ORATOR ONCE SANG

FOR HIS CHOCOLATE Until recently we had never heard that in his newspapering days Clyde Hoey was fond of chocolate candy (and may be yet) and he sang

In those days chocolate was a rarity hereabouts but Ebelioft kept t. The young newspaper editor would saunter over to the bookstone once a day and start nibbling candy while the bookstore sage read in please talk to daddy and ask him for the lungs. the rear. Finally, he would notice the intruder in the candy case and to let me go to a party tonight at would come up to deliver a lecture. Whereupon the editor began sing Sara Smith's home? James will ing and Ebeltoft would dash to the rear, hands over his ears, exclaiming fore 9:30." "Omigosh!" He'd rather let the visitor have his fill of candy than hear

REAL TALENT SHOW IN IN RELIGIOUS PAGEANT

Viola Thomas who directed the negro pageant, "Heaven Bound." and every member of the cast, from the saints to the red-tailed devil deserve Daughter: "Mother, Jerry is an assy-fiddity ball around our three price ranges in wedcommendation for staging one of the best entertainments Shelby has coming for me in a few minutes, so necks while going to school. The ling invitations and announcewitnessed in many years. It was as gripping an exposition of natural please help me get dressed. I don't stuff kept disease at a distance; it nents. Beautiful line of samwitnessed in many years. It was as gripping an exposition of natural want to keep him waiting. I have talent—singing, acting and pantomine—as is seldom seen. Some of the promised to go to a dance with the majority of whom have had little or no training could get their breath in comfort. There was no dance with the majority of whom have had little or no training could get their breath in comfort. performers, the majority of whom have had little or no training, ccuid him tonight." with expert direction, be hits anywhere. He was not used in that role Mother: "All right, darling." in the pageant, but it would be a treat to hear Sam Graham's tener in a solo part

Such has been the success of the pageant, prepared by the negro Daughter: "Mother, please stop teachers of Shelby and the county, (it is being presented the third time acking so manny questions about school only 6 miles from our home, this week), that they should offer a similar presentation every year where I am going. I always get back and we all went about 6 weeks in Anything comparable to "Heaven Bound" each year would soon build don't I?" into an annual event that would be looked forward to by the entire section. Why not a presentation every year?

NO MONEY IN IT:

NO MONEY IN IT:

JUST GOOD-WILL

Here and there, with the Lindbergh kidnapping the major topic at every turn, one hears some of the cynics say that there would not be so much to it if it were not for the play-up being given by the newspapers "to make money." The kidnapping was one of the biggest stories in more than a decade, but a one-armed man could count on his fingers. in more than a decade, but a one-armed man could count on his fingers closet, and don't stand there starin more than a decade, but a one-armed man could count on his fingers the newspapers that have profited out of it—in money. Take The Star as an example: In order to give the readers the best service r contract was made with the United Press to furnish the latest wire developments.

Ings, get my best dress out of the est bidder for each the following do scribed real estate: Situate in No. 4 town ing at me. This attire suits me and sand more particularly described and de fined as follows. Beginning on a pine Star and the same of the county. The contract is the following do sorbed reas the following do sorbed read estate: Situate in No. 4 town ing at me. This attire suits me and fined as follows. Beginning on a pine Star and there says the following do sorbed read estate: Situate in No. 4 town ing at me. This attire suits me and fined as follows. Beginning on a pine Star and the following do sorbed read estate: Situate in No. 4 town ing at me. This attire suits me and fined as follows. Beginning on a pine Star and there says the following do sorbed read estate: Situate in No. 4 town ing at me. This attire suits me and fined as follows. Beginning on a pine Star and the following do sorbed read estate: Situate in No. 4 town ing at me. This attire suits me and fined as follows. Beginning on a pine Star and the following do sorbed read estate: Situate in No. 4 town ings, get my best dress out of the star bidder for cash the following do sorbed read estate: Situate in No. 4 town ings, get my best dress out of the star bidder for cash the following do sorbed read estate: Situate in No. 4 town ings, get my best dress out of the star bidder for cash the following do sorbed read estate: Situate in No. 4 town ings, get my best dress out of the star bidder for cash the following do sorbed read estate: Situate in No. 4 town ings, get my best dress out of the star bidder for cash the star bidder for cash the following do sorbed read estate: was made with the United Press to furnish the latest wire developments was made with the United Press to furnish the latest wire developments up to an hour before press time. This service was also combined with builetin protection. And the cost of the U. P. protection alone to The Star will double and triple the money coming in from all street sales to the paper, "Covering the story" was even more expensive for the big papers. They have been spending thousands installing special wires and operators, sending out staff men, and securing rush photos that cost hundreds to prepare and deliver.

It is all done for the benefit of the reader, to maintain the good-will of the circulation. A paper which does not go to additional expense at times to give its readers the latest cannot hold a good circulation for any length of time; readers soon realize they are not getting what they might get elsewhere. Therefore the expense of giving that coverage, The mother of the second provides and triple the money coming in from all street sales to o'clock. O. I am so worried about daughter. She left with Kay Lammity about 8 o'clock and I have undeast. I 40 chains; north 76¼ east 3.10 chains; north 77¼ east 7.10 chains; north 77¼ east 7.10 chains; north 77¼ east 5.39 chains to an triple of late, and she is possibly trying to be too nice by taking a little toody occasionally."

It is all done for the benefit of the reader, to maintain the good-will of the circulation. A paper which does not go to additional expense at times to give its readers the latest cannot hold a good circulation for any length of time; readers soon realize they are not getting what they might get elsewhere. Therefore the expense of giving that coverage. The mother of the discoverage of the circulation of the circulation. A paper which does not go to additional expense at the circulation of the circulation. A paper which does not go to additional expense at the circulation of the circulation of the circulation. A paper which does not go to additional expense at the circulation of the circulation of the circulation. A paper which doe

might get elsewhere. Therefore the expense of giving that coverage. The paper makes nothing of of it directly, but indirectly holds and builds to laying down the law to your children? What can I do with her? its circulation. That's what counts in the newspaper games. The best She never asks me what to do and equipped newspaper plant in the world would be worthless without a what not to do." reader. The value of a newspaper is not, by far, just the material and mechanical equipment. The real value is the circulation-the good-will

of the readers. It is surprising, to one in the game, how many people think that a away a few hours. Take good care newspaper makes ends meet, if it does, by the subscription price or a of the house and kids. Lemme have nickel per copy. The \$2.50 paid for an annual subscription to The Star ten dollars. We'll need a few smokes by a reader WILL NOT pay for the paper and ink used in the 150 copies the drug store. Stop looking at me he or she gets during the year, not to mention the salaries of a score like that, and don't forget to put of employes and other expense. How, then, the skeptical may ask, is 4 the cat out and bank the fire." paper kept going? By advertising, and the sensible advertiser does that spend money and advertise in a paper that does not have a good circulation and does not carry a news service that causes the paper to be

read by every member of the family in every home where it goes. Pardon the shop-talk, but even a columnist—the king's jester and the car out. Take daughter and the clown of the newspaper game-must be serious, or attempt to be ser-

good teachers were paid enormous salaries of from \$20.00 to \$30.000 per month, that is, they were promised that by our daudies, and sometimes some of them paid a

portion of it. The public did not pay for little things like schools All of my 9 brothers and sisters carried their dinners in separate buckets-to avoid fights at big re-

cess. I can see my dinner right

now: 2 big biscuits that I bored holes in with my finger and poured therein some ho-made sorghum, and I generally had a dessert consisting of a piece of fried sweet potato, or possibly a flitter. (That's what we called fried bread). Nothing has ever been half so good to me as those school dinners.

Occasionally our teacher would go to sleep during big recess and the guy that made a noise loud enough to wake him up got a good bumping on a stump the next day. I remember once-he slept all the afternoon, and after we had played till time to go home, we all went and left him still wrapped it. the arms of Morpheus. We learned a little about spelling and reading and playing stink-base and 2-holey-cat, but not much else. I gra duated in the 8th grade and then I was too big to go to school, and I stopped and stayed stopped, as you possibly know by now.

### Egg-Laying Record Is Set By Ostrich

Detroit.-Queenie, the biggest ostrich in the Detroit zoo, outdid herself one day last week in an effort to bring down the rice of eggs-os-

Spring and Confidence

Spring . . . and we begin again. Tilling the soil. planting the seed. Firm in our faith that 1932 is going to be a more bountiful year. Following methods that are tried and true. Manifesting unlimited faith that "things are going to be better" this year. And prices at harvest, higher. So, with indomitable courage, we man the fields and carry on.
