over the Piedmont cagers last Fri-Delaying Operation May Cause Serious Trouble, Says Dr. Copeland.

Painless

By R. S. COPELAND, M. D. U. S. Senator from New York. Former Commissioner of Health, New York City.

DECENTLY we had a visit from the King of Siam. It aroused much interest as to the importance and significance of cataract of the eye. You will recall that the

brave little monarch came primarily to have a cataract removed. It was feared he might lose his eyesensibly he de As a rule cat-

age. But, as in the case of the King of Siam, it may occur in the

Cataract develops slowly, but

pouitry and truck, produced on the but it is believed to be due to some interference in the nutrition of the lens of the eye. To is interference in nutrition may be brought about as the result of some disease.

as the result of some disease.

The cataract may be caused by a blow or other injury to the eye. In this type of cataract, which is called "traumatic cataract," the cloudiness of the lens is due to a rupture of the capsule of the eye. This permits the watery fluid inside the eyeball to find its way into the lens' substance, causing it to swell and become opaque. come opaque.

If the rupture in the capsule is tiny, the opacity may be found only in the small area of the injury. If the rupture is large, the entire lens

them. These cases should be opthat there is no its of the seeing power of the eye.

In an adult if one eye has a cata-

ract and the sight of the other is good, there is no immediate hurry about operating. But it is a mistake to wait too long.
Of all the serious things that can bappen to me. I regard cataract as the most satisfactory. It is satis-factory because by a painless operation the trouble can be speedily

By virtue of the power of sale contained in a Deed of Trust executed on February 13th, 1930, by T. Boyce Maune and wife, to me as Trustee, and default having been made in the payment of the indebtedness secured and having been called upon to execute the trust I will sell for cash to the highest bidder at the Court House door in the Town of Shelby, N. C., at public auction en SATURDAY, JANUARY 30th, 1932, at 12 o'clock M., the following described real estate situated in Cleveland County, N. C., and described as follows:

Two (2) lots situated in the Northern part of the Town of Shelby, and being a part of the Hopper lands, as shown on a plat made by O. C. Thompson, Surveyor, the first lot being fully described in a deed from J. T. S. Mauney, and wife to T. Boyce Mauney, and the second lot being fully described in a deed from Kathleen P. Boshammer and husband to T. B. Mauney, by deed dated April 19th 1939.

The Deed of Trust under which this Answers to Health Queries Mrs. S. N. A. Q.-What do you advise for read noises?

A.—This is usually due to nasal catarrh which has extended to the middle ear. The catarrhal condi-tion must be cleared up first of all, Send self-addressed, stamped envelope for full particulars and repeat your question.

Y. A. Q.-What do you advise for T. B. Mauney, by deed dated April 1939.

The Deed of Trust under which this sale is made is recorded in Book 1% page 63 in the office of the Register of Deed of Cleveland County, N. C., and reforence is hereby had to said instrument for full description of said property by metes and bounds.

The foregoing property is sold subject to any existing unpaid taxes.

This December 28th, 1831.
