BOY SCOUT NEWS

Troop 1, Polkville News.

Our troop held its campfire program Tuesday night of last week. About all the members were present, also chairman of troop committee. Mr. B. P. Jenkins, Mr. T. A. Powell, and Mrs. L. B. Champion. Our next meeting is set for Tuesday night, November 10. At this meeting work will be done on scout requirements, and plans discussed for the future. A scout law set-down is also featured on the program. There has been some reorganization done among our patrols. The following is a list of officers and scouts in our troop: E. C. Aderholt, scoutmaster; E. L. Dillingham, assistant scoutmaster; Charles E. Ridge, senior patrol leader; Lee Turner, junior assistant scoutmaster; Ben Jenkins, Jr., Norman Mauney, patrol leaders; Robert Weathers, Cecil Powell, assistant patrol leaders; Charles E. Ridge, scribe. Other scouts: David Whisnant, Bonnie McEntire Jr., Hal Lee, Vance Champion, Kress Davis. Troop committee: Chairman, B. P. Jenkins, Jas. L. Dennis, E. L. Weathers, C. T. Stamey, J. M. Barber, Chas. E. Ridge, Scribe.

Events Troop No. 3 Boy Scouts. The troop held its regular meeting on Tuesday night November 3 and at this time the boys told of the different tests they were to go up for at the next court of honor.

A number of the boys went to the woods several days ago to study trees and birds. They found a nest of flying squirrels and decided to catch some of them for pets and then the fun started. Clyde Ledbetter caught one, but it bit him so he promptly turned it loose. They chased it for a while and finally caught it again but it did not last long as a pet for it died the next morning.

Troop No. 3 has a total of about 16 boys who are divided into two patrols, as follows: Flying Eagle patrol—Play Kale leader, Clarence Smith, assistant, Percy Kale, Arthur Nix, Buddy Queen, Ralph Kale, James Eaker, Alvin Davis.

Fox patrol—C. B. Poston, leader, Clyde Ledbetter, assistant, Jean Poston, Harlan McSwain, Dock Davis, James Foust, Jack Ramsey, Jack McKee.

Troop No. 3 has a scout cabin about four miles south of Shelby and the troop, under Mr. Smith, scoutmaster, has repaired it many times. This has been necessary because boys and possibly men, go to it and tear up not only the cabin but the paths and spring as well. We are glad to have anyone go to our cabin who wishes to do so, however, we would appreciate it very much if they would be kind enough to take care of it while there. Play Kale, Scribe.

Troop No. 2 News.

Troop No. 2 Shelby met Monday November 9. Mal Spangler and his patrol (the Pine Tree) were in charge of the program. The meeting was opened with the scout oath. Mal Spangler, ate fire for the

major entertainment. Several boys wanted to try it, some did but some didn't have the nerve. Mr. Propst made a very interesting talk on his trip to Washington with troop No. 1 Belwood. He told about their trip through the museum and the zoo and about many interesting things they saw and did.

Each patrol was asked to give their patrol yell. They were given as follows: Pine Tree (rustling of paper), Bob White (whistle, old Bob White), Crow (call, caw, caw) Owl (who-o-o- who-o-o-).

Business was brought before the troop. Fred M. Simmons and his patrol were given the program for November 16.

The Pine Tree patrol has contributed six merit badge pamphlets. Mr. Propst five and Bob White patrol 2, making a total of 13. Some people thing 13 is unlucky, but we think it is a good start as it only lacks one being one a day since the troop was organized. Then several games were played.

Most everyone especially scouts, like some sport it seems as though the favorite right now is archery.

About two weeks ago a few boys got a bow and arrows, since it has spread through the troop like the yoyo spread through the country two years ago. About half the troop have bows and arrows and the rest are wanting one.

Several boys are working on second class, first class and merit badges for the next court of honor which will be held the first Monday in December at the Cleveland county court house. Urging all boys to go before the court for advancement, I am,

Fred M. Simmons, Scribe.

Note—Will all troops in the Shelby district please send in a piece pertaining to the troop early each week to either Malcolm Wallace, Shelby or Fred M. Simmons, 314 S. DeKalb street, Shelby.

There will appear in scout news very soon the names of official examiners for merit badges. Watch for them. Later only the signatures of these men will be accepted on a merit badge blank.

THE BASIC PRINCIPLE OF CHIROPRACTIC

COMPARE THIS NERVE

WITH THE ONE ABOVE AND THE ONE BELOW

The basic principle upon which Chiropractic is founded appeals to us because it states a perfectly obvious fact. It tells us that the stomach functions because of the vital energy transmitted to the organs through the nerves. This is something that we have always known and yet it didn't occur to us to look for the cause of abnormal function in the nervous system. The Chiropractic Method has proven that where the stomach nerve is pinched (see second nerve in above cut) that the nerve impulses is decreased causing indigestion and stomach trouble. Or should the pinched nerve supply the Lungs, Liver, Kidney, Bowels, Muscles or Heart Chiropractic Spinal Adjustments will free the nerve pressure. NATURE does the healing.
