Restless, could not sleep. THERE were days when I felt like I could not get my work done. I would get so nervous and 'trembly' I would have to lie down. I was very restless, and could not sleep at night. My mother advised me to take Cardui, and I certainly am glad she did. It is the first thing that seemed to give me any strength. I felt better after the first bottle. I kept it up and am now feeling fine.—Mrs. T. B. Gibson, Fort Payne, Ala.

Irony! Along comes a note from Roy McBrayer's insurance firm saying as how they plan to give this department a new billfold, one to fit the Tom Thumb dollar bills, the other one they sent up being for the old-timey bed-sheet size. The gift is appreciated, but, frankly, we have no more use for it than Ghandi does for a stick-pin.

WITH TWO FIRMS FOR FORTY YEARS

THERE'S GOING TO BE A FUNERAL ?

This note from a Shelby citizen is permitted to speak for itself: "Someone is going to have a funeral in Shelby some of these days, and chances are that it will be a member of the fire department and when it comes along his folks will have no one to blame except the man in the hearse."

SOLVING THAT TOUGH PUZZLER

Some time back this corner ran the following mathematical puzzle: Put down your telephone number, multiply by two, add five, multiply by 50, add 365, add your age, then subtract 615 and the first numbers on the left will give your telephone number and the last figures your age.

over 100 years old would try it. "For if there are three figures in your age you would have to multiply by 20 in the first step instead of by 2."
