumption and stock figures to the end of June tend to confirm previous indications that the world carryover of American cotton as of July 31 will be about 9,000,000 bales, against 6,187,000 on July 31, 1930. According to the service, the situation in the domestic cotton manufacturing industry continued unfavorable last week. Prices of goods declined with raw material. Total

sales by mills were less than total current output. Foreign mill advances are somewhat less favorable than in recent weeks.

Why Court Took A Recess. A young fellow was called to the witness stand, and the prosecution began to quiz him.

"Have you an occupation?" asked the attorney.

"No," replied the youth.

"Don't you do any work of any kind?"

"Nope."

"What does your father do?"

"Nothin' much."

"Doesn't he do anything to support the family?"

"Odd jobs once in awhile."

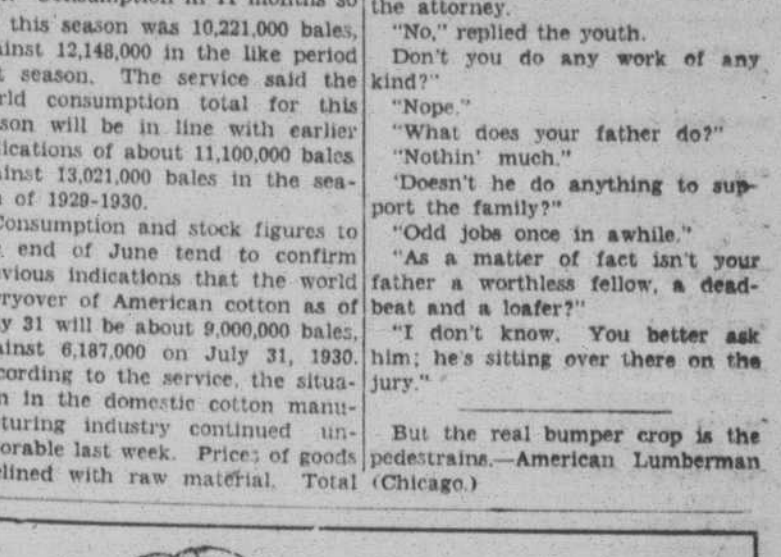

"As a matter of fact isn't your father a worthless fellow, a dead-beat and a loafer?"

"I don't know. You better ask him; he's sitting over there on the jury."

But the real bumper crop is the pedestrians.—American Lumberman (Chicago).

Return Engagement

THURSDAY & FRIDAY, AUG. 13-14

Daddy Needs A Vacation, too . . .

MOTHER is busy planning her vacation—the children's holidays must be decided upon—but how can dad get away from business? If there was some way he could keep in touch with the office for a few minutes each day, he, too, could enjoy a well-earned rest.

The answer is the telephone, which gives quick and inexpensive voice contact with the office wherever you choose to go. By arranging to call the office at a particular time, you may be sure your manager pro tem will be at the telephone to report the day's activities and receive instructions. This enables you to use cheaper Station-to-Station service without risk of not finding your manager in.

Join mother and the children in having a holiday this summer, while dependable telephone service enables you to keep informed about your business or to call your friends at home. The operator wherever you go will gladly tell you about the cost of calls to your office—just ask for "Long Distance."
