## Read The Advertisements — Look For The Jumbled Names “Unscramble” Yours And Win!

### Here's How It Works:

There are ten names of Shelby and Cleveland County people on this page —one name in each advertisement. The names are taken from the Webb Theatre register. Each name is disguised and appears jumbled, scrambled or written in hyphenated syllables or words. But each one contains the exact letters in some person's name. Can you find yours? Will the letters used in these scrambled words spell your name? If so, you go to the merchant in whose ad your name is printed, and you will be given TWO FREE TICKETS to see "THE COUNTRY DOCTOR," Monday, Tuesday and Wednesday at the Webb Theatre.
