Exaltation

If I were a star, from me
Your exalted beauty unfurled,
With the swift blue silence of light
Should flame
In the sky of another world.

But from me there can only be,
Though the cry in the soul is
strong,
The holy silence of light replaced
With the grating beauty of song.

But still I must cry your praise
That your beauty come not too
late
To the dark shores of other souls,
In the listening night where they
wait.

Effort Being Made to Get Reports Ready For Associational Meeting.

To Baptist Church Clerks:

As you know the Kings Mountain association is meeting October 8 and 9. Effort has been made, for the most part through the pastor, to supply each of you with duplicate letter blanks on which to make out the report of the work of your church for the associational year closing with your September meetings. Please see that these reports are made to include every item of your church work done through the Sunday school W. M. U. and B. Y. P. U. as well as the church as a whole. It will greatly facilitate the business of the association if you can complete these reports and send to the undersigned either by mail or at the pastor's conference meeting at Shelby on October 5. It will also help if a check for the amount of the church's contribution to Minute fund and payable to George Blanton, treasurer, be attached to the report.
