### Mayor Of Hickory Won't Be In Race

NEWTON, April 4.—Mayor R. J. Shipp officially announced at a meeting of the city board of aldermen Tuesday night that he would not be a candidate for re-election to the office of mayor this year. This announcement caused regret among many citizens of Newton as Mayor Shipp is regarded as one of the most efficient and popular mayors the town has ever had.

### Valdese Puts Ban On All Stray Dogs

The town of Valdese has ordered that all dogs within the city limits be confined for a period of six weeks and dogs found at large are to be killed by the police department. The action was taken last week by the town board of commissioners, which took cognizance of the fact that during recent weeks several persons have been bitten by mad dogs.

### Church Of God Is Holding Revival

Revival services are being held each evening this week on South Washington street. Preaching is by the Rev. G. F. Bradshaw. The pastor is the Rev. T. M. West. Every one is invited. String music and singing begin the services.

### BONDED MUTUAL PROTECTION. G. C. Mutual Burial Association has deposited with the State Insurance department a Qualification Bond in the sum of five thousand dollars (\$5,000) which guarantees that our Burial Association shall well and truly perform the services contracted with members. We aim to put more character and quality into our mutual plan of protection, to show the economic advantages that can be given the public by a large organization when it puts the spirit of Service uppermost and trusts its own success to the principle, "He profits most who serves best." To the accomplishment of this mission, we pledge the best efforts of our "board of control." M. R. Biggers, president, E. Lewis Eades, vice president, O. T. Stanton, secretary and treasurer. 1tp

## "A BISCUIT OVEN IN SEVEN MINUTES"

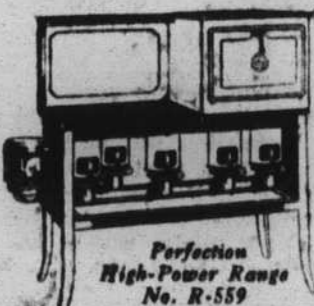

High-Power speed and "live-heat" baking! That's what I like best about my new range!

DID YOU ever try to bake baking powder biscuits in a poky old stove? You'll have better biscuits—and better cooking of every type—when you use a new Perfection range with High-Power burners and "live-heat" oven. The new improved High-Power burners provide a great volume of quick heat, but they respond instantly to regulation, and the flame stays where you set it, with clean steady heat at high or low flame or at any point between.

out the oven and between the oven walls to form an insulation of fresh warm air—the best insulation for ovens.

See the new High-Power Perfection stoves at your dealer's and ask for a demonstration. Be sure to look at the new High-Power Heat-or-Cook range with seven-gallon hot water reservoir. This modern oil stove can be converted in a jiffy into a winter cookstove that also heats three or four rooms.
