RESOLUTIONS OF RESPECT. Whereas, God in his infinite wisdom has seen fit to remove from our midst and call to his bosom, Leander S. Hamrick, director of the Cleveland Building and Loan association, we have been instructed by the unanimous vote of the stockholders in annual session, to extend to the family our deepest sympathy in their bereavement.

We are not unmindful of the fine business judgment our beloved friend displayed in the successful conduct of our association, we appreciate the time he spent in attending the meetings, we profited by his wise counsel and advice and shall ever cherish his memory.

Mr. Hamrick's life was not only a blessing to his family and to the community, but to young and old alike. He left an example of thrift and industry which all of us would do well to emulate. He believed in and practised in his daily life the scriptural injunction in which we are commanded to work for six days, then rest and worship on the seventh or Sabbath day. During the week, he worked passionately and on the Sabbath day he was always found in the House of God. Truly, such a man will be greatly missed in our community.

Therefore, these resolutions are ordered spread upon the minutes of the Cleveland Building and Loan association, a copy sent to the bereaved family and a copy published in The Cleveland Star. This February 22nd, 1934.

M. A. McSwain, C. RUSH HAMRICK, LEE B. WEATHERS, Committee.
