

Three County Wrecks Involve Single Cars

Three accidents on Brunswick County highways during the past week have all involved single vehicles.

Friday morning at 5:30, ten miles west of Leland on Hwy. 87, Orlando Whitley, 21, of Fayetteville, was driving a 1978 Mercury at a high rate of speed when he ran off the left side of the road, struck a drainage culvert and overturned, according to highway patrol reports.

Trooper J.V. Dove charged Whitley with reckless driving and driving without an operators license.

He was not injured, but his car was damaged in the amount of \$1,500.

Shortly after the accident, the Wilmington Police Department found the Mercury had been stolen from Fred Drier Jr., of Fayetteville.

That night at 9 p.m. a moped driver was injured in an accident near

Shallotte.

Dale Leo Clemmons, 34, of Supply was driving his 1984 Garelli moped north on Hwy. 17, when his vehicle ran off the roadway onto the shoulder, went out of control and came back on the roadway. He overturned several times.

Trooper E.D. Barnhardt charged Clemmons with driving while impaired.

He was taken to Brunswick Hospital with Class B injuries, and there were damages to the moped of about \$50.

Saturday at 3:35 a.m., three miles south of Shallotte, Kelly Paige Pridgen, 19, of Shallotte, was driving a 1982 Dodge east on rural paved road 1152.

She went around a curve, crossed the center line and onto the opposite shoulder, then across a yard where she struck a storage building.

Pridgen was charged with driving left of center and drinking malt beverages while under age by Trooper B.D. Barnhardt.

She suffered Class B injuries, and her car sustained \$1900 in damages. Damages to the building amounted to \$750.

Car Slides Under Truck

No one was injured in this mid-morning accident just north of the intersection of U.S. 17 and Wall Street in Shallotte. The Phillips 66 truck had stopped for traffic. "I didn't see he had stopped," said Angie McKeithan, the driver of the car. "I put on brakes, but then the car just slid." Firemen blocked off traffic until gasoline

leaking from the truck could be diked and the street hosed down. Shallotte Police responded to at least two other accidents during the day, one near the south end stop light; another at the U.S. 17-Smith Avenue intersection.

Pets Available For Adoption

Zelma Babson, animal control supervisor for Brunswick County's health department, recommends the following animals as pets of the week:

- Short-hair male cat, black with bushy tail;
- Black/brown male Pekingese small dog, one to two years old;
- Light brown mixed male collie, about two years old.

These and other animals can be seen at the animal shelter off Hwy. 211, Monday through Friday from 8 a.m. till 4:30 p.m.

Youth Program Needs Helpers

Volunteers are being recruited this month by the Brunswick Buddies or Brunswick County One On One program, according to Director Mary Barnhardt.

Adult volunteers work one-on-one with youth who are experiencing some difficulty coping with their everyday life.

For more information on how to help, call Brunswick County One On One.
