

# And Still They Come, Another Thousand Enrolled In The Dry Cause Against Liquor Return

Yes, they are determined to prevent any possible return of the legalized liquor traffic to our fair county and have joined the United Dry Forces of North Carolina and pledged themselves to protect the constitution and the 18th Amendment, the home, the church, the boys and girls, the schools, our highways and they propose to vote on Nov. 7th for NO CONVENTION and for the DRY DELEGATE Mr. George P. Webb from Cleveland County.

The names below are only a partial list of the thousands who have signed and are signing, pledging their opposition to repeal, regardless of what other states may do. If you have not joined this honor roll, send your name to Robert H. Gooke, chairman, Shelby, N. C., and it will be published with a succeeding list.
