Weathers to Run **Recorders** Court **On Cash System** New Judge to Tighten **Up**, He Declares Takes Office Tuesday; Wants To Observe Decorum Of The Superior Court.

Bynum E. Weathers, who Tuesday morning will succeed Joe E. Wright as judge of the recorder's court, said in an interview this morning that he intended to put the court on a strictly cash basis. that he would change no sentences after they had been handed down from the bench, and that he would insist on running the court on the same lines on which the superior court is conducted.

"They've known me as an easygoing fellow around here," he said. "but that's not what I'm going to be from now on. Nothing but the laws of North Carolina shall govern this court. The office of the recorder is judicial, rather than administrative, and it will not be my place to take part in raids. I shall not prepare any warrants, leaving that to the clerk and the soli **Plays** No Favorites

"I want everybody to know that there is no particular statute or law that I shall try to enforce as a hobby. I want to see that all the favorites either with laws, or with classes, or with friends.

"And I want to give this warning: the court will be on a strictfound guilty, or they will be given into the custody of the sheriff. As for sentences, I shan't change them. The only way to get a sentence reconsidered is to re-open

the case for trial. Swear On Bible

"Another thing: I'm going to ineach other with knives; and a man the Bible, just as they are in the sist that all witnesses be sworn on higher court.
