### RESOLUTION OF RESPECT

God in his all wise providence has taken from us our loved and honored comrade and commander, Captain Hugh A. Logan, therefore be it resolved, First, that we extend our deepest sympathy to the members of his bereaved family in their loss of a loving father and devoted husband. Second, that our camp and community have suffered a great loss in the passing of Comrade Logan; that we treasure his memory and will endeavor to emulate his life. Third, that we bow in humble submission to our heavenly Father knowing he does all things well. Fourth, that a copy of these resolutions be sent to the family, a copy to the Department Commander, a copy to The Cleveland Star and a copy placed in the minutes of Junious T. Gardner camp, United Spanish War Veterans.

# Consider the Cow

If your ad were in this space as many people would read it as are reading this. But your ad isn't here, and people don't care a rap whether you are selling your real estate, gasoline, peanuts or popcorn.

Did you ever sit down in the pasture with a pail between your knees and wait for the cow to come and back up to be milked?

Of course not. You know better.

Well, business is kinder like a cow. You've got to go out after it and round it up. The fellow with the milk pail between his knees MAY get some milk, but the odds are all in favor of the fellow who drives up the cow and feeds her.

A merchant may make a living by "cussin' the government" and waiting for something to happen, but the merchant who makes money is the fellow who goes after business through the columns of his local newspaper.
