Lest He Forget

As a mark of gratitude for the preservation of his life, Henry Wacker, veteran Akron, O., aviator, takes out this scorched and aging parachute and airs it once a year. On July 11, 1919, Wacker and five others were in the blimp "Wingfoot Express" when it burst into flames over Chicago. Three of the blimp's passengers were killed, but the chute saved Wacker. Ten others were killed when the wreckage crashed into Chicago's Loop.
