

Mt. Sinai News Of Current Week

Large Crowd at Memorial Flint Hill Wins Baseball Game 18 to 9.

(Special to The Star.) Mount Sinai, May 17.—Memorial service was held at church Sunday with a large crowd present. Sunday school was at the usual hour. Prior to the decoration of grave, a double quartet composed of Mesdames L. Y. Putnam; Clarence Self; Messrs J. C. and Durham Bridges; L. R. and Hythe Putnam; Shiver Champion and Lebron Rogers sang "Bloom Brightly Sweet Roses" at the cemetery.

Following the decoration of graves, dinner was served. There was singing and a sermon by our pastor, Rev. J. L. Jenkins in the afternoon.

She Reduced 38 Pounds The Safe Way

"I have been taking Kruschen Salts for 4 months and I think they are wonderful. I am 32 years old and 5 ft. 2 in. tall. I was very fat. I weighed 165 lbs. and now I weigh 127 lbs. and feel fine. If I let up taking the Salts one morning I feel lazy and heavy." Mrs. Florence Loftus, Boston.

This is just one of hundreds of letters we get every month—Kruschen not only causes you to lose fat but while you are losing it you gain in health—in vivaciousness—you lose fat where fat is most prominent and at the same time keep stomach, liver, kidneys and bowels functioning naturally.

Cleveland Drug Co., or any drugstore in the world will sell you a jar of Kruschen for a trifling sum—take one-half teaspoonful in a glass of hot water every morning—go light on fatty meats, potatoes and sweets. But for your health's sake demand and get Kruschen Salts—imitations are numerous. It's the little daily dose that does it. adv.
