Gandhi To Starve

Bombay, Sept. 19. — Mahatma Gandhi made further reductions in his diet and began abstaining from all physical exercise Sunday in preparation for his "fast unto death." Having set Tuesday as the day he will begin the fast in protest to British government plans for communal elections in India, the Mahatma has been preparing for the event for weeks. It was learned at Yeroda jail in Poona, where he is held, that he has been studying ways to extend his life as long as possible after beginning the hunger strike.

Hoey Predicts Sure Win This Fall For Party

Plans To Make 25 Speeches

Shelby Man Will Start On Speaking Tour Around October 1. Hits Four States.

Approximately 400 electoral votes appear definitely headed for the Democratic national ticket of Roosevelt and Garner, and since the Maine election has shown such a pronounced Democratic trend, there is an excellent chance of a landslide of even greater proportions, Clyde Hoey, veteran campaigner of Shelby declared in an interview in Charlotte.

Mr. Hoey, in Charlotte, to be with Mrs. Hoey, who underwent an operation at the Charlotte sanatorium Thursday, is planning to start his campaign for the Democratic ticket around October 1. He plans to make 25 speeches in North Carolina, South Carolina, Virginia and Tennessee upon the request of the national committee and in response to a great number of telegrams.

"Prior to the Maine election, I had counted upon 392 electoral votes as being practically assured for the Democratic ticket. Since that election has shown such an unprecedented trend of votes our way, I believe we may have a Democratic landslide that will sweep the country," Mr. Hoey declared.

"The Maine election is a simple demonstration of the way people are thinking," he added. "The people of that state believe that with adequate leadership they will have been forced to sell potatoes, the big crop of the farmers of that state, at ruinous prices.

He has not yet decided where he will make his opening speech in the campaign, but will attempt to visit places where his command of oratory and unusual grasp of political affairs will do the most good.

Cotton Near Close On Last Saturday

Gains 25 Points During The Morning But Loses It By 1:30 O'Clock.

Cotton on the New York exchange gained 25 points this morning over Saturday's close, but lost it by 1:30 o'clock and was near the Saturday close. At 1:30 Oct. 6.67, Dec. 6.80, Saturday's Close Oct. 6.55, Dec. 6.80.

Another gulf disturbance of unknown intensity reported 250 miles south of Galveston moving north. Raining at Atlanta last night; map showers reported at Little Rock and Galveston or showers predicted for all cotton states. Lancashire strikers decided to leave whole matter to their representatives. Meeting Monday (today). Manchester reports week's business indifferent but inquiries large, suggesting good potential demand under more favorable conditions. 51,000 bales of red cross cotton is under contract to be exchanged for twenty million yards of cotton cloth. Worth St. had a quiet week, better demand expected when raw cotton declines. Declines in futures is going too far apparently but market has become somewhat helpless. Speculation has disappeared so there are few except consumers to take the hedge.

Former Shelby Men Implicated In Robbery Of Dallas Bank; Carpenter And Smith Confess Dallas Robbery

Once Plumber In This City

Eban Carpenter Makes Confession. R. D. Smith Is Held In Florida.

Gastonia, Sept. 19.—With a complete confession by Eban Carpenter of Lincoln county and a supplementary confession by R. D. Smith in jail at Fort Lauderdale, Fla., Sunday afternoon, the daylight robbery of the Bank of Dallas, this county, which has puzzled officers since its occurrence on July 21, 1931, has been solved.

Carpenter and Smith both acknowledged that they participated in the crime, which was the most daring robbery perhaps ever perpetrated in Gaston county, and named as their accomplice Will Lingerfelt, of Lincoln county, a brother-in-law of Carpenter, whose arrest was expected.

Carpenter was arrested at his home near Lincolnton Saturday afternoon and was lodged in jail here. His arrest, however, was not revealed by officers until Sunday, their action being kept secret in the hope that others connected with the crime might be apprehended promptly.

In his confession, made to Solicitor Carpenter, Eban Carpenter implicated Lingerfelt, who lives within two miles of the latter and Smith, of Pocono, Fla., formerly of Shelby, with the result that Smith was taken into custody without delay. Lingerfelt, however, apparently discovered that Carpenter was being held and has so far eluded officers.

Arrest of Carpenter resulted from identification of an automobile in

Young Minister In Father's Pulpit

Rev. Emmett K. McLarty, Jr. filled the pulpit Sunday at Central Methodist church in the absence of his father, Dr. E. K. McLarty, who is holding a meeting at Boone. Young Mr. McLarty is a student in the school of religion at Duke university, Durham. His father, the pastor of Central Methodist church will return to his charge here on Saturday of this week and be in his pulpit next Sunday.

Boy Picks Three Times His Weight In Cotton In Day

If Joe Wortman's cotton-picking ability continues to improve as he grows older, he will some day be the world's champion cotton picker. Last week Joe, eight-year-old son of D. M. Wortman, of Casar, picked 140 pounds of cotton in a day. His day's picking lacked only 10 pounds being three times his weight, which is 50 pounds.

Auxiliary, Legion To Picnic Friday

A "family picnic" will be held Friday evening at the county fair grounds by members of the local American Legion and the Legion auxiliary. The hour is 6:30 and members of the two organizations and their families are invited to attend and bring baskets of food.

Much Gold Mining Going On Now In State As Mines Are Talked Here

Stamp Mills Running in Half Dozen Counties, Engineers Visit Here

With several mining engineers and prospectors having visited this section in recent months, the talk about gold mining prospects in the section has been revived.

Numerous people who have been prospecting on the main are certain that mining prospects are good in one or two counties adjoining Cleveland and if not in this county. "Along with this indication of increased interest in minerals, Mr. Bryson announced he has received more than twice the number of inquiries regarding deposits, particularly gold, in the last two years than for the similar preceding period.

Mooresboro People Rushed To Hospitals

Mrs. R. W. McBrayer In Charlotte Hospital And Robert Greene In Shelby Hospital.

(Special to The Star.)

Mooresboro, Sept. 19.—Last week two Mooresboro people became ill and were rushed to medical institutions.

Friday, Mrs. R. W. McBrayer entered an institution in Charlotte for treatment. Saturday Mr. Robert Greene was suddenly stricken with appendicitis. He was rushed to the Shelby hospital where he underwent an operation. Attendants said yesterday that he was doing nicely.

Mr. Thomas Harris, student of the University of S. C. is visiting his parents, Mr. and Mrs. Yates Harris.

Mr. and Mrs. B. B. Harris, of Cliffside, visited the latter's parents, Mr. and Mrs. Hoyle Turner Sunday. Mr. John J. McBrayer accompanied by his father, Mr. R. W. McBrayer, visited his mother who is in a Charlotte hospital Sunday.

The True Blue girls Sunday school class will give an ice cream party at the local high school Wednesday night of this week.

Mrs. W. W. Bridges and grandson, Wake, visited Mr. D. D. Fortune of near Cherry Mountain Sunday.

Mr. Roy Greene of Charlotte visited his parents, Mr. and Mrs. Hill Greene Sunday.

Mr. and Mrs. Y. S. Greene of Morganton also visited the former's parents, Mr. and Mrs. Hill Greene.

Scout Council To Meet Here

Men From Nine Counties Will Come Together To Hear Report Of Summer Work

The executive board of the Piedmont council of the Boy Scouts of America will meet at the Hotel Charles on Tuesday night, September 20th at 7:15 o'clock at which time representatives from Polk, Rutherford, Lincoln, Iredell, Catawba, Burke, Caldwell, Gaston and Cleveland will come together to hear reports of the work of the summer and the Piedmont Boy Scout camp which is operated at Lake Lanier.

Scout Executive R. M. Schiele, recently returned from the regional conference of the Boy Scouts of America held at Atlanta, will present to the board the new "Ten Year" program of the organization in which an effort will be made to train at least one out of every four boys for citizenship, so that ten years hence one out of every four young men in America reaching the age of citizenship will have been a four year trained scout.

B. L. Smith, R. W. Schoffner and H. B. Miller of Shelby and Claud Grigg and W. K. Mauney of Kings Mountain represent Cleveland county on the Piedmont council board.

Mrs. Hudson Hartgrove, is visiting her parents Mr. and Mrs. J. W. Camp, in Chesnee, S. C. this week.

Starts Long Trek

Despite her 67 years, Mrs. Rose Ryan, a great-great-grandmother of Allenton, Pa., is still more red-blooded than many half her age. Mrs. Ryan, widow of a Civil War veteran, is shown as she left Jamaica, L. I. to hitch-hike to Los Angeles. She will sell flowers along the way to raise funds for needy veterans of the war in which her husband served. It is her ambition to open her home in Allenton as a home for war veterans.

Superior Court In Session Here; Hear Jolley Suit

Expect To Complete Suit Against Western Union This Afternoon. Court At Night.

A week's term of superior court convened in Shelby this morning to take up a congested civil calendar. Judge Frank S. Hill, recently appointed to the bench by Governor Gardner, is presiding.

Lost Teaching Job

Today the court is hearing the damage suit action of Miss Evelyn Jolley against the Western Union. She seeks damages from the telegraph company on the allegation that the method of delivery of telegrams caused her not to get a position teaching school. It is believed the suit will go to the jury some time this afternoon.

Big Night Court

With the superior court in the main court room during the day the sessions of county recorder's court will be held at night this week. Quite a docket is booked for trial tonight. At noon today it was stated that 27 cases were already slated for trial this evening.

Construction Of New Building In Shelby Opens Up

Evans Gets Contract For Structure

Will Employ Local Labor In Erecting Professional Building Here.

Work started today on Shelby's second uptown building project of recent weeks, the new professional building to be located on South Washington street, to the east of the Hotel Cleveland.

The contract for the new building was let last week to Gus W. Evans. In making the announcement the owners of the building, Drs. Tom and Ben Gold and Dr. D. F. Moore, said: "We're letting the contract to local contractor and we understand that he will employ local labor." The fact that local labor will be used in the construction work means that a number of men heretofore unemployed are now back at work and others will be as the work proceeds.

The building will be two stories with a drug store on the ground floor and more than 20 offices for professional men on the second floor.

Fashion Show For County Girls To Be Fair Feature

4-H Club Girls In Show Must Make The Dresses Worn By Them.

An interesting feature to be added to the attractions at the fair this year is the fashion show to be put on by the girls of the 4-H clubs of the county.

Local mills have given Mrs. Irma P. Wallace, home demonstration agent, some of their products to be used as prizes in this department, a list of which will be in the next issue of this paper.

Every club girl in the county is eligible to enter the fashion show, which will be held Thursday of fair week. The requirements are that she shall make the dress she wears and be at the grand stand by ten o'clock. Mrs. Wood Mauney, of near Patterson Springs, is county club leader and will assist Mrs. Wallace and the two girl leaders, Misses Zoe Putnam and Fern Hovis. Every club girl is asked to take part in this fashion show.

Forty Per Cent Increase At B. S. Junior College

New Students Continue To Arrive. Reception Tended The New Students.

The Boiling Springs junior college campus has been a bee hive of activity for the past week as the remaining contingent of the college student body arrived. The trek to Boiling Springs started with the high school opening in July. This week's arrivals were made up of college students which swelled the enrollment to an increase of 40 per cent over last year. Still a few more are expected yet as it is still possible for students to register and receive credit for fall work.

The faculty members led by Dr. Jenkins, the president, have been busy greeting the old students and welcoming the new. A reception was given to the students by the B. S. U. on last Saturday. This marked the closing of the first week's program. A receiving line composed of the faculty and the presidents of the various student activities was formed to acquaint the new students with the different campus leaders.

It will probably be the latter part of the week before the registration for 1932-33 is definitely known. A few students trickle in every day to swell the enrollment total. The large enrollment increase over last year's total justifies the faith felt by the trustees and faculty that the school was on the upward trend. All during the past summer a spirit of optimism was prevalent among those concerned with the college's future and this week's returns have added fuel to this optimism.

Reviewing Legion Parade

Secretary of War Patrick Hurley and Henry L. Steven, former National Commander of the American Legion, are shown as they saluted the colors from the reviewing stand during the colorful parade of the Legionnaires at Portland, Ore. The parade was one of the features of the Legion Convention at which the veterans voted overwhelmingly for payment of the soldiers' bonus and repeal of the prohibition laws. Louis A. Johnson of West Virginia was elected new National Commander.

To Let Grading Contract For Kings Mountain Road Link Oct. 18; Order Survey Of Shelby-Cliffside Road

Six Miles From Kings Mountain To S. C. Line To Be Surfaced By State.

While the proposed Shelby-Polkville highway hangs fire, Cleveland county is assured one road building project and a survey has been ordered for another proposed route in the county.

Meeting Friday in Raleigh the State Highway Commission approved the road project from Kings Mountain to the South Carolina line, connecting with the surfaced South Carolina highway there. This is route 215 and will require approximately six miles of grading and surfacing. With the project approved bids are to be opened on October 18.

At the same session the commissioner ordered that a link of proposed highway beginning at Zoar church, just south of Shelby, via Boiling Springs to Cliffside, be surveyed. This route was estimated at about 10 miles in length.

The report of the commission meeting carried nothing about the proposed Shelby-Polkville road. Previous reports had it that the project would likely be in the October letting, but the fact that it was not approved last week indicates that it will not be included in the October 18 bid opening.

28 Students From Cleveland At Boone

There are 28 students from Cleveland county in school at the Appalachian State Teachers college at Boone. The teachers college has 875 students enrolled for the fall term from 68 North Carolina counties and nine other states. Just a few counties in North Carolina exceed Cleveland in the number of students. Lincoln has 58, Watauga 134, Wilkes 36, Ashe 34, Trall 28, Surry 20.

Antique Display At Fair This Year May Eventually Be Museum Basis

Hope To Have Fine Display Of Antiques And Vary Rare Collections.

In preparing for the antique exhibit at the Cleveland County Fair next week Mrs. Oscar M. Suttle and others interested in antiques hope that plans may be laid at the fair for the starting in the next year or two of a Cleveland county museum. Those who bring in antiques, rarities and unusual collections of various types will not be asked this year to sell or lend any of them for museum display, but they will be asked to list their names and addresses at the display so that they may be consulted later about it.

"We want it definitely understood," officials say, "that every article on exhibit this year will go back to the owner. But we do hope that in the years to come, when

Expect Largest Crowd Ever For Big County Fair

Grounds Ready For Opening 27th

Annual Horse Show Feature Of Fair To Be Held Wednesday. Many Race Horses.

With only one week to go before the opening of the eighth annual Cleveland County Fair Tuesday, Sept. 27, fair officials are preparing to handle what they believe will be the largest through ever to attend the event. It is believed that free gate admission will bring a record attendance because of the reputation of previous fairs.

Although there is considerable work to be done in the exhibit halls and about the fair tract in decorating and such as that, the fair grounds are practically in shape for the opening a week from tomorrow. The race track has been dragged and worked upon for more than a week and is now in fine condition. Repair work has been done on the grandstand and the exhibit halls renovated.

Full Program

In addition to the constant attractions in the exhibit buildings and along the midway the usual excellent special attractions have been booked for the afternoons and evenings. A free acts program, one of the major entertainment features, will be put on each afternoon at 2 o'clock and each evening around 8:30. The horse races, always a big attraction at the local fair, will be staged each afternoon at 2 and the spectacular fireworks each night at 8:30. Secretary Dorton stated today that he expects to have around 65 racing horses entered. A number of the racing stables will arrive this week for several days training on the track. The midway shows and amusements are to be provided by the famous Johnny Jones shows, the largest of the open air type in the country. These shows are playing the Central Carolinas fair at Greensboro this week.

The horse show, a phase of the fair which attracts many, will be held Wednesday morning at 10 o'clock on the race track just in front of the grandstand.

In connection with the horse show it is announced that pulling contests for horses and mules is being planned and this new feature should draw much interest among farmers of the section.

Because of the growing interest in the soil erosion exhibit of the Federal Department of Agriculture this exhibit will be moved from beneath the grandstand to one of the main exhibit buildings.

Interest Grows In Dog Show At Fair Next Week

Expect County Fox Hounds To Be Biggest Entry. Small And Large Dogs.

With more than 150 dogs already entered officials of the Western Carolinas Kennel club expect at least 200 more entries for the A. K. C. dog show to be held during Cleveland County Fair Week.

Entries in the show will be taken through Saturday of this week and those who expect to enter dogs should have them properly listed at that time. At a meeting held Friday night kennel club officials decided that dogs brought to the show after it has opened will not be permitted to enter. All dogs must be entered this week and listed in the show catalogue prior to the opening.

Many Fox Hounds. It was said today that the largest class in the show would likely be fox hounds. With dog lovers from many sections coming here for the show it is reasoned that it will be an excellent opportunity to boost the fox hounds of the section.

25 Breeds In. To date around 25 breeds have been entered for the show. Those entered range in size from two-pound toy dogs to a 250-pound Great Dane.

Among the entries from other sections are 10 fine Pomeranians entered by a Washington lady. Mr. and Mrs. Worth Lutz will return to Durham today after spending the week-end with their parents, Mr. and Mrs. J. F. Lutz on route one, Shelby.
