

Cloth Mill to Play Chiefs Again Friday After Losing Opener

Undismayed By 11 To 1 Defeat In First Fray; Shelby Nine Looks Smart And Will Improve With Practice

No whit dismayed by the drubbing they took in the season opener Saturday, when the first AA club ever to play in Shelby measured them for a 11 to 1 defeat, the Cleveland Cloth Mill team grinned back and said, "come and try us again."

And that's what'll happen.

Cleveland Cloth mill will play Syracuse again on Friday afternoon, here, at 3 o'clock. Syracuse pays Shelby the compliment of shifting their game with Charlotte to Thursday in order to fill the engagement.

Behind In Training

The Cloth Mill's defeat apparently bothered the fans no more than it bothered the team. After all, double A ball is far and away out of semi-pro class, and on top of that, Syracuse had some several weeks training advantage over the locals.

Shelby's lonely rally came in the fourth. When Rayley lifted a beaut over the fence. The first home run of the season, though, was tapped out by DeLassandro, Christian right slider, in the third. Other low batters were by Bobby Coombs, pitcher and Joe Cleora, left fielder.

Shelby's lonely rally came in the fourth. When Rayley lifted a beaut over the fence. The first home run of the season, though, was tapped out by DeLassandro, Christian right slider, in the third. Other low batters were by Bobby Coombs, pitcher and Joe Cleora, left fielder.

Langford started for the Cloth mill and yielded to Hughes after the fatal sixth.

All in all, the Cleveland team looked smart. Fielding was excellent. Cricker, Weathers, playing at second in the latter part of the game, made a remarkable catch, running into outfield territory to do it, and Redfern, Leonard and Friday picked up a neat one in the ninth.

The line-up:

	AB	R	H	O
Syracuse	3	1	1	0
Dallessandro, rf	3	1	1	0
Hearn, rf	1	0	0	0
Torpper, 2b	2	0	0	0
Markward, 2b	2	0	1	0
Watwood, 1b	3	1	0	0
Shelvin, 1b	2	0	0	0
Wera, 3b	3	0	0	0
Grossman, 3b	2	1	1	0
Cleora, c	3	0	1	0

Putnam Pitches 1 Hot Game, But Loses Contest

FOREST CITY, March 30.—Pitcher Putnam, of Mooresboro, allowed Forest City high only one hit Friday but he lost the ball game 1 and 0.

The locals came through for the lone tally in the seventh when Jones doubled, stole third base and came home on a sacrifice. Mooresboro tapped two local hurlers, Morgan and Doggett for four safeties but were unable to come through in the pinches. Pitcher Putnam hammered two doubles.

Mountaineers Win Over Newton 14-3

KINGS MOUNTAIN, March 30.—Kings Mountain high walloped Newton high school 14-3 Friday. Early pitched six hit ball and had a perfect day at bat with three hits, one a home run. McSwain also had a big day at bat with four hits in five tries while Morrison and Self had three each for Newton.

Kings Mountain Loses To Junior College By 11-6

Boling Springs junior college Bulldogs took their second win of the season over Kings Mountain there Saturday by the count of 11-6.

There were three triples banged out during the game as White, Mountaineer ace got the first one and Baker and Ray for the winners got the other two. Baker's in the seventh netted three runs for the collection.

In the hurling duel between Hawkins and Ford, Hawkins struck out seven and Ford five. The college team got 14 hits and Kings Mountain ten. Kings Mountain was leading 2-0 at the fourth.

High Second Team Wins Over S. Shelby

The Shelby high school second team defeated the South Shelby midsize in a fast game Saturday morning by the close score of 11-10.

Features of the game were the hitting tactics of James Morehead for South Shelby, and of Chick Morehead for the winning team.

Request Museum At Kitty Hawk; To Honor Wright

CHARLOTTE, March 30.—Representative Lindsay Warren was requested yesterday by The Carolinas, Inc., which has headquarters in Charlotte, to endeavor to get the federal government to have a replica of the original Wright brothers aeroplane built and a museum erected at the site of the first successful flight at Kitty Hawk on the North Carolina coast to house it.

At the suggestion of R. Bruce Etheridge, director of the department of conservation and development of the state government, and W. O. Saunders, Elizabeth City, newspaper publisher, the organization will not attempt to bring the original plane from England to North Carolina.

Mr. Saunders visited Orville Wright in Dayton in 1927 in an effort to obtain the plane, but Mr. Wright was obdurate in his determination to leave it at South Kensington, England. Mr. Saunders claims that the plane that made its successful and historic flight at Kill Devil Hills on December 17, 1903, was later wrecked. Most of its wood work was splintered and made into souvenirs and the cloth on the wings went into souvenir handkerchiefs. He said most of the plane now in England is a rebuilt machine entirely.

The senate seems now agreed upon a motor vehicle license fee of 45 cents on the 100 pounds, reduced from 55 cents, with \$8 as a minimum, instead of \$12.50. The measure has to pass three readings on different days.

Also the senate agreed to submit to the voters the adoption of constitutional amendments, agreed upon by factions in the fight last year, except that it was adverse and voted out the provision to take justices of the peace out of the constitution and make the positions statutory. The amendments would increase the income tax limit to 10 per cent; limit public borrowing; classify property for taxation; exempt homes to \$1,000; establish a system of inferior courts, and create a criminal division of the superior courts. The bills go to the house.

The house passed the senate bill to provide for a joint board of 12 men for the present tubercular hospital and one provided for the western section.

The senate election laws committee frowned upon two bills, one to elect the commissioner of revenue, the other the highway chairman. It also killed the bill to abolish the absentee ballot law.

A bill to pay \$30 each a month to the two negroes whose feet were cut off as the result of punishment while in penal servitude has been introduced.

Grover Girls Basketball Team

Here are the girls who led Cleveland county's girls basketball race this year in the 20 game official schedule. They lost only two games, have no tie games and the only thing against their record is that Fallston has tied 'em for standing by virtue of a game with Casar in which both teams claimed victory.

Back row, left to right, Stewart, Biddix, Estelle Briggs, Coach; Bumgardner, Hughes. Front row, Bird, Beam, Moss, (captain) Bonnie Moss (mascot) Crisp, Bird, Herndon.

Six Major Appropriations Approved By Legislature

(Special to The Star) RALEIGH, March 30.—Clearing the deck for action on the question of allocations for public schools, the house of representatives, sitting as a committee of the whole, adopted tentatively today six major sections of the biennial appropriations bill.

Controversy over proposed appropriations of \$20,031,000 for the first and \$20,000,000 for the second year of the biennium for public instruction is expected to cause the first real fireworks in the lower chamber's consideration of the spending bill.

The house of representatives, after passing on its third reading the troublesome revenue bill Tuesday and sending it to the senate Wednesday, again went into a committee of the whole Wednesday and went at the appropriations bill with such vim as to indicate that it will be completed by the time this article appears, unless snags hold it up.

The senate, on receiving the revenue bill Wednesday, referred it to its finance committee, which Wednesday afternoon heard objections to new sections written into it in the house, including the heavy tax on chain filling station and the tax on individual income from domestic corporations. Chairman Harris Newman, of the senate finance committee, promised to get the bill back to the floor of the senate within a day or two, when that body will begin its grind Senator Lee Graves, Nash, is expected to lead opposition to the three per cent sales tax provision, but belief is that the senate will adopt it.

The house spent its Wednesday morning and Wednesday night sessions on the appropriations bill. It was expected to be completed not later than Thursday, and started on its readings. Early attempts to change it failed, and belief is that it will go through in about the form it came from the committee. Chairman Victor Bryant, Durham, of the house appropriations committee, is its pilot. Slight changes made had the approval of the chairman.

The revenue bill, which took a peculiar turn Monday, was delayed one day in its final passage by the house, when the McDonald-Lumpkin bloc mustered enough strength to reduce the sales tax from three to two per cent, Monday, by a vote of 52 to 44, only to lose again the next day, when the rate was again made three per cent by a vote of 64 to 50. Since no changes were made, it was held by Speaker R. G. Johnson that the bill was still on its third reading. The Monday display of strength of the anti-sales bloc was unusual.

The senate has pretty well cleared its calendar, in anticipation of the revenue bill, but the house which took up the appropriations bill, finds many bills ready for its attention, which can be given while the senate is on the revenue and appropriations bills. Progress made indicates adjournment can be reached within, maybe less than, three weeks, although unexpected trouble may extend the time.

The lethal gas chamber, as a means of inflicting the death penalty by the state, has the unanimous approval of the joint committee on penal institutions, as contained in a bill introduced by Dr. C. A. Peterson, Republican. This may be highly controverted on the floors, however. The bill to set up a parole board was referred to a sub-committee for further study. Improvements in the parole system are being worked out by Governor Ehringhaus and Commissioner Ed-ward Gill.

Erwin Is Hopeful For State Schools

WINSTON-SALEM, March 30.—State Superintendent of Education Clyde A. Erwin is still hopeful the general assembly will endorse his \$22,000,000 school program, he said yesterday upon arriving on the scene of the fifty-first annual convention of the North Carolina Education association.

Not unduly downcast by the action of the house in sending on to the senate yesterday a revenue bill carrying two millions less in school appropriations than he had asked for, Superintendent Erwin said: "We shall have hope in the senate. But even if we lose the fight, I think it is a significant victory in that we have been warmly and cordially received by the members of the general assembly."

There is no doubt but that most of the members are genuinely friendly to our cause. The biggest obstacle to overcome is a source of revenue."

Kings Mountain Pastor Resigns

KINGS MOUNTAIN, March 30.—The council of St. Matthews Lutheran church has accepted the resignation of Rev. C. K. Derrick, pastor, which was presented at a call meeting Sunday evening. Pastor Derrick explained to the council he had accepted a call as pastor of St. Andrews Lutheran church, Charleston, S. C.

Just Ten Years Ago

(Taken From The Cleveland Star of Friday, April 3, 1925.)

The members of the American legion have already held two meetings with the merchants of the city and have planned to have in addition to the big circus program which will hold forth all next week, a trade week with sales conducted by nearly all the merchants of the city offering special prices on all spring merchandise, with free tickets to the circus with cash purchases of \$5 or more. This trade week proposition has been very successful in many towns in this and other states.

Ab Harrill, Jr., son of Dr. and Mrs. Ab Harrill of the Patterson Springs community, was unhurt in the Murphysboro, Illinois storm about ten days ago when a death toll of one thousand was taken in the mid-west. In the city of Murphysboro where Mr. Harrill was manager of a department store for Askin Company, there were nearly 200 killed.

Back in the winter of 1908 Sam Adams, colored and having witnessed the passing of about one-half century, was arrested near Kings Mountain on a larceny charge by a deputy sheriff and placed in the calaboose at Kings Mountain pending the arrangement of bail. It was cold! After securing his freedom Adams contended that his feet were frozen while he was held in durance vile. So—naturally—a suit was instigated against the town of Kings Mountain. The case came up court here this week, but Sam, with his frost-bitten toes, failed to pocket any of the town of Kings Mountain's cold cash. In fact the affair ended in a non-suit.

Announcement has been made that John W. Doggett, Grover Bean and Ben Suttle will form a company to engage in the real estate business in Shelby and Cleveland county. They have just formed a partnership, but have not selected the name of the company or the location for an office. They offer \$5 to the person who will suggest the most appropriate name for the new company.

The biggest verdict award for damages known to the civil courts of Cleveland county was rendered Wednesday when Grover Medford, former textile operator in Rex Spinning company plant at Gastonia, was awarded \$15,000 for an arm lost in their plant in April 1923.

Johnny Hudson, Shelby boy and son of Mr. and Mrs. H. T. Hudson, leaves Friday morning for Knoxville, Tenn., where he will join the Knoxville club of the South Atlantic league as outfielder. Hudson, a former State college star in baseball and football, is well known in professional and semi-professional baseball, having played with Columbus in the American association, with Shelby in the Blue Ridge league and other circuits in addition to performing with many fast semi-pro outfits in the Carolinas section. The fact that he will perform in the Sally this year will take many Shelby fans to the games Knoxville has scheduled with nearby clubs in the circuit.

John Golden's "Seventh Heaven" presented last Monday night at the Princess theatre, was the best stage plays ever shown in Shelby. The drama came to Shelby heralded as one of the most successful Broadway has ever known and the reputation was sustained by the reception given the performance by the large crowd that witnessed it.

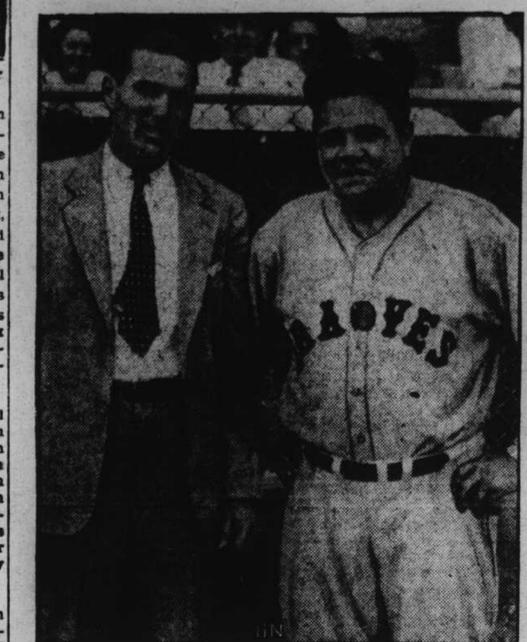

Miss Elizabeth Roberts has returned from a visit to Florida. She spent Sunday in Spartanburg, S. C. Born to Mr. and Mrs. Ben Suttle yesterday upon arriving on the scene of the fifty-first annual convention of the North Carolina Education association.

Not unduly downcast by the action of the house in sending on to the senate yesterday a revenue bill carrying two millions less in school appropriations than he had asked for, Superintendent Erwin said: "We shall have hope in the senate. But even if we lose the fight, I think it is a significant victory in that we have been warmly and cordially received by the members of the general assembly."

There is no doubt but that most of the members are genuinely friendly to our cause. The biggest obstacle to overcome is a source of revenue."

Kings Mountain Pastor Resigns

Dean and Ruth End "Great Feud"

"It's okay, kid," smiled Babe Ruth when the great slugger met Jerome Dizzy Dean, left, star St. Louis Cardinal pitcher, when the two met at Tampa, Fla. So ended the "great feud" which started when Dean criticized the Babe for transferring from the American league to the Boston Braves. "Dizzy" apologized for his remark.

Body of Aged Negro IS FOUND NEAR RIVER

HICKORY, Mar. 31.—The body of a negro man, believed to have been that of "Uncle" George Gathorn, who has been missing from his home since the middle of January, was found submerged in the mud and sand at the edge of South Fork river below the Simpsons bridge, several miles south of Hickory Friday afternoon.

He Wants Raise For Legislators

RALEIGH, March 30.—Tired of spending half a year in each session in Raleigh with the pay given after 60 days, the house on Thursday received from Mr. Barnes, of Wilson, a constitutional amendment increasing members' pay to \$600 and officers to \$1,000.

They would vote on this proposition at the 1936 election. All efforts to raise such pay in the past have had a terrible history. Time after time the people voted down the proposition. But the past four assemblies have enjoyed the increased pay. The rate was \$4 a day. Should there be adopted this amendment there would be a provision for \$10 a day for extra session not exceeding 30 days. The present pay is \$600 a day for extras.

The house broke its 1936 record Thursday with new introductions. Yesterday the calendar committee was created. The days are getting short. In today's new batch of proposals were a few state-wide proposals. In those passed were seven introduced by Representative Warren, of Caswell.

NOTICE OF FIRST MEETING OF CREDITORS

In the District Court of the United States for the Western District of North Carolina in Bankruptcy—No. 1032. In the Matter of Byron Hosiery Mills, Inc. (Shelby, N. C.), Bankrupt. Notice is hereby given to all creditors and other parties in interest that the above named party has been adjudged a bankrupt; that the first meeting of the creditors will be held in the law office of the undersigned referee, at 200 Land Building, Charlotte, N. C., on Tuesday the 23rd day of April, 1935, at 3 o'clock p. m., at which time and place creditors may attend, prove their claims, elect a trustee, examine the bankrupt, and transact such other business as may properly come before said meeting. This meeting may be continued from time to time without further notice. All claims should be made upon the regular proof-of-claim form, properly verified and sworn to, and filed with the undersigned referee. This the 29th day of March, 1935. R. MARION ROSS, Referee in Bankruptcy, Charlotte, N. C.
