When pa and ma thought everybody was ready, we discovered that should the price fall. Jule and Jerry were not there. We counted the flock twice, and sure enough—they were missing. We finally found Jule hid under the ginhouse and Jerry was in top of a tree over a hundred feet high. We finally got them in line, but they were powerful mad and terribly

Pa held a big book in his hand on his right knee just beyond the 2 younguns and ma had her nice 10cent fan in her left hand where it ing their participation until the would show up well. know anything else till he came January 1. back a week later. Four of us were crying in that picture; I was trying to get something out of my Bertha had a cob in her mouth and the rest of the kids were either crying, grinnnig or were asleep. My face took plumb black; I was in the shade. As soon as the girls and boys got big enough to be ashamed of anything, they tore up that group picture, but I'd give 10 dollars for it today. It was the ugliest bunch of folks I ever saw assembled in one place at one time, that is-except ma and pa; they looked fine.

The Pitt county mutual exchange sold \$100 worth of products at the curb market last Saturday and helped to organize a production credit association for the county.
