DON'T be FOOLED Tricky SALES TALK

DON'T be misled by challenges—guarantees laboratory analyses—price comparisons—claims of 25% savings-made by distributors of special-brand tires.

A recent example of a grossly misleading and extravagant statement by a distributor of specialbrand tires is-"Mount one of our tires on one wheel of your car and a tire of any other make on the opposite wheel. If our tire does not give you equal service at a saving up to 25% in price, we will give you a new tire free."

This statement can be made for only one purpose—a desperate effort to gain your confidence. and sell you a tire before you have had time to think about the ridiculousness of their challenge, which asks you to buy one of their tires and go to another store and buy a tire-have it mounted on the opposite wheel-then turn yourself into a tire tester!
