### PERSIA

Let us who are friends be adventurers together  
In an ancient, quiet, half-forgotten land  
Where the desert prays in monotone  
To Allah smiling  
On the wide, gold sand.

Let us climb now together the high, white mountains  
Where shepherds and poets talk with the sky,  
And all things sleep in a daze of sunshine  
While countless years go by.  
—Josephine Miles.

## Penny A Meal Club Formed At Marion

New Method to Raise Money For The Needy. Club is Organized.  
Marion, May 5.—A Penny-a-meal club has just been formed here to raise money for helping the needy and to centralize the relief work being done by a number of other organizations.  
This club is the outgrowth of efforts that have been made for some time to establish an agency for aiding the unfortunate, so that all local charitable organizations may work through it and thus avoid duplications of help in some places and gaps in others.  
Each member of the club will be furnished a container into which he is to drop a penny, or more, at each meal. Once a week a collector will go around to the members and gather the money thus laid away.
