Police said they believed gas in the top of the building caused the explosion. The roof fell in and the walls collapsed.

Earth Swallows Team In An Open Field

OCALA, Fla., Jan. 1.-(AP)-A negro plowhand, Walter Pierson. had the shock of his life today when the mule and horse he was driving dropped from view in a level field, leaving him holding a horseless plow. Momentarily dumbfourded,

Pierson finally realized the earth had caved in. Both animals were killed by the 15-foot drop. The negro refused to return to work in the field, declaring "Next time that hole might reach out closer."

The cave-in, on the farm of Ray Luffman, was the result of a limestone sinkhole.
