Millions And Centralize Work ecretary Agriculture Gives Con Believes Redfern

gress Program For Adjusting Indebtedness

Washington, March 28.—The Man Who Signalled Direction Of scattered federal farm credit agencies, including the farm board, were tied into a single unit this week by President Roosevelt in the first of

Traveling swiftly upon the heels flung program for adjusting farm is alive. indebtedness through a huge government financing plan.

The secretary of agriculture carefully refrained from saying that his longshoremen load cargo. proposals constituted the administration's plan for aiding the debt burdened farmer. The plan paralleled, nevertheless, the program discussed at the White House on the farm mortgage situation.

In sending his farm agency consolidation plan to congress, the president named Henry Morgenthau, jr., president head of the farm board, to be governor of the new ted land before losing sight of us. farm credit administration which provided a majority of both houses does not vote the proposal down within that time. "We are going to administer this

organization for the farmers and in the interest of the farmers and along sound lines," said Morgenthau as he left a conference with President Roosevelt.

Through this new government unit the president will operate the billion dollar refinancing of agriculture which he will propose Direct Loans Proposed

The program submitted by Wallace today would have the refinancing of farm mortgages handled the day by the machinery of federal land banks and the regional agricultural I left home with a man, wife and credit corporation, using Reconstruction corporation funds.

The credit corporations would be amortization installments and taxes Federal land banks using Recon-

struction corporation funds would to keep from perishing and had refinance the existing indebtedness for farm owners including interest or taxes. The land banks would be authorized to purchase existing
