

Undeclared Duke Deploys On Tech With Squad Of 26

Blue Devils in Atlanta Today To Defend Record So Far With Out Blemish.

Atlanta, Ga., Dec. 1.—A band of football warriors, strangers in these parts, but accompanied by a well-known figure in grid games here in the past, arrived here this morning to meet Georgia Tech's engineers tomorrow afternoon.

Duke's unbeaten, untied Blue Devils, coached by Wallace Wade, came to town today and this afternoon were limbering up on the scene of Saturday's battle. They find an unmarred record against Tech tomorrow.

Hold Southern Title.
The Blue Devils came here wearing the championship crown of the Southern conference, and of North Carolina's big five. The Wadesmen defeated four foes in each loop.

Duke will also be defending an unbeaten record in the Southeastern conference against the Engineers tomorrow. Duke has met and defeated three Southeastern conference teams—Tennessee, Auburn and Kentucky.

Reserves Win Trip.
There were 26 players in the squad arriving here and they will be augmented tomorrow by the arrival of the reserves, who are being awarded with the trip for their fine work this season.

The Blue Devils have the greatest respect for Tech, realizing they face one of the finest elevens in the south despite their losses this season. Duke has injuries to important men in their attack who may, and may not, be in shape to play.

The First Squad.
In the squad were: Backs, Harry Rossiter, Nick Laney, Horace Hendrickson, Dick McAninch, Corky Cornelius, Walters Belue, Bob Cox, Jack Alexander, Jule Ward, Arlington Kelly, Ends, Earle Wentz, Tom Rogers, Elmer Tardall, Ab Jones, Ed West, Tackles, Fred Crawford, Gus Durner, Nick Porreca, Al Means, Boheeg Saleeby. Guards, Captain Carl Schock, Jack Dunlap, O. C. Britton, Jim Johnston, Centers, E. B. Dunlap, Jack Henninger. Reserves, Sam McCaskill, Isham Kimbell, Jim Ferguson, Woodrow Hayes, Paul Whitener, Larry Collins, J. K. Boling, Ed Migdal, Hency Marshall, Orrin Nordstrom, Frank Sizemore, Sam Trakas.

Cotton Growers Offered Contract

(Continued from page one)

are being printed and directors of extension in cotton states will have their organizations ready to begin the sign-up campaign early in December. No definite date has been fixed for opening the campaign. Cully A. Cobb, chief of the cotton production section, stated today that the signing of contracts would begin as soon as the forms had been distributed.

Maximum Rental \$18 Per Acre
The adjustment administration is seeking, as before stated, to restrict cotton planting in 1934 to \$25,000,000 acres. The producers will be offered a rental, based on the productivity of the land they agree to withhold from production, and a parity payment of not less than one cent per pound on their domestic allotment.

The rate of the rental for each acre rented to the secretary of agriculture will be \$ 1-2 cents per pound on the average yield of lint cotton per acre for the farm in the years 1928-32, inclusive. A maximum rental of \$18 per acre is provided in the contract. The rental payment will be made in two equal installments, the first to be paid between March 1 and April 30, 1934 and the second between August 1 and September 30, 1934.

The parity payment upon the "farm allotment" of not less than one-cent per pound will be made between December 1, 1934 and January 1, 1935. The "farm allotment" is defined in the contract as "40 per cent of that figure, expressed in pounds, which results from multiplying the annual average number of acres planted in cotton on this farm during the years 1928-32, inclusive, by the average yield (expressed in pounds) per acre during the said years."

To Rent 15,000,000 Acres
Approximately 15,000,000 acres will be rented by the secretary of agriculture under the 1934 program, at an estimated cost of around \$125,000,000. The program will be financed, under the terms of the A. A. A., by a processing tax on raw cotton processed by domestic mills.

The program will be administered under the direction of the extension forces in the cotton states, the county agent being the representative of the secretary of agriculture in his county.

County Production Control associations will be organized and charged with local administration of the program. Charter members of the association will be the county committeemen who participated in the 1933 adjustment campaign and who are eligible to sign the 1934-35 program.

Cadets Look Like Sure Winners Over Irish

There was a time when an Army-Notre Dame battle was a tossup, but the meeting of the two elevens at Yankee Stadium, New York, will probably be a walk-over for the great Army squad. Despite brilliant work of individual stars Notre Dame seems a demoralized team, while the Cadets will be fighting to keep their 1933 record clean. Having gotten over a tough game with Navy the boys from West Point have only to hurdle the Ramblers to close the season unbeaten. Above are some of the stars who will clash.

Lattimore, Fallston And Waco Win In County School Basketball Games

In a boys' and girls' double-header at Lattimore Tuesday night, the home team scored decisive victories over Casar. The boys won 47 to 13 and the girls 34 to 21.

The Fallston boys' team defeated Piedmont 32 to 16, while the girls lost by the narrow margin of 15 to 14.

The Waco boys defeated Belwood 21 to 19 while the girls swamped their rivals 45 to 5.

Lattimore won its third game of the season in defeating Casar. Cabiness and Blanton starred on the girls team, while Johnson was high scorer for Casar.

Bulldogs Defeat Cadets To Clinch Jr. College Title

(Continued from page one)

stubborn line whose play was featured by Captain Childers and Putnam, giant tackles. An exchange of punts took place with the Bulldogs forwards rushing the Cadet kickers. Time and again, the kicks were cut short with grasping Bulldog fingers barely missing the ball. Finally, Childers broke through and blocked one on the 10 yard line. The Cadet line held and Ingraham punted to Raper, who returned to the Cadet forty yard marker. After some consistent gaining Hendricks punted to the Cadet two yard line. On the attempt to kick Brown broke through and blocked the kick behind the goal line, Putnam falling on the ball for a touchdown. A pass from Raper to Mauney netted an extra point. The half ended with the Bulldogs slapping down passes.

The third quarter showed the great defensive strength of both teams, the guard play of both teams being especially good. T. Moore and Baker stood out for the Bulldogs with the play of Hill shining for the Cadets.

The final period began with Ben Moore intercepting a Cadet pass which he carried to the 30-yard line. A pass, Raper to Harrill, put the ball on the five and then Hendrick, fullback, ploughed over for a touchdown. The try for extra point failed. At this point, Coach Hutchins sent in all available subs which seemed to be a signal for Oak Ridge to start a furious passing attack. This passing netted a touchdown when Helms snagged one and crossed the line. The try for point was good. The Bulldogs then received but were stopped by an awakened Cadet line led by Logan and Hill. Putnam punted and the game ended with the ball deep in Cadet territory.

The play of Phipps, Helms, Logan and Hill featured for Oak Ridge. For the Bulldogs the entire squad showed to advantage with Raper, Connor and Hendricks leading the backs. The play of Mauney, Brown, Childers and Putnam featured in the line.

REV. OTIS COOK TO PREACH FIRST SUNDAY

Rev. Otis Cook will preach at Parrell's Chapel church on each first Sunday afternoon at 2:30 o'clock. Public invited.

Yesterday's Scores

- Davidson 20, Wake Forest 13. Carolina 14, Virginia 0. Furman 6, Clemson 0. Catawba 0, Lenoir-Rhyne 0. Citadel 14, Wofford 0. Tennessee 27, Kentucky 0. Alabama 7, Vanderbilt 0. Colgate 25, Brown 0. Cornell 20, Penn 12. Oregon 13, St. Mary's 7.

Big Amount Will Be Sought For Nation's Schools

Program Being Prepared For Congress Which Would Give North Carolina \$22,000,000.

Raleigh, Dec. 1.—Educational forces in the United States are preparing a program which will probably be presented to congress in January, asking for an appropriation the amount of which is undetermined, but probably between \$250,000,000 and \$500,000,000, to supplement with federal funds state educational work. It has been authoritatively learned in Raleigh.

While President Roosevelt has not committed himself on this program, it is definite that George F. Zook, new commissioner of education in the Interior Department, is at work on and committed to such a program, to be submitted to congress. It is in line, it is pointed out, with President Roosevelt's program of a redistribution of wealth and is considered an excellent plan to that end.

If the sum is finally fixed at \$500,000,000, the maximum, and goes through on that basis, North Carolina, on a population basis, would receive about \$22,000,000, while if the minimum of \$250,000,000 should become the final figure, this state would, on such basis, receive \$11,000,000.

However, as in the case of other federal aid money, this would probably be distributed on a basis of matching the funds 50-50. On such a plan, even with the minimum North Carolina could reduce her school expenditures about \$8,000,000 from the \$17,000,000 which at the aggregate, the schools will cost this year, and still match the proposed federal fund, receiving in the aggregate, from state and nation about \$22,000,000, which is not far short of the amount spent in this state at the peak.

On that basis, salaries of teachers could be raised almost, or probably entirely, to the point paid at the peak, since economies in other school costs have been effected. It would practically absorb the difference in the \$22,000,000 proposed and the approximately \$24,000,000 spent by this State.

ROBERTS TABERNACLE SERVICES FOR SUNDAY

Sunday morning 10 a. m. Sunday school. 11 a. m. preaching service and holy communion. 3 p. m. program and preaching under the auspices Senior Student board. 7:30 p. m. preaching by the pastor, Rev. B. E. Golphin. Holy Communion. Monday evening 7:30 Rev. J. C. Moore of A. M. E. Zion church will preach for the E. L. chapter. Tuesday evening 7:30 p. m. colored P. T. A. meets at school auditorium. Come. A. K. Roberts, rector.

Lads Of Mooresboro In Win Over Grover

No Score for Grover in First Quarter But 6 in 2nd. DePriest and McBrayer Stars.

Mooresboro, Nov. 29.—Thirty to 14 in favor of Mooresboro was the final result of the Grover and Mooresboro game, which was played at No. 3 last night. And quite a Tarzan thriller it was.

The local lads held their opponents scoreless for the first fast and furious clash, while Williams and Callahan were cutting notches in the handles of their guns. The quarter ended with Mooresboro clinging to 7, Grover not yet in the battle. However, the Grover boys caught the Mooresboro boys streak of luck in the early part of the second quarter and gained 6 points. Jenkins, —Mooresboro's rambling guard, rallied to sink a nice one, ringing the count up to 9 and 6.

Now the half and its usual parity-parleys. Shriek goes the whistle and the game is on its way. Oates and Humphries get connections, and Grover has eased up to 10 points. Moreover, Callahan, who played one of the best games of basketball a Callahan has ever played, heaped the laurels upon his head by the assistance of five additions. Too, Frenchie DePriest, had gone in to teach 'em how to fake shots, and thereby gained four bits. The score was now 18-10 in the local lads' glory.

Professor Huggins, the local mentor took all original players out, with the exception of Jenkins and Bridges the never relenting guards and placed a number of yearlings in. But one of the recruits proved to be a "dark horse." Yes, before a cat could sneeze and turn around thrice McKinney was off and away like a flash to gain 8 points for his team. Then DePriest, and McBrayer, the latter playing his best game this season, found the net, running the score up to 20. Grover, in the meanwhile had run theirs up to 13.

Old Grave Yards Should Be Restored Says Squire Earl

Squire W. D. Earl Suggests That Old Grave Yards Be Made Civil Works Projects.

"While the government is spending money to do public jobs, thus employing men and creating payrolls, I think the abandoned grave yards should be restored," says Squire W. D. Earl.

"There are dozens of old burying grounds in the county that have grown up in weeds and trees. The grave markers, where there were any at all, have fallen and broken. It would be a fine thing if free labor were used to clean up and restore these sacred places," he says.

Sam Ellis and Mr. Earl have talked the matter over and gone before Harry Woodson, county relief administrator to urge that these old grave yards be made public work projects. "Many of the men buried in these places fought for our independence from England. The graves in which they sleep should be cared for and now while this public money is being spent, I hope they can be accepted as civil works projects," says Mr. Ellis.

At The Theatres

"Her Forgotten Past" will be seen today only at the Carolina, with Barbara Kent and Monte Blue in the starring roles. "Three Little Swigs" and a Krazy Kat cartoon will complete the program. Buffalo Bill, Jr., will be shown in "Fighting Cowboy" Saturday. "The Three Musketeers" will be shown in their last chapter, and "Fighting With Kit Carson," a new serial story will begin. "Little Women," starring Katherine Hepburn, will be at the Carolina next Monday.

"Olsen's Big Moment" will conclude a two-day engagement at the Webb today. El Brendel has the title role. A musical comedy reel and news service will be seen on the same program. Saturday brings an entire change of fare, featuring George O'Brien in "Mystery Ranch." Other subjects on the Saturday program will include another chapter of "Gordon of Ghost City" and an entertaining comedy reel. "College Coach" will be the first picture of the week at the Webb.

1934 Autos Tags Are Ready Today

(Continued from page one.)

some 50 cities and towns of the state. The Carolina Motor club, Winston-Salem Motor club and Motor Vehicle department of the state revenue division operate the various offices.

"Period Of Grace"
Last year and in 1931 the motorists who lagged in buying his or her license tag enjoyed a brief "period of grace" through unofficial extension of the license operation period into January for five or ten days.

This year, however, every law enforcement agency in the state will be thrown into high gear to run down license violators after sunrise January 1. Governor Ehringhaus and other officials have announced.

Thus far this year 408,234 pairs of license plates have been issued, compared with 396,164 to the same time in 1932.

It is hoped that some 300,000 pairs of plates may be sold during December, which would put some \$3,900,000 in revenue into the state's coffers. The plates average about \$13.50 a pair.

Reynolds And Pou Stay In Washington

Washington, Nov. 29.—Senator Bob Reynolds and Representative Edward W. Fog are the only members of the North Carolina delegation who will spend Thanksgiving in the national capital. Reynolds had intended to go to Asheville for the holiday, but being anxious to close matters as to patronage now pending he will remain in Washington in order to keep engagements early Friday morning. It was stated today at the office of Senator Bailey that he is expected to arrive in Washington early next week.

New Radio Store Opens In Shelby

Supreme Radio Service opened shop this week in the Washburn building on North Morgan street, next door to the S. P. U. offices. The new radio service shop which will feature all types of radio servicing and repairing, is owned and operated by Frank D. Connor, former serviceman with Pendleton's. Mr. Connor said this morning he also has charge of the radio service for Keefer Motor Co. and Kester-Groome Furniture Co.

Cleveland Has 29 Students At Boone

There are 29 students at the Appalachian State Teachers college at Boone for the winter term, according to a survey recently made by J. M. Downum, registrar. Watagua has 148 students, Wilkes 31, Surry 3, Alleghany 27, Ashe 41, Catawba 24, Davidson 25, Forsyth 42, Gaston 24, Iredell 38, Lincoln 39. Sixty-five counties in the state are represented with 52 students from other states, the entire student body numbering 914.

Ambassador Welles Returns To Cuba

Havana, Nov. 29.—United States Ambassador Sumner Welles, center of a month-old bitter controversy, came back to Cuba today and picked up where he left off two weeks ago when he went to confer with President Roosevelt at Warm Springs, Ga.

To Open Bids Dec. 6 On 9 Road Projects

E. B. Jeffress, chairman of the state highway and public works commission, has announced that bids will be opened December 6 on nine road projects which it is estimated will cost \$350,000.
