### Tragedy Stalking Him But He Smiles

Murray, Ky.—Jack Dunaway, a Murray college freshman, resumed his duties in the office of the college News this week, a determin-

ed smile on his face and told this story:  
Within the past week his uncle changed himself, his sweetheart married a rival, a bank where his mother had \$1,000 on deposit closed and the home where he had been staying here burned with all his books and clothes.  
Lee Clark a member of the Kentucky general assembly, said he could vouch for the youngster's story and the latter gave the details as to each incident.
