

# Thirteen Students Advance To District Arts Contest

Winners in 17 categories in the Shallotte Junior Woman's Club Student Arts Festival will advance to district competition to be held at Shallotte Middle School on March 2.

The festival, held Saturday at West Brunswick High School, featured 165 entries from students attending Shallotte Middle, Waccamaw Elementary and West Brunswick High schools. Judges were Rusty Hughes, Bobbi Hughes, Virginia Lauzon, David Clegg, Sheila McLamb and Dean Carroll.

In addition to arts festival winners, the club also announced Saturday its nominees for the Sallie Southall Cotton Scholarship awarded each year by the N.C. Federation of Women's Clubs.

West Brunswick High School senior Keith L. Stanley, son of Mr. and Mrs. Danny Stanley of Shallotte, will receive \$350 from the Shallotte Junior Woman's Club and the opportunity to compete at the district level. The district winner will receive a \$100 scholarship and the right to compete for the \$8,000, 4-year federation scholarship.

Stanley ranks in the top 5 percent of his senior class academically and was selected through personal interviews. He plans to attend N.C. State University.

West Brunswick sophomore Keith White claimed blue ribbons in wood crafts, ceramics, paper crafts and (grades 10-11) painting, and also third place in painting.

**CARING FOR GLASSES**

Keeping your glasses clean and free from scratches will help keep your vision clear. This also pays dividends in making your glasses safer and longer-lasting.

Oil from your skin and any dust in the air find your glasses an easy mark. You can clean them with a soft cloth or one of the special lens-cleaning papers. If your lenses are made of plastic, clean them when they're wet to lessen the chance of scratching. Whatever method you use, it's a good idea to clean them when they're wet to lessen the chance of scratching. It's probably a good idea to clean your glasses at least once a day, whether you think they need cleaning or not.

When you take your glasses off, never put them lens side down. When plastic lenses become scratched, they should be replaced if the scratches interfere with your vision. Severe scratches on both plastic and glass lenses can weaken them and make them easier to break.

Glasses are, in effect, an extension of your eyes. It makes sense to care for them so they can take care of you.
