

Sellers Wins Decision Over Eaves Cyclone Cook Outpoints Kelly

Gastonia Boxer Gives Exhibition Of Fast Boxing Against Defensive Tactics of Eaves.

The largest fight crowd of the season turned out Friday night to see Don Sellers of Gastonia, battle his way to a decision over Ted Eaves in the main bout of the Co. K fight program.

Don Sellers, 160 pound Gastonia leather-pusher, gave a fast exhibition of scientific boxing, Tex Eaves, the bad boy from Bessemer City, again demonstrated his ability to stand up under sledge-hammer attacks, as well as show that he still has plenty of steam in both paws.

"Cyclone" Cook and "K.O." Kelly, popular Shelby scrappers, furnished plenty of entertainment by putting on eight rounds of fast, solid action. Cook's round-house right was working hungrily, and his left was cooperating.

Onnie Baker of Shelby made his ring debut Friday night. When the bell sounded for the first round, Baker promptly flew into Wilson and scored a knockout.

Shelby Divides Twin Bill With N.C.S.D. Teams

Boys Game Fast Scoring Contest With N. C. S. D. Having Edge. Shelby Girls Win.

In a fast, colorful set of games played on the local court Friday night, the North Carolina School for the Deaf took one from the Shelby boys by the score of 43-30, while the Shelby girls continued their winning streak 28-15.

Seldom has such a fast charging team been seen on the Shelby court as was here Friday night. Led by their center, Deveney, who scored 16 points, and Whitehurst, forward, with 15, the N. C. S. D. boys loosed a smooth passing attack, and displayed some accurate shooting to roll up a score of 43 points against Shelby.

The girls game was a repetition of previous contests with Captain Poston again leading the scoring with 16 counters. Wright and her guard teammates again gave a smooth exhibition of guarding. This Shelby girl's team evidences that it is almost if not as strong as last year's championship aggregation.

Shelby meets Forest City here Tuesday, and Gastonia here Friday night.

Two Shelby Boxers Leave For Tourney

"Bob" Hyder and Wallace McGinty, popular Shelby fist-slingers, leave tomorrow for Charlotte to take part in the big Golden Gloves boxing carnival which opens Wednesday afternoon. Both boys seem to be in tip-top shape, and are taking with them the best wishes of a host of admirers in this and in other sections of the state.

There will be eliminations Wednesday afternoon, and then a full program of boxing will be staged on Wednesday, Thursday, Friday, and Saturday nights. The bouts are so arranged that the field will be trimmed to sixteen contestants after Saturday night's decisions are rendered.

Fallston Takes 2 From Piedmont

Goodson's Team Shows Power in Win Over Fighting Piedmont. Girls Triumph Easily.

The "Flying Five" from Fallston hung up another triumph in a 30-21 victory over a fighting team from Piedmont High school Friday night. The game, played on the Fallston court, saw two strong defensive teams clash, the margin of victory being determined by the superior shooting of the Fallston forwards. The girls game was slow, with Fallston having a decided superiority which netted them a 24-8 win, in spite of the desperate battle put up by the Piedmont misses.

The Fallston girls led throughout the conflict, the scores at quarter periods being 5-3, 11-3, 15-7, and a final score of 24-8. A little forward by the name of Stamey dropped 14 of her team's 24 points through the hoop to walk off with all individual scoring honors. Mauney and Ford each scored four points for Piedmont.

Goodson's five lived up to all predictions although they met unexpected opposition from the red team from Piedmont. Piedmont opened up with a fast passing game which baffled Fallston for a few minutes, and scored the first shot although Fallston soon evened things up with two foul shots, and forged ahead gradually until they were leading by 6-2 at the end of the period.

Both teams speeded up in the third period. Fallston's defense tightened up and Piedmont's passing increased in accuracy and speed. Wright continued his performance, scoring eight points in this period. Score at end of third, 24-16 with Fallston still in lead.

Piedmont went into the final quarter determined to fight until the end, and rushed Fallston off their feet for a few minutes until the defense again tightened, the game finally ending, with the score standing at 30-21.

The game turned out to be one of the best seen on Fallston court this season. Coach Wilson's Piedmonters put up a game fight, and were never licked until the end. Fallston's offense was slightly slower than usual, but their defense was flawless. Wright for Fallston dropped 14 points through the hoop, and Fortenbury, Fallston and Cornwell, Piedmont scored 7 each.

Piedmont has an outstanding engagement on the slate for the coming week. Tuesday night, Mooreboro comes to Piedmont for a double header that will bring forth a display of fireworks. Fallston plays Belwood at Fallston tomorrow night.

Polkville Divides 2 With Fallston

Large Crowd Witnesses "Homecoming" Event Tuesday Night. Polkville Girls Win.

In the biggest game of the year, as far as the supporters of the teams are concerned, Fallston and Polkville divided a double header Tuesday night at Polkville. Both games were hard-fought, the scores falling to indicate the close fight between the teams.

The Polkville girls triumphed by the score of 23-18. Their passing and defense was just a shade better than Fallston, just enough to account for the difference in the score.

In the boys game, Fallston stepped into their stride and rolled up a total of 23 points, while their water-proof defense held Polkville down to eight points. Wright, big Fallston forward who never misses a shot once he gets near the goal, dropped through 14 points for high score. Grigg of Polkville showed his true mettle by scoring six of his team's eight points.

Two All-Stars Teams Meet On Wednesday

The All-Star teams of Lattimore and Grover will meet Wednesday night on the Lattimore court. Both teams have unusually strong teams, the Grover team having defeated one of the outstanding teams in the county, No. 3 high school, by a score of 31-16.

Rivalry Grows As Lattimore-No. 3 Game Approaches

First And Second Place Teams To Clash Tuesday Night. Fireworks Expected.

Lattimore meets one of its biggest opponents and newest rivals when it takes on No. 3 high school in a twin bill at Lattimore Tuesday night. This game is drawing a great amount of interest around Lattimore because No. 3 has the reputation of springing surprises and upsetting dope buckets. They have lost only one conference game, that to Lattimore, and are in second place in the conference race, while Lattimore occupies the first position by virtue of a spotless record.

The teams from this school down near Earl, even though it is a comparatively new school, have hung up an excellent record of good athletics and clean sportsmanship, and have been bitter rivals of Lattimore for the past two or three years. Nevertheless, clean playing always prevails between the teams, regardless of the intensity of the rivalry.

The No. 3 girls defeated Lattimore in their previous encounter, and Miss Collin's team will be out for revenge, just as much as the No. 3 boys will be. The game is expected to draw a large gate, because of the keen competition between the teams, and from all indications, will furnish a man-sized display of fireworks.

Lattimore Wins Two From Belwood Quints

Towery And Hicks Offensive Stars In 54-32 Victory. Lattimore Girls Win 45-9.

Lattimore won a double bill Friday night by trouncing Belwood high, the scores being, boys, 54-32, and girls, 45-9.

The girls game was slow starting, but soon turned into a massacre, as Belwood was helpless against the superior Lattimore forwards, who scored almost at will. Cabiness shot 17 and Blanton 16 points respectively to lead the scoring, while Peeler was high for Belwood with four points.

The boys game saw both teams scoring fast and furiously, with Lattimore having the edge. Captain Towery sank 16 and his running mate Irvin, 14 to lead Lattimore honors. Hicks for Belwood dropped 16 pointers through and his colleague eight to lead their teammates. Hunt, Lattimore, and Grigg, Belwood turned in a flashy defensive performance.

Lattimore meets No. 3 Tuesday, and Belwood clashes with Fallston the same night.

Bulldogs Annihilate Mitchell Cage Team

Coach Hutchins' Boiling Springs Bulldogs defeated the Mitchell college five by a score of 58-14 in a game played at Statesville Friday night. Wilson led the scoring with 18 points, while Connor with 11 and Mauney with 10 took second and third places. Kimmons was Mitchell's scoring ace with nine points to his credit.

Cliffside And K. M. Split Double Bill

Kings Mountain, Jan. 28.—Kings Mountain divided a fast double header with Cliffside here Friday night when the girls won by a score of 39-27 and the boys lost to the tune of 45-20. Jean Ware of Kings Mountain led the scoring for the girls with 23 points. Helen Williams was next with 17 points. Francis Allen starred on the defense. Blackwell and Thornburg of Kings Mountain led for the boys.

Kings Mtn. Bowling Teams Clash Again

Kings Mountain, Jan. 28.—The Midway team defeated the Uptown team in a second bowling match at Campbell's Bowling alley Friday night in a lead of 83 points. High score was held by Warlick on the Uptown team making 561 points. Mitchem was high man on the Midway team piling up 524 points.

Pork And Eggs For Lincoln Co. Relief

Lincolnton, Jan. 29.—A total of 1,800 pounds of pork and 540 dozen eggs have been received here by authorities for distribution among the needy. Already 150 dozen eggs have been given out, and the supply will shortly be exhausted. In other words, America won't admit convict-made goods to compete with honest labor unless the convicts are Americans.

38 Per Cent Of Road Money For State Allotted

State Has 112 Projects Underway With Many More To Come In 9 Million Allotment.

By M. R. DUNNAGAN Raleigh, Jan. 29.—Approximately two-third of the \$394,000,000 apportioned for state highway work, or \$251,788,000 has been allotted to states and contracts had been awarded using \$215,160,000 of this in the first six months of the operation under the recovery act, the January issue of American Highways shows.

The table shows that \$30,993,319 has been paid in cash to the 48 states up to January 1 in the public works program. The apportionments amounted to 63.9 per cent of the total authorized and 54.6 had been placed under contract. The projects approved reached 5,287 and 4,494 of these had been let to contract. In December the men actually employed reached 129,346.

North Carolina has been apportioned \$9,522,293 and up to January 1 \$3,645,000 of this, or 38.3 per cent

had been allotted for approved work, which embraced 112 projects. Contracts had actually been awarded to use \$2,779,000 of the apportionment, of 29.2 per cent, on 91 projects. Payments of federal funds to this state to January 1 reached \$394,816, and this state had spent on construction only during the period \$455,000. This does not include maintenance. In December 2,446 men were actually employed on these projects.

85 Is Not Too Old For Appendectomy

Lincolnton, Jan. 28.—They don't get too old here in Lincoln county to have their appendix removed. Mrs. Henry McCaslin, who will be 85 years old in March, is recovering satisfactorily at the Lincoln hospital from an appendectomy performed this week by Dr. W. F. Elliott of the hospital staff. Attaches could not recall any instance where a patient of this age had undergone such an operation.

Roosevelt Said To Favor Tax On Surplus Cotton

President Ready To Switch Over To Compulsory Measure if Voluntary Reduction Falls.

Washington, Jan. 27.—President Roosevelt was said by Alabama members of congress to be ready for a switch to compulsory control of cotton production through a prohibitive tax on surpluses.

The president was said to have made his decision when told that the voluntary acreage reduction plan threatened to break down. Senator John Bankhead, Democrat, Alabama, who already has introduced a measure to provide rigid control, said senators and representatives from the middle west were studying the possibilities of applying the same plan to wheat. The senator and his brother, Representative Bankhead, Democrat Alabama, called at the White House and told President Roosevelt that intensive cultivation and non-cooperating farmers would defeat the voluntary acreage reduction program to regulate the cotton market and raise returns to farmers.

Encouraged by the talk with President Roosevelt, the brothers laid plans to press for immediate action on compulsory control legislation which would affect this year's cotton crop. Meanwhile Secretary Wallace continued preparation of a question naire which will be sent to 32,000 farmers in every county of the cotton belt to determine their attitude on baleage power and acreage control.

Wallace has stated he would support the legislation, if the southern farmers show they want it. Senator Bankhead said yesterday the president gave the impression that he was convinced the farmers wanted the rigid plan. Under the surplus tax plan each farmer would be allotted the number of bales he would be expected to grow by usual farming methods on reduced acreage if he were cooperating with the acreage reduction program and farmers not now cooperating would be forced to lose the advantages they seek to gain by not joining the program.

When J. R. Wallace of Hickory, Catawba county, opened his trench silo recently to begin feeding, he found the ensilage in perfect condition. None needed to be discarded he said.

New Mica Plant Opened In Marion

New Mill Will Increase Employment. Only One of Its Kind In McDowell County.

Marion, Jan. 28.—The Marion Mica Mills, Inc., with W. K. M. Gilkey Jr., president and general manager, began operations Monday. The plant is located south of the Southern railroad and east of Henderson street, and for the present will employ about 10 men.

"This is a new enterprise for this section," Mr. Gilkey said, "and we cannot tell just yet what the possibilities for a future business are as we have not gone into the markets extensively. But there are many uses for the powdered mica, such as we can manufacture from the great stores of scrap mica available within a radius of 25 or 30 miles of Marion, and we believe a profitable market can be developed. We will confine our business to the use of scrap mica for the present," Mr. Gilkey said, "and the capacity of the mill will run about 6,000 to 10,000 pounds per week. Mr. Gilkey stated this was the only plant of this kind in McDowell county, but believed one operated about 30 years ago on Armstrong creek."
