

Warmer Tuesday

Today's North Carolina Weather Report: Generally fair and warmer tonight and Tuesday.

Retaliatory Plan Against Jews

By UNITED PRESS
Berlin, March 27.—Retaliatory measures against the Jews of Germany was decided today by the Nazi party to balance "atrocity propaganda" circulated in foreign countries. The government was prepared to countenance the retaliation to the exact ratio and extent that foreign governments countenance propaganda.

Oppose Two Jobs For Young

By UNITED PRESS
Washington, March 27.—The U. S. department of justice is opposed to Owen D. Young as director of both the General Electric firm and the Radio Corporation of America, Attorney General Cummings said today. Under the General Electric and RCA dissolution decree the companies have until April 21 to eliminate interlocking directorates. The department of justice in the meantime is continuing its study of banking irregularities with a view of vigorous prosecution, Attorney General Cummings said.

Appropriations Bill To Senate; Week In Assembly

House Finally Passes Bowie-Cherry Substitute, Anticipates Sales Tax.
(Star News Bureau.)
Raleigh, Mar. 27.—After ten days of travail the house of representatives has brought forth and sent to the senate an appropriations bill which bears the name of the Bowie-Cherry substitute for the committee substitute for the original appropriations bill, but with few features of the parents-in-name, and in the main the child of the house appropriations committee.

Kings Mtn. Youth Gets Hero Award

National Certificate For Heroism Awarded To Scout Wilson For Saving A Life.
(Special to The Star.)
Gastonia, Mar. 27.—The headquarters of the Piedmont council of the Boy Scouts of America have just received word from the national headquarters of the movement in New York City to the effect that the national court of honor of the Boy Scouts of America have awarded a national certificate for heroism to Scout Richard Wilson of troop one of Kings Mountain.
Scout Wilson saved the life of William Whitesides last summer from drowning at Lake Montain and because of his heroic and efficient service has been awarded the national certificate for heroism, the only award of this kind that has ever been made in the Piedmont area.
Richard Wilson is the son of Rev. R. C. Wilson, pastor of the First Presbyterian church of Kings Mountain and a member of troop one which is under the leadership of Scoutmaster Carl W. Davidson.
Scout Wilson received his training in life saving at the Piedmont Boy Scout camp at Lake Lanier last summer and several weeks later saved the life of William Whitesides as the result of his training and heroic courage.

Father And Sons To Meet At Polkville

The annual father-son banquet for the Polkville community will be held on Friday night, March 31st according to an announcement made by E. L. Dillingham, teacher of agriculture. About eighty guests will be present and the meeting will be addressed by Lee B. Weather, publisher of The Star.

Athenian Debate At Junior College

The Athenian literary society will hold its annual debate tomorrow Tuesday night at Bowling Springs auditorium at 7:30 p. m. The query is resolved that the general sales tax should be enacted into the laws of N. C. The affirmative Boyd Blanton and Marlow Stroup. The negative L. E. Snipes and Glenn Hawkins. The public is cordially invited.

Local Banks To Be Represented In The Raleigh Conference

Meeting To Be Held Tomorrow

First National Urges Appraiser To Come On Important Legislation Pending.

A telegram went to the controller of the currency this morning asking that an appraiser be sent to Shelby as soon as possible to appraise the assets of the First National bank in order to hasten some decision as to what course to take toward the reorganization and re-opening of the institution.
For a week or ten days the bank officials have been expecting an appraiser to call, but with some 4,000 banks in the United States still closed following the banking holiday, there have not been enough appraisers to reach all the institutions.

Appraise In Person

When Forrest Eskridge of the First National was in Richmond, Va. last week the assets of the bank were appraised in a measure, but it was thought best to send an examiner here in person to review the real estate which the bank owns, review the real estate collateral and appraise their values. Another delay has been caused by the negligence of some borrowers in furnishing the bank with financial statements which are required in order that there might be a correct appraisal of values.
The examination of the Union Trust Co. has been made by the state and the report forwarded to Raleigh where it is being reviewed and appraised by the commissioner of banks.

Pending Legislation

Some delay in the steps to be taken has been occasioned by legislation pending in Washington. Within the last few days congress has made it possible for state banks to be helped financially by the federal reserve. Federal aid has not been within reach of state banks until this new legislation was passed.

There is also pending in congress the Steagall bill which permits national banks to establish branches and the outcome of this legislation is watched with concern.

To Go To Raleigh

All bank officials and stockholders of the First National and the Union Trust Co. are invited to go to Raleigh Tuesday (tomorrow) where there will be a meeting at 1 o'clock to discuss the banking situation in general in North Carolina.
Commissioner Hood has called a conference and has wired to Shelby where there are two closed banks, urging the officers, directors and stockholders to attend this conference which has for its purpose the organization of a state-wide banking system patterned somewhat after the Canadian system. Several bank officials and stockholders of both local banks are planning to attend and will be glad to have others go. If you are a stockholder, you are asked to get in touch with the bank in which you are a stockholder and the trip will be planned.

B. Allen Ill At His Home On Post Road

B. Allen, prominent farmer living three miles east of Shelby near the Post Road Gin is seriously ill with a heart trouble. He has been very sick for several weeks and gets little rest unless he is sitting up in bed.

Beer Outlook For Dixie Is So-So; Some Damp States, Others Very Dry

Nothing To Excite Wets Or Alarm Dries So Far, Louisiana Leads Parade.

By FOSTER EATON
United Press Staff Correspondent
Atlanta, Mar. 27.—The beer outlook in the south is nothing to excite the wets nor alarm the dries, but legislatures are already tapping away at the bung and a leak in Dixie's long-impregnable liquor dyke seems certain.
Louisiana led the parade Friday the first break in the south's otherwise solid dry tier of state from Virginia to Arkansas. Action is pending in the legislatures of five other states, while in four more beer seems to be a dead issue for this year.
There is nothing to indicate a legislative stampede back into the beer column, a United Press survey showed. For years the south has

Roosevelt "Cure" To Take Time Is View Of Gardner

Former Governor Says New Deal Has Patient Out Of Bed. Still Very Weak.

"One of the most worthwhile developments of the new Roosevelt administration is that it has restored confidence to the man on the street."

That was the opinion expressed by Former Governor O. Max Gardner on a hurried business trip home from New York.

"The man on the street, the average man, has about decided that he has a better friend in the White House, one who understands his needs and wants, than in many years. And confidence is one thing this country certainly needed," the former governor added.

The program of restoration and change will, however, take time, he declared.
"Mr. Roosevelt has shown himself to be a good doctor, but he has his patient out of bed and walking. Yet the patient had been sick, very sick, for a long time and is still weak and it will take time to build up his strength and get him well again."

Dismiss Two Cases Before Commission

Claims For Injuries Denied Two Cleveland County People By Commission.

Two claims before the Workmen's Compensation Commission were dismissed last week.

The action of Dottie Sweezy and the Eastside Manufacturing Co., with an insurer was dismissed with each party paying its own costs. The commission ruling said "the plaintiff did not sustain an injury by accident which arose out of and in the course of employment."
The action of Lester Hughes, Kings Mountain, and the Neisler Mills and insurer was similarly dismissed "upon the finding that the plaintiff did not sustain a hernia meeting the five requirements of the act."

Weather and Kenredy were the attorneys in the Sweezy case and E. A. Harrill in the Hughes case.

No Clues To Mystery At Sandy Run Creek

(Special to The Star.)
Moorestown, March 27.—No clues to the mystery, which was started last Sunday night when a Moorestown negro saw a man and two women toss something which he thought was the body of a young baby into Sandy Run creek, have been uncovered although searchers have combed the creek banks and vicinity.
It is possible that the raging torrents carried it to other distant points—then it might be that the people were on the bridge for another purpose, and that they tossed something else into the stream.

In Fairbanks Suit

Back in Los Angeles after a honeymoon in Mexico, Jorgen Dietz, who is suing Douglas Fairbanks, Jr., for \$50,000, charging the actor alienated the affections of his former wife, Mrs. Solveig Dietz, is shown with his bride, Lucy Doraine. They were married in Phoenix, Ariz. Miss Doraine, who is a film actress, was once famed as the possessor of the most beautiful legs in Hungary.

Make Settlement With Sheriff Allen

Sheriff's Office To Be Closed Thursday And Friday Of This Week To Check Books.

The sheriff's office will be closed on Thursday and Friday of this week in order to make settlement with Sheriff Irvin Allen whose term of office expires on Friday. Sheriff Allen will be succeeded on Saturday by Raymond Cline who was elected by a handsome majority last fall.

The settlement with Sheriff Allen concerns the 1932 tax levies. On Thursday and Friday the tax books will be checked over carefully to determine just what portion remains unpaid and to be charged to the new sheriff who will have the collection of taxes in charge on April 1st. It is learned that approximately \$93,000 of the 1932 county taxes are unpaid, yet every day this amount is being reduced as the taxpayers come in and meet their assessments. When Sheriff Allen has been checked out he will be relieved of his surety bond which he and all sheriffs are required to give for the safe-keeping and accounting of public funds.

The settlement with Sheriff Allen will require two days and the office will be closed to the public. Because of the two day closing, however, the tax penalty of three per cent scheduled to go into effect on April 1st on all 1932 unpaid balances will be extended to April 6th.

Try Answering These

- Can you answer 14 of these test questions? Turn to page two for the answer.
- 1. Name the author of 'Call of the West'.
- 2. Who is Pan?
- 3. How did Poland regain its independence?

Shelby Boy In Glee Club
C. Y. Washburn, of Shelby, has been selected as a tenor on the Wake Forest College glee club, according to an announcement of the club personnel today.

Car Crash Kills Kings Mtn. Youth; Three Others Hurt

Horace Ware, 22, Is Wreck Victim

22-Year-Old Son Of Greel Ware Dies When Truck And Automobile Collide.

Horace Ware, 22-year-old son of Policeman Greel Ware of Kings Mountain, was almost instantly killed about 12:30 o'clock Sunday morning when an automobile collided with a truck on the outskirts of Gastonia on the Kings Mountain highway.
Howard Mitchum and DeWitt Blanton, Kings Mountain youths, who were riding in the car with Ware, were injured, and George Bradshaw of Fort Mill, an occupant of the truck, also was hurt. All three were taken to hospitals at Gastonia.

The accident occurred when a broken bumper on the car occupied by the Kings Mountain youths caught in the front wheel of the truck, driven by Floyd Shaw of Fort Mill and carrying a load of furniture to Fort Mill. The car turned over several times after smashing into a telephone pole after colliding with the truck.

Ware died a few moments after the accident. Mitchum and Bradshaw were seriously injured but Blanton was discharged from the Gaston sanatorium after his injuries were treated. He told Sheriff McGinnis that he, Ware and Mitchum had been in Gastonia and were on their way back to Kings Mountain when the wreck occurred in front of the Myrtle mill in West Gastonia.

John T. Camby Dies In Shelby Hospital

Was Buried At Zoar Friday. Lived In Belmont Mill Community Here.

John T. Camby, age 69 years, died Thursday morning at 2:30 o'clock in the Shelby hospital from kidney trouble and was buried Friday morning at 10 o'clock at Zoar Baptist church two miles south of Shelby.

Mr. Camby was born in Georgia but spent most of his life here. He was a faithful employee at the Belmont mill. He was married twice, his first wife preceding him to the grave 13 years ago. His second wife before marriage was Doshia Waters and she survives with the following children: Mrs. Walter Sumner of Cowpens, S. C., Grady Camby, Zeb Camby of Straw Plains, Texas, Tilden Camby of Chimney Rock, Mrs. Etta Berger of Bessemer City, Mrs. Annie Hunsinger of Gastonia.
Funeral services were conducted from the home by Rev. H. C. Sisk.

Piedmont Scout Board Meets Here

The executive board of the Piedmont council of the Boy Scouts of America will meet at the Hotel Charles on Tuesday night, March 28th at 7:15 o'clock at which time representatives from the eleven counties of the council will be in attendance.

Reports of the scout movement in the Piedmont area will be received and plans for the operation of the council and the Piedmont Boy Scout camp at Lake Lanier will be made.

Carl S. Thompson, H. B. Miller, R. W. Shoffner, Lee B. Weather and B. L. Smith of Shelby and Claud Grigg, B. S. Neil and W. K. Mauney of Kings Mountain are the Cleveland county members of the Piedmont scout board.

Mayor Gets Large Basket Of Flowers

Mayor S. A. McMurry has a large basket of beautiful flowers on his desk at the city hall today as a gift from a fellow mayor, Victor Miller, mayor of St. Louis. The international flower show is meeting in St. Louis this week and Mayor Miller wired a floral present to 6,000 other mayors. The flowers at the Shelby city hall were delivered by wire through Patterson, local florist.

Play To Be Given At Fallston April 1

A play entitled "A Prairie Rose", a western comedy drama in four acts will be given Saturday night April 1st at the Fallston high school. A small admission charge will be made, the proceeds to go for the benefit of Knob Creek Methodist church.

Three Jolly Good Fellowships

That brains and beauty do go hand in hand, despite all that has been said to the contrary, has been proved by these three girls, students at fashionable Bryn Mawr College, Philadelphia. The girls were recently awarded three fellowships, each providing \$1,000 or more towards a year of study abroad. They are, left to right, Anne Marie Hoskin, Akron, Ohio, winner of the Fanny Bullock Workman Fellowship; Margaret Hastings, Springfield, Mass., who won the Mary E. Garrett Fellowship, and Ingrid Worth Taylor, Media, Pa., awarded the Anna Ottendorfer Memorial Fellowship.

Half Of N. C. Laws Selfishly Spawned

Fifty Percent Of 1,500 Bills Introduced Contain Element Of Selfishness For Groups And Individuals, Examples.

(M. R. Dunnagan, Star News Bureau.)

Raleigh, March 27.—Half of the approximately 1,500 bills introduced in the 1933 general assembly have in them an element of selfishness—self interest or self preservation, sometimes of the introducer, more often for some friend, or group, or class, or section—or for the advantage of one to the detriment of another, and even sometimes to spite someone or a group or section.
The half might be question, but a careful perusal of even the titles of the bills introduced, and the titles do not always give the full intent, will reveal scores to "regulate" the activities of some person or group; to "prohibit" numerous activities; to "require" that certain things be done; to "abolish" many offices; to "repeal" many laws, often to get even with an opponent.

One-Person Laws

Numbers of State-wide bills have been enacted, and many more introduced to benefit just one person, or group, or to prevent one person from doing something he is doing. A notable example is a bill introduced to prevent persons from entering theatres except by the regular entrances, originating in Elizabeth City, in a theater with a window through which boys would slip into the theater. And there was no law to touch them. Of course, the window could be barred, but a State law would allow prosecution.

Selfish Taxes

Even the bigger bills have the selfish element. The production tax bill would require six counties to

Roosevelt Issues An Order To Consolidate U. S. Farm Groups

President To Form One Powerful Unit To Handle All Nation's Farm Problems.

By UNITED PRESS
Washington, March 27.—President Roosevelt today gave congress his plan for consolidating all federal agricultural financing agencies and boards into one powerful unit.

This will, he said, centralize and expedite the refinancing adjustment of the national nine million dollar farm mortgage burden.
It is announced that the order to

Farmer, Missing Three Weeks, Back And Is Jailed Here; Find Woman

John Arrowood Placed In Jail Here. Charged With Eloping With Young Mother.

At 1:30 this afternoon Deputy Gus Jolley said that he and Deputy Charlie Shepard had located Lucy Wyatt at the home of a relative in the upper section of the county. She was brought here and placed in jail, but declared, the officers said, that she had not been with John Arrowood during the three weeks both had been missing from their homes.

John Arrowood, farmer about 40 years of age, who disappeared from his home in the No. 2 township section three weeks ago next Wednesday, has returned and today was placed in the county jail here on several charges.
Lucy Wyatt, the young married

Hundreds Apply For Farm Loans At Local Office

Over Four Hundred Applications

Office Filled Today With Long Waiting Line. Will Exceed Last Year.

Hundreds of Cleveland county farmers are taking advantage of the government's offer to lend farmers money with which to make their 1933 crop.

Today at the crop loan office in the court house here it was said by R. W. Shoffner, former farm agent, who is helping handle the applications, that 425 applications have already been filed. Last year there were only 470 applications for seed and fertilizer loans all year, the 470 borrowing a total of \$70,000. Every indication is that there will be far more applications this year as the loan office was filled with farmers today and a long waiting line outside.

The loans are made by the government through the R. F. C. so as to enable farmers to purchase seed and fertilizer. The government takes a mortgage on the crops produced and requires also that the cotton acreage of the previous year be reduced at least 30 percent. Applications are passed upon by a local committee and when approved are sent on to Washington. So far nothing has been heard from any of the applications and no money has been received as the office has been operating only a week or two. Loans are expected to start arriving within a week however.

Gallimore Youth Missing A Week; No Trace Of Him

Dropped Out Of Sight Last Monday Afternoon. Wide Search Is Being Made.

Anxious relatives and officers have as yet to find a single trace of Ray Lee Gallimore, 16-year-old Shelby high school student, who has been missing for a week.

The youth, a son of Mr. and Mrs. Harry Gallimore, was last seen uptown a week ago this afternoon. Then he suddenly dropped out of sight and since that time no word has been heard from him or from anyone who may know his whereabouts.

His father is of the opinion that he went somewhere to work but is becoming anxious because no message has been received from him.

Officers, newspapers and radios in cities in this section have been asked to help locate him, but so far all efforts have failed. The youngster was well known in the city and popular with those who knew him. It is believed that he had enough money with him when he left to keep him going for several weeks, but it cannot be figured out why he left.

Superior Court Convened Today

Judge T. B. Finley Presiding. Dan W. Moore Foreman Of Grand Jury.

The Spring term of superior court convened in Shelby this morning with Judge T. B. Finley presiding and Solicitor Spurgeon Spurling prosecuting.

After Judge Finley's charge to the grand jury that body took up its work of passing upon bills of indictment with Dan W. Moore as foreman. Deputy Jerry Runyan is aiding Sheriff Irvin Allen as court officer and Deputy Henry McKinney is grand jury officer.

The criminal docket to be disposed of this week, perhaps in three or four days, is one of the lightest in years. The civil calendar which will be taken up the latter part of this week and next is also light due to a recent special term.

Young Golfer Goes To Pinehurst Play

Pete Webb, young Shelby golf professional, left today for Pinehurst where he will play in the Pinehurst open golf tournament. In the play, which opens tomorrow, he will compete against such nationally known golfers as Walter Hagen, Henry Picard, Horton Smith, and others.
