RHEUMATISM Cripples Him No More

Off to work goes Father—mother laughs with joy—the kids are happy and no wonder. Three weeks ago he was nearly a cripple—the piercing rheumatic pains almost drove him mad—then came a bottle of ALLENRU—a present from a neighbor. In 2 days the agony left—almost like magic—no wonder gloom changed to joy in that modest home.

Within 24 hours after you begin to take ALLENRU for rheumatic pains, backache, neuritis or lumbago the excess uric acid starts to leave your body—in 48 hours the terrible agony is gone—that's why Cleveland Drug Co. and leading druggists everywhere sell it for rheumatism, lumbago sciatica and neuritis. Your first bottle—cost 85c—must give results or money back. adv
