Morning Cotton LETTER

NEW YORK, July 6.—During the past week new high prices were made following the announcement of the CCC that additional cotton from 12c loans would be released. The net change for the week was 2 lower on Oct. 9 higher on March. The trade no doubt believes that the additional cotton which may be obtained from 12c loan will be of the better grades and staples and not in sufficient quantity to depress the market. The rains which occurred last week in the western and central belt were beneficial to the crop after the prolonged dry spell but their effect seemed offset by the lower private acreage report. Volume of sales in textile markets last week estimated well above production and prices for raw goods maintained their strength and made further gains during week. We continue to favor the constructive side of the market as we believe trend is toward higher price levels. E. A. Pierce & Co.

The board announced it was petitioning the federal circuit court of appeals at New Orleans today in a new effort to enforce the act against the big Jones and Laughlin steel corporation.

Young Democrats Will Meet Friday To Elect Officers

To Hold Meeting In Courthouse

Also To Choose Delegates To Send To State Convention This Month.

Cleveland county's unit of the state's Young Democrat Organization will hold its annual election session on Friday night at 8 o'clock in the courthouse here. The purpose of the meeting will be to elect both officers for the incoming year and delegates to send to the state convention in Greensboro on July 17 through 19, according to President C. C. Horn.

Horn this morning said that he has stressed to the members of the Young Democrats that it is urgent that a large delegation from each precinct of the county be present on Friday. Before adjournment of this session the newly elected president will probably begin tentative plans for the future work of the county group.

Plan Speaking Tours.

Plans for the ensuing weeks will include the sponsoring of some score of speaking engagements over the county in order to aid in giving Clyde Hoey as large an overwhelming majority in November as on Saturday, and to campaign for Roosevelt in the national election. President Horn said that his organization has not been so active in the state primary of the past few months because a "local democratic election is just a friendly fight between ourselves."

The Young Democrat's Club of Cleveland county was organized here in 1928 with Al Bennett as the first president. At that time Al Smith was running on the democratic ticket for the presidency. In 1929 Henry Edwards was chosen to serve as president for two terms and he was followed by Cobby Horn who is still leading the county group. Local organization is given one vote for each thousand cast for the governor in the 1932 election when the state convention meets.

Funeral services were held at 11 o'clock this morning in the Clover Hill Methodist church for Mrs. Martha Newton, 60, who was found dead in her bed at 5 o'clock Sunday morning. Rev. Van B. Harrison was in charge of the services.

Although Mrs. Newton had been in declining health for several months, she had improved lately and her sudden death came as a shock to her family and friends. She talked to members of her family only three hours before her death. She was married to the late Jacob Newton, also of Casar, on July 7th, 1909.

Mrs. Newton joined the Clover Hill Methodist church when 18 years old and since that time has

Clyde R. Hoey was naturally happy over the outcome of the second primary in which he received the Democratic nomination by a majority of around 55,000. He declined to issue a statement today, awaiting final returns, but he was beaming with smiles as hundreds of messages poured in from friends throughout the state congratulating him on his decisive victory.

Surrounded by members of his family and friends, Mr. Hoey received returns at The Star office, a newspaper which he founded 40 years ago after serving as a printer's devil in his teen age. He remained well after midnight, study-

Shelby Man Retains Big Lead As All But 93 Precincts Report

Horton For Lieutenant Governor And Eure For Secretary Of State Sure Of Nominations In Saturday's Run-off

(By Associated Press)

CHARLOTTE, N. C., July 6.—Clyde R. Hoey, administration defender had a majority at 2 o'clock today of 53,232 votes in Saturday's run-off primary for Democratic nominee for governor with all but 93 of the 1858 precincts. W. P. Horton had a lead of 7,320 for lieutenant governor over his opponent Paul Grady, while Thad Eure had a lead of 38,343 for secretary of state over his opponent, Stacey Wade, incumbent.

With 1765 precincts reported in the governor's race, the unofficial vote stood:

FOR GOVERNOR	
Hoey	261,970

Returns from 1,723 precincts in the race for lieutenant-governor show as follows:

Another Fight Ahead
RALEIGH, July 6. (P)—Two veterans at the game of politics began today to lay plans for an intensive fight this fall for the governorship of the state but the Democrat, Clyde R. Hoey, of Shelby, held the advantage.

Gilliam Grissom, Republican nominee, could point back to almost as much Republican party service as Hoey can in the Democratic party but the Republicans have

Roosevelt Address Stresses Need Of Freedom, Leaders

President Delivers Address At Home Of Thomas Jefferson On Holiday.

MONTICELLO, Va., July 6.—President Franklin D. Roosevelt, speaking Saturday at the home of the man who wrote the Declaration of Independence, summoned America to battle anew for "true freedom" and declared that the nation needed leaders of the caliber of Thomas Jefferson.

"There are no limitations," he said in a Fourth of July address, "upon the nation's capacity to obtain and maintain true freedom except of our nation's desire and determination."

Goes To Richmond.
When he concluded, he motored to Richmond and went aboard the yacht Potomac, which will bring him back to Washington Monday morning.

Sprinkling eulogies of Jefferson liberally through his Monticello address, the President firmly voiced a confidence that the spirit of Jefferson was not that of "a golden age gone now and never to be repeated in our history."

Need New Jeffersons.
"Our problems of 1936," he said, "call as greatly for the continuation of imagination and energy and capacity for responsibility as did the age of Thomas Jefferson and his fellows."

"Democracy needs now, as it found then, men developed to the limit of their capacity, through education, for ultimate responsibility. Emergencies and decisions in our individual and community and national lives are the stuff out of which national character is made."
