What officers believe to have led on for two or three years was temporarily halted Thursday when Sheriff Raymond Cline and Deputies John Hord and Bob Kendrick arrested three young men of the No. 5 township section on the charge of chicken stealing.

For several years officers have been trying to break into a series of chicken thefts carried on in the neighborhood of the Gaston-Cleveuntil this week the attempt met with little success. Sheriff Cline began work on the matter Wednesday, located chickens stolen from the Cherryville section of Gaston county at the Shelby hospital.
