Storm Death Toll Reaches 47

By UNITED PRESS The known death toll from the torm and hurricane which swept the eastern seaboard from North Carolina north stands at 47 with property damage of 15 million dollars. Today the violent storm had diminished to a high pressure area in Canada over Lake Ontario, Warnings of a new storm were up today on the Maine coast where one life was already lost. Roads to Nags Head and Manteo were still under water but there were no deaths in North Carolina,

J. M. Gillespie, Shelby's Oldest Man, Dies At 92

Funeral This Afternoon At First Baptist Church. Two Brothers, One Sister Survive.

J. M. Gillespie, commonly known Tily. In the last few Rutherford county on July 16th ed with painstaken care and re-1841, moved to Cleveland and was Dec. 2nd, 1869. She died on Christmas day 1904 Surviving are two prothers, Summie L. Gillespie of Shelby, J. L. Gillespie of League City, Texas and one sister, Mrs. Amos H. Cornwell who is now desperately ill at the age of 83 years.

de. Interment took place in Sun- week. as active pall bearers.

Wheat Meetings To Begin Tuesday Over The County

County Agent Will Explain Government Control Plan For Wheat.

The Federal government's wheat production control campaign will be inaugurated in Cleveland county next week, R. W. Shoffner, farm agent announced today.

A series of seven meetings will be held over the county during the week by Mr. Shoffner and at each meeting he will explain the wheat production control plan. Every farmer in the county is urged to attend at least one meeting so that he may hear the plan explained in detail and understand how it is to op-

The first meeting will be held at the court House in Shelby Tuesday evening, Aug. 28, at 8 o'clock. Other meetings will be held as follows: Kings Mountain school Wednesday at 10:30; Waco school Wednesday afternoon at 3; Boiling Springs school Wednesday evening at 8; Polkville school Thursday at 10:30 Belwood school Thursday afternoon at 3; Lattimore school Friday morning at 10:30.

All Cotton Now Plowed Up Here: Look For Checks

No Slackers, No Trouble. Checks Leaving Washington

Now. Every farmer in Cleveland county ived up to his word and his pledge to the government in the cotton acreage reduction campaign, R. W. Shoffner, farm agent, announced to

"All the pledged amount of cotton was plowed up in the county by Wednesday, the deadline day," he said, "and the committees in their check-up didn't find a single man who failed to take up every stalk pledged. I think it is an excellent record and a tribute to our farmers for in carrying out their contracts they destroyed more cotton than any county in

around 14,000 acres. Mr. Shoffner said that with the campaign concluded he desired to express his appreciation to members of the committees and all who rendered valuable service and loyal co-

Just when checks will start com ing to this county, the agent did not know. He has been notified that the government started mailing out checks Monday night of this week and about 50,000 checks are being sent out of Washington daily. At this rate it should not be long until checks start arriving here as the government has stated that 31 checks will be delivered by September 22. The checks for this county will be sent to Mr .Shoffner for dis-
