

Kings Mountain Post Sponsors Baseball 9 For National Tourney

Will Be First Team From Cleveland

Will Assemble Material From Whole County For Legion Amateur Team.

For the first time in history, a Cleveland county American Legion team will sponsor a county-wide amateur baseball team to enter the national meet. This year, the Kings Mountain post will produce the team. As it appears to be the only post in the county that can enter a team, material can be gathered from the entire county, and reports from different sections indicate an abundance of youthful stars.

Competition for places on the team will be open only to boys who are amateurs (that is, boys who have not been paid for playing baseball), and who will not have attained their seventeenth birthday before June 30, 1934.

To Form League In order to get a large number of boys to playing baseball, plans are being made to get up a number of leagues within the county. These teams will play each other during April, May and part of June, at which time the outstanding players will be selected to try out for the main team. The pick of the lot will practice during the last two or three weeks of the state tournament beginning in July.

It is hoped that someone in each town, country and mill community in the county will take enough interest in the boys to organize a team for the county league. There is no "red-tape." All that is necessary for entrance is to assemble the best amateur players who can qualify as to age, and get in touch with Charles F. Thomasson at Kings Mountain who will arrange games with other teams. There should be outfits from Mooresboro, Lattimore, Boiling Springs, Lawndale, Waco, Grover, Polkville, Piedmont, two or three teams each from Shelby and Kings Mountain, and from any other part of the county.

Eighth Year Of Tourney The 1934 junior baseball season will be the eighth year in which the American Legion has provided a nation-wide opportunity to all boys under seventeen years of age to play America's own game. State, regional, section and final tournaments will be played. Last year, Gastonia went to the finals of the sectional tournament held in Springfield, Ohio, only to lose because of a streak of bad luck.

This year, the state tourney will be held in Charlotte, while Gastonia will get the regional tilt. The organization of county league teams should be reported within the next week or ten days.

Duke Nine Invades Davidson For Pair Of Baseball Games

Wildcats And Blue Devils Clash Thursday And Friday: First Meeting This Season.

(Special to The Star.) Durham, April 11.—Coach Jack Goombs' Duke ball club invades Davidson tomorrow afternoon for a two-game series with the Wildcats tomorrow and Friday.

Reynolds May, Duke right-hander, will probably get the call for one of the games against the Wildcats. The junior pitcher worked against Elon last Saturday before the game was rained out mid-way of the fourth, and allowed them only one hit in three stanzas.

Jim Thompson, veteran right fielder, will return to action in the games with Davidson. He has been out for several weeks with a leg injury. Duke's lineup and batting order: Bell, second; Thompson, right-field; Weaver, first; Wagner, catcher; Cornelius, centerfield; Michael, shortstop; Hendrickson, third; Wentz, leftfield; and the pitcher. Davidson started off the season with three losses to Big Five teams, but with a revamped line-up, turned around and laced N. C. State, in the final game of their two-game series.

Stokes County Girl Takes 30 Hour Nap

Miss Maude Southern, a 20-year old girl of King, Stokes county, who was apparently in a normal condition, physically, fell asleep Sunday morning and repeated attempts to awaken her proved futile. Two physicians were summoned but they also failed to arouse the girl from her slumber. She slept on until Monday afternoon when she gradually awoke. She complained of headache and pains in her side, otherwise was none the worse for her slumber of 30 hours.

No. 3 Pitcher Tosses No Hit, No Run Game

Accomplishing a very seldom done feat, Frank Cornwell, hurler for No. 3 high school bottled up Mooresboro last Tuesday with a no hit, no run performance, to give his school a victory by a 3-0 count.

Cornwell, in the opening game of the season, presented such a repertoire of balls, that he had the Mooresboro sluggers swinging wildly all afternoon. He was given extraordinary support in the field, but his sterling pitching was the deciding factor in making the record. Friday, Kings Mountain licked No. 3 12-4, and immediately ranked itself as a dangerous team in county and conference competition.

Cherryville Wins Clash From Shelby In Error Comedy

Lick Shelby Highs By 13-4; Locals Make Total Of 11 Errors During Game.

In a comedy of errors which saw Shelby highs booting, kicking and wildly throwing balls all over the lot, Cherryville yesterday afternoon triumphed over Morris' boys by a 13-4 count. The locals made a total of 11 errors during the hectic afternoon.

Shelby outdid their opponents throughout the game, but were unable to turn the safeties into runs in pinches. Cherryville collected a total of 10 hits off Williams, making the largest majority of their scores through Shelby errors. The locals batted them all over the field during the game, getting 14 hits. Big Jim Ervin, catcher, got three to lead his teammates. Sparks, Shehan and A. Kale got two each. K. Smith led Cherryville's batting spree with three safe blows.

Shelby has been gathering a large number of hits during their first encounters, winning two games, and losing three. Most of their losses have been through errors in fielding. As soon as the rookies on the team settle down and get a little more experience, their victories should far outnumber their losses.

Friday afternoon, the locals return home for a three game series, during which they will play Kings Mountain, Forest City and Gastonia. Kings Mountain is reported to have an unusually strong outfit this year, and will come here Friday with high expectations of licking the local nine. The Forest City game comes off next Tuesday.

Qualifying Rounds For Golf Tourney Opens This Week

To Decide Club Champion For Cleveland Springs Golf Club.

Old business men, young business men, doctors, lawyers, and merchants will be out on the Cleveland Springs golf course during this week-end and throughout the next two weeks, putting forth every effort to break par of 72 or to come as near to it as possible.

The time for another club tournament has rolled around. The members have not held one for two years and the champion of the last one, Harry Umsted, has since moved from this city, leaving the club without a champion. Qualifying rounds will last for two weeks, after which scores will be compared for division into flights. Flight competition starts immediately after all qualifying scores have been turned in.

The club has approximately 75 members, practically all of whom will enter the play. The tournament will have special interest because it is going to be purely local, with no one participating who is not a member of the club.

Wildcats Will Try To Get Revenge On Shelby Mill Team

The Mooresboro Wildcats will open the baseball season at home, April 21, playing the Shelby Mill team which defeated them for the county championship last year. The Mooresboro fans are looking forward to another successful season with Shay Wall as manager. New uniforms and other equipment has been purchased for the season.

Old Rivalry Flares Between Lattimore And No. 3 School

Two Teams To Clash Tomorrow Afternoon At Lattimore In First Engagement.

The age-old rivalry between the supporters of Lattimore and No. 3 schools is flaring anew as the two teams prepare to battle on the baseball diamond tomorrow afternoon in their first encounter of the season.

Lattimore thus far has won two out of their three games, both by substantial margins, and has demonstrated plenty of slugging power, as well as an air-tight defense.

No. 3's star pitcher tossed a no-hit no-run game for his first performance of the season, a feat unequalled in years here in Cleveland county. The Patterson-Earl nine lost their second engagement to Kings Mountain, but will be fighting for a victory over Lattimore.

The game has every earmark of developing into an exciting clash, and it is assured that supporters will turn out en masse for the game in Lattimore tomorrow afternoon.

Construction Is Up 118 Per Cent

Baltimore, April 10.—Contracts awarded for construction, building and engineering projects in the 16 southern states were 118 per cent greater during the first quarter of 1934 than in the same period of 1933, the Manufacturers Records reports.

The contract reached a total of \$143,014,000 for the first three months this year compared with \$65,559,000 for the same period in 1933, and \$52,970,000 for the corresponding period of 1932.

This Hen Lays 2 Eggs Per Day

Oeracoke, April 10.—Bennett Howard, retired sailor, has a hen that for the past two weeks has been working overtime—laying two eggs every day. Howard says the fowl lays the eggs—one hard and one soft shelled—between sun-up and sundown. He doesn't know what kind of hen it is.

V. A. Powell had the misfortune of getting his leg hurt last week while stepping from a truck. Miss Helen Morrison of Shelby spent the week-end with Miss Viola Jenkins.

Mr. and Mrs. Troy Greene and family of New House spent the day Sunday with Mr. and Mrs. John Elliott.

Greensboro's Auto Fatality Rate High

Stands Next To Bottom In Group Of Forty-Three Cities Of Its Population Class.

Greensboro, April 10.—Greensboro's accident record to March places this city 42d from the top in a group of 43 cities of its class in the United States, according to statistics received yesterday at police headquarters from the National Safety council.

This was something of a fall from grace for Greensboro, which heretofore had been ranked well above the average.

To March, 1934, Greensboro had a total of four automobile fatalities as compared with one for the same period in 1933, the statistics show. This gives this city an automobile fatality rate of 37.3 per 100,000 population.

Anne Cannon Smith Back From Arkansas

Concord, April 10.—Anne Cannon Reynolds Smith was back at home yesterday after a 90-day residence in Arkansas, where she filed suit for divorce from F. Frandon Smith, Jr., of Charlotte, her second husband.

She must wait 60 days for her decree. Her complaint was filed Friday.

Her father, Joseph Cannon, millionaire business man, former textile manufacturer and banker, who is defendant in a \$250,000 alienation of affections suit filed by Smith, remained in Hot Springs. He suffered a heart attack several days ago, and although recovering rapidly, decided to wait another week before returning here.
